Good Mid Morning,

In regards to the letter attached in this email, we have been corresponding with the Transcript court since the day we received this letter. Currently as of this morning, the Transcript court is not finding any records of recordings regardinging this matter. I am waiting for their response back to me of what steps I need to take next. Is there something I need to provide to the Court of Appeals for this matter/ issue? Please advise as soon as possible.

Thanks,
Josh Shumpert
