Greetings,
Hope this email finds you well.

This message is being written to inform the Court that the initial correspondences regarding the above-captioned matter have been mailed to the defendant. The original mailing that was sent to the Spartanburg County Detention Center was returned to our office as the defendant had been transported to the DOC prior to the mail arriving. Our office subsequently mailed the correspondences to the DOC. I am concerned that the defendant may not be able to provide his response within the prescribed period of time. Given that the grounds for appeal were stated in the initial filing, would his response still be required?

Thank you for your time.

Respectfully,

Sergey Germanovich
