Thanks for getting back to us so quickly, Jo. It appears the second vote at issue occurred during the July 13 special business meeting, so that is the final transcript we're seeking. Please don't hesitate to reach out with any additional questions. I hope you have a great weekend.

Best,

Lisle

Subject: In re Duke Energy Progress, LLC (App. No. 2026-001613) (Docket No. 2026-78-E)

Lisle, hi ~

I've received your letter and transcript request form. However, I have a clarifying question, maybe two.

On the 7/9/26 Commission Meeting, I do not see any matter on the Utilities Agenda that matches the 2026-78-E that you're looking for. I checked the next couple of meetings and couldn't find anything there either.

The 6/25 oral argument and 6/29 Commission Meeting, I have pulled and will begin working on.

Could you let me know regarding the 7/9 date, though? Also, to the extent that a Commission Meeting covers items in docket numbers other than 2026-78-E, will an excerpt containing only everything pertaining to your docket suffice?

Thanks!

~Jo
