Appellate Case 2025-001199

Vs.

July 14, 2026

State of South Carolina

Motion for time extension

The defendant respectfully asks this court for a time extension to file his pro se brief. The defendant recieved a letter from this court dated June 23, 2026 stating that the records in this office reflect counsel has served a copy of the brief and record on appeal. However, the defendant, still to date have not recieved a copy. Upon contacting counsel, Kathrine H. Hudgins and notifying her July 13, 2026, she said that she would resend defendant's brief and advised the defendant to write this court, requesting a time extension. The defendant can not submit a pro se brief without first reviewing counsel's brief. Defendant asks that this motion be granted, allowing him time, after recieving and reviewing counsel's brief to file his own.

Sincerely Yours

Abdullah Seifullah
