

AFFIDAVIT OF ANGELA T. FRANKS IN SUPPORT OF MOTION 80 Court of Appeals

I, Angela T. Franks, being first duly sworn, state as follows:

1. I am the Appellant in this appeal and submit this affidavit from personal knowledge in support of my motion for additional time.
2. I received the Court's July 2, 2026 Order directing me to prepare and file a Second Amended Record on Appeal within ten days.
3. The source materials available to me exceed 300 pages and contain lower-court documents mixed with appellate correspondence, bankruptcy materials, documents from a prior case, and exhibits that require verification.
4. I am reviewing both parties' designations and attempting to locate complete copies of every properly designated lower-court document, including orders, pleadings, notices, affidavits, loan documents, and the designated record of hearing.
5. I must verify that each item included in the Second Amended Record was presented to or filed with the lower court and must remove material that was not presented below.
6. I am proceeding without counsel and have worked diligently, but I cannot responsibly complete the accurate index, document verification, assembly, pagination, and service within the original ten-day period.
7. On July 22, 2026, I contacted the Clerk's office and was advised that I could submit a motion requesting an extension of time.
8. I request an extension through August 21, 2026 in good faith, not for delay, so that the Second Amended Record on Appeal can comply with the Court's Order and Rules 210 and 267, SCACR.

FURTHER AFFIANT SAYETH NOT.
