We),all parties was involved was Served notice the 7th of July and the notice was from June 17th giving us until July 17th as a deadline.the attorney involved Patrick Frazier gave us late notice of Judges decision plus Withholding our Records and Court info and Still having 2-3 Weeks ..,All documents Was Sent,all Parties Was Served and appeal was accepted not on the grounds of Counsel being released but on the errors from the Judge in this Case. I paid around 500.00. 250.00 fee and Certified copies expressed for all parties to be served and sent for a copy on transcript plus Sent Copies of receipts of all Steps taking in order as Court Clerk requesting having all documents in before deadline. I'm not Sure What is asked of unless Court got confused of second copy Essential it was the attorneys Job to have those documents to us immediately, it was the 17th of June until the 17th of July. All Documents was received prior to July 17th so I am appealing June 17ths decision.

If there is anything extra in addition to be Corrected let me know but as Stated, I got notice July ,The Judge made a ruling the 17th of June . This Case Was nothing Short of a mess, I am Trying to Clean up.Everything Was against a Case that Should have never been dismissed and the Judge was not aware of many Statues Concerning a Augusta ga accident Case also involving Many errors.

Please Feel free to reach out With any questions or Concerns or if any additional Corrections need to be made but this far all Steps have been taking and filed. I mailed the Court Clerk a Second Copy because there was 2 appeal addresses and it was my understanding the Correct place was Columbia ,Sc address
