**THE FOLLOWING EXHIBITS ARE ON FILE WITH THIS COURT:
STATE’S EXHIBITS NOS. 152-158 (CDs), STATE’S EXHIBIT NO. 168 (MISSING
PERSON INFORMATION), STATE’S EXHIBIT NO. 169 (CD), AND STATE’S
EXHIBIT NO. 170 (PHOTOGRAPH).**

1 A. There was very strong support for both individuals
2 separately. And once I ran them together for them to be
3 contributors to the profile.

4 Q. And the very strong support was 3.7 duodecillion
5 likelihood.

6 A. That's correct.

7 MS. MAYES: Nothing further.

8 THE COURT: Recross.

9 MR. STORY: Briefly.

10 RECROSS-EXAMINATION

11 BY MR. STORY:

12 Q. You also tested another cutting from the edge of the bath
13 towel, correct, 5.4?

14 A. I believe there were a total of five cuttings tested.
15 5.4 was identified as a cutting from the tag side near the
16 short edge of the black bathtub.

17 Q. And so you excluded -- so, for example, on some of these
18 items you excluded Maki Grey on some, correct?

19 A. Correct.

20 Q. Cady Keener on some.

21 A. That's correct.

22 Q. And on items like that, you excluded Allon Adams on that
23 one as well, correct?

24 A. Correct. That particular item, the profile developed was
25 single source. And the calculation for that item was that the

1 DNA profile is approximately 3.2 septillion times more likely
2 if Tony Etheredge contributed the profile, than if an
3 unidentified, unrelated individual contributed. So Allon
4 Adams, Cady Keener, and Maki Grey would all be excluded as the
5 contributor to that item (phonetic).

6 Q. And on some items you did not develop a profile suitable
7 for comparison at all, correct?

8 A. Correct. There were several cuttings and items that I
9 did attempt DNA testing, and either there was not enough
10 material present, or, again, it could potentially be too
11 broken down. But I was not able to develop profiles from all
12 of the items that were sent over.

13 MR. STORY: Thank you. No further questions.

14 THE COURT: The witness may step down.

15 MS. MAYES: The State calls Ava S. [REDACTED].

16 THE CLERK: Raise your right hand and place your
17 left on the Bible.

18 Do you solemnly swear or affirm the testimony you
19 give the Court today will be the truth, the whole truth, and
20 nothing but the truth, so help you God?

21 MS. SMITH: I do.

22 THE CLERK: Thank you. Please take a seat in
23 witness stand, over that way. State your full name and spell
24 your last for the record.

25 THE WITNESS: Candace S. [REDACTED]. S. [REDACTED].

1 MS. MAYES: All right. Your Honor, may I approach
2 the witness?

3 THE COURT: Yes, ma'am.

4 CANDACE "AVA" S. [REDACTED],
5 being duly sworn, testified as follows:

6 DIRECT EXAMINATION

7 BY MS. MAYES:

8 Q. All right. I'm going to move this just a little bit
9 closer to you.

10 All right. You said your name is Candace S. [REDACTED]?

11 A. Yes, ma'am.

12 Q. Is there another name that your family and friends know
13 you by?

14 A. Yes. Ava.

15 Q. All right. And Ava, I'm going to ask you to speak up a
16 little bit louder, so that even this last juror can hear you,
17 okay?

18 A. Yes, ma'am.

19 Q. How old are you right now, today?

20 A. I'm 16.

21 Q. 16 years old. In 2023, how old were you back then?

22 A. I was 14.

23 Q. 14. I want to go back to the time period of December of
24 2020, okay? Where were you living back then, Ava?

25 A. With my mom in Lexington.

1 Q. All right. And what was your street address there?

2 A. [REDACTED] Doe Trail Drive.

3 Q. [REDACTED] Doe Trail. And how is it that you know the
4 codefendant in this case; and her name is Cady Keenan.

5 A. That's my ex-boyfriend's sister.

6 Q. Okay. So she had a brother, and you used to date the
7 brother?

8 A. Yes.

9 Q. And was that going on back when you were about 14, that
10 you knew?

11 A. We were just ending.

12 Q. Okay. So you knew Cady pretty much the whole time you
13 were 14?

14 A. Yes.

15 Q. And during that time, did you and she develop a
16 relationship?

17 A. We did.

18 Q. You knew each other.

19 A. Very closely.

20 Q. And how is it, if at all, that you ever met her
21 boyfriend?

22 A. (Indiscernible).

23 Q. Okay. And what was the name of her boyfriend?

24 A. Allon.

25 Q. Allon. Had you met Allon one time or more than one time?

1 A. More than one time.

2 Q. All right. Would you tell us, back In December of 2023,
3 did your family have a working video surveillance system?

4 A. Yes, ma'am.

5 Q. All right. And would it record what was going on in the
6 front yard and even that front entrance or front porch area?

7 A. Yes, ma'am.

8 Q. All right. I want to take you back to December 30th of
9 2023. Do you recall whether anybody came to your house around
10 that time to see you?

11 A. I do. They did.

12 Q. And who were those people?

13 A. Allon and Cady?

14 Q. All right. What were they in? What type of vehicle were
15 they in?

16 A. A black truck.

17 Q. Had you ever seen that black truck? Had you ever seen
18 either one of the two of them in that black truck before the
19 night of December 30th?

20 A. I had not.

21 Q. So you were seeing that for the first time?

22 A. I was.

23 Q. And where did they come in your yard?

24 A. In their front yard.

25 Q. All right. I'm going to show you a video. This is going

1 to be State's 193.

2 (Video played.)

3 Q. All right. I'm going to stop it right there. Who is the
4 person that we see right here?

5 (Video stopped.)

6 A. I think that looks like Cady.

7 Q. All right. And can you tell us -- let me get a little
8 bit closer on it. There we go. Is that a little easier?

9 A. Oh. That's me.

10 Q. Okay. So that was you. And when you went to the truck
11 that night, on the night of December 30th, did you see who was
12 inside the truck?

13 A. I did.

14 Q. Can you tell us who was driving the truck?

15 A. Allon.

16 Q. And can you tell us who, if anyone, was in the front
17 passenger seat?

18 A. Cady.

19 Q. All right. So you had been out to the truck and now
20 you're walking back inside your house?

21 A. That's right.

22 Q. Ava, do you know Allon when you see him?

23 A. I do.

24 Q. And you knew him even before that night? You had met him
25 even before that night?

1 A. Yes, ma'am.

2 Q. Can you tell us whether or not you see Allon Adams in the
3 courtroom today?

4 A. I don't want to read (phonetic) that, but if he's in here
5 I do.

6 Q. Okay. What side of the courtroom is he sitting on?

7 A. I don't know.

8 Q. Okay. How did you know Allon was driving the truck?

9 A. I saw him.

10 Q. Okay. And how many times had you seen Allon, if you had
11 to guess?

12 A. Maybe four or five.

13 Q. Okay. Any doubt in your mind who was driving the truck
14 that night?

15 A. No, ma'am.

16 Q. All right. And what do you see in the car, in the truck?

17 A. A gun.

18 Q. Okay. Can you tell us what color the gun was?

19 A. Silver.

20 Q. Okay. And I want to ask you a few more questions about
21 that, okay? When you knew Allon before, how would he usually
22 dress?

23 A. Loose jeans. Maybe a hoody. Sneakers.

24 Q. Okay. And when you knew Allon before, how did he wear
25 his hair?

1 A. In locks.

2 Q. Okay. So you knew him to wear loose clothes and locks.

3 Okay. I want you to take a moment and look in the courtroom.

4 Okay.

5 MR. STORY: Your Honor, this question's been asked
6 and answered.

7 THE COURT: Can we hear the question again?

8 MS. MAYES: Yes.

9 THE WITNESS: I could recognize him if I could see
10 him, but I can't -- I can't identify where he's at in this
11 courtroom.

12 BY MS. MAYES:

13 Q. Okay. Did you ever, the whole time you ever knew Allon
14 Adams -- did you ever know him to wear glasses?

15 A. No.

16 Q. You had never seen him with glasses?

17 A. No, ma'am.

18 Q. Had you ever known him to have short hair?

19 A. I believe so.

20 Q. Okay. So tell us what happened after that first night in
21 the truck. Did they come back?

22 A. They came back a few times.

23 Q. All right. This is State's 194.

24 (Pause)

25 MS. MAYES: Beg the Court's indulgence?

1 (Pause)

2 MS. MAYES: Please publish.

3 (Video played.)

4 BY MS. MAYES:

5 Q. This is from January 1, 2024. Ava, do you recognize that
6 truck in your yard?

7 A. Yes.

8 Q. Is it the same truck you saw the night of the 30th?

9 A. Yes.

10 Q. And why would they sometimes come to your yard?

11 A. Cady knew that I would give her, like, food and water,
12 and if she needed anything, I would help her.

13 Q. And when you say you would help her, you mean you would
14 bring things to her if they asked?

15 A. Correct.

16 Q. Or she asked?

17 A. Yes.

18 Q. This is going to be State's 203 for publishing.

19 (Video played.)

20 Q. Did there come a time where they did ask you for
21 something?

22 A. Yes.

23 Q. And did you provide it to them?

24 A. I did.

25 Q. Who is that?

1 A. That's me.

2 Q. And according to the time on the clock, it's now 6:27
3 p.m. Looks like you have something in your hand. What do you
4 have in your hand, Ava?

5 A. A bowl of baking soda and vinegar.

6 Q. A bowl of baking soda and vinegar. Why were you bringing
7 that out to the truck? They asked me for cleaning supplies.
8 And you gave that to them?

9 A. Yes.

10 Q. Is that the same truck that we see there in your yard
11 that you had seen on the night of December 30th?

12 A. Yes.

13 Q. And do you go out to the truck?

14 A. Yes.

15 Q. Do you see who is in the truck?

16 A. I do.

17 Q. Who do you see in the truck?

18 A. Allon and Cady.

19 Q. You get inside the truck?

20 A. Yes.

21 Q. And who was in that driver's seat?

22 A. Allon.

23 Q. And who was in the passenger seat?

24 A. Cady.

25 Q. Was anyone else in that car?

1 A. No.

2 Q. And do you give them those cleaning supplies that they
3 asked for?

4 A. Yes.

5 Q. The baking soda and the vinegar?

6 A. Yes.

7 Q. I'm going to show you some photographs in evidence and
8 ask you whether or not you recognize any person in State's 11.

9 A. Yes.

10 Q. Who is that?

11 A. Cady.

12 Q. Any person in State's 181?

13 A. Yes.

14 Q. Who is that?

15 A. Allon and Cady.

16 Q. Anyone in State's 182?

17 A. Allon and Cady.

18 Q. Anyone in State's 190?

19 A. Allon.

20 Q. That's how you knew Allon?

21 A. Yes.

22 Q. That's how you remember Cady looking?

23 A. Yes.

24 Q. Again, who is in this photograph?

25 A. Allon and Cady.

1 Q. And who is in this photograph?

2 A. Allon and Cady.

3 Q. And who was in this truck when you went and sat in it?

4 A. Allon and Cady.

5 MS. MAYES: Nothing further.

6 THE COURT: Cross-examination?

7 MR. STORY: If it please the Court.

8 THE COURT: Sir.

9 CROSS-EXAMINATION

10 BY MR. STORY:

11 Q. Hey, Ava. I just have a few questions for you. You
12 stated you knew Cady because you dated her brother, right?

13 A. Yes.

14 Q. You used to date her brother.

15 A. Mm-hmm (affirmative).

16 Q. That was Austin.

17 A. That was Aiden (phonetic).

18 Q. Aiden. Excuse me. Thank you. So you dated her brother,
19 Aiden. That's how you -- is that how you first got to know
20 her?

21 A. Yes.

22 Q. Or did you know her before? Okay. So you dated her
23 brother. You also worked with her, right, at Sonic?

24 A. Yes.

25 Q. Okay. You all worked at Sonic in 2023, right?

1 A. Yes.

2 Q. You also work for her mother, right?

3 A. Yes.

4 Q. You worked for her mom cleaning houses?

5 A. Yes.

6 Q. So at this time, late 2023, you all were pretty close,
7 right?

8 A. Correct.

9 Q. And in early 2024, you all were pretty close.

10 A. Correct.

11 Q. Just one more question. Do you recall talking to
12 detective Reed here in the courtroom on February 6th?

13 A. Yes.

14 Q. And it was in his county patrol car, correct?

15 A. Yes.

16 Q. It was also -- Detective Gilliam, do you remember her?

17 A. Yes.

18 Q. In the -- sitting in the back seat?

19 A. Yes.

20 Q. At that time, you didn't mention anything about bringing
21 the cleaning supplies to the truck, did you?

22 A. No.

23 MR. STORY: Thank you, Your Honor. That's all the
24 questions I have.

25 THE COURT: Redirect?

REDIRECT EXAMINATION

BY MS. MAYES:

Q. But, Ava, on that video, we can see you with something in your hands, right?

A. Yes.

Q. And what was it in your hands?

A. They're cleaning supplies, baking soda and vinegar.

MS. MAYES: Thank you, nothing further.

THE COURT: Any recross?

MR. STORY: Just briefly.

RECROSS-EXAMINATION

BY MR. STORY:

Q. When I mentioned you talked to Detective Reed, Detective Gilliam and didn't mention the cleaning supplies on February 6th, you recall that they were asking about Tony Etheredge, correct?

A. Correct.

MR. STORY: Thank you. No further question, Your Honor.

THE COURT: All right. The witness may step down. Counsel, approach.

(Bench conference.)

THE COURT: Okay, we'll break. We're going to do -- I'm not giving you lunch today. I'm giving you brunch. We're going to break a little bit early and start back at 12:30.

1 So you're going to have a early lunch, a little bit longer.
2 But that way, we'll start at 12:30 and push through the rest
3 of the day. So while you're out, please don't discuss the
4 case, do any independent research about the case or anyone
5 involved with the case. But, otherwise, have a nice brunch.
6 See you back here at 12:30.

7 (Jury out.)

8 THE COURT: Just hold on one sec. All right.
9 Everybody just wait three or four minutes. Looks like the
10 jury's going out here, and then I'll let everybody out. All
11 right?

12 Anything else for the record before we are on
13 recess?

14 MS. MAYES: Nothing from the State, Your Honor.

15 THE COURT: Mr. Story, anything else for the record?

16 MR. STORY: No, Your Honor.

17 THE COURT: All right. Appreciate the patience.
18 Let's let the jury get out, and everyone else can head out
19 behind them.

20 (Court recessed.)

21 (Court resumed.)

22 MR. STORY: Defense is ready.

23 THE COURT: All right. Anything for the record
24 before the jury's brought in?

25 MS. MAYES: Beg the Court's indulgence.

1 THE COURT: Very well.

2 (Pause)

3 MS. MAYES: State is ready, Your Honor.

4 THE COURT: Defense ready?

5 MR. STORY: Defense is ready.

6 THE COURT: All right. Let's bring in the jury.

7 (Jury in.)

8 THE COURT: All right. Please be seated. All
9 right, ladies and gentlemen, welcome back. I hope you had a
10 nice lunch. And we're going to continue with the next witness
11 in the State's case in chief.

12 State may call their next witness.

13 MS. MAYES: Your Honor, at this time the State calls
14 Cady Keener.

12 Q. Despite those charges and the fact that no plea offers
13 have been made to you, do you wish to go forward with your
14 testimony today?

15 A. Yes, ma'am.

16 Q. Why is that?

17 A. Because it's the right thing to do and to help the family
18 sleep at night knowing the truth of what happened to their
19 children.

20 Q. All right. So I'm going to ask you specifically about
21 December of 2023. In December of 2023, were you involved in a
22 relationship?

23 A. Yes, ma'am.

24 Q. Who were you in a relationship with?

25 A. Allon Adams.

1 Q. All right. You testified you were 19 years old back in
2 2023. Is Allon older than you or younger than you?

3 A. Older.

4 Q. How much older is he?

5 A. Three years older than me.

6 Q. So you're 19. He would have been around 22 or so?

7 A. Yes, ma'am.

8 Q. How long had you been in a relationship with Allon?

9 A. Three years prior.

10 Q. You met him when you were how old?

11 A. 16.

12 Q. All right. You met him when you were 16, and you were

14 A. Yes, ma'am.

15 Q. Do you have any children?

16 A. Yes, ma'am, I do.

17 Q. Who?

18 A. Nevaeh (phonetic), my daughter.

19 Q. You have a daughter, Nevaeh. And does Allon claim to be
20 the father of Nevaeh?

21 A. Yes, ma'am.

22 Q. All right. Where would you and Allon stay?

23 A. In the camper on Rish Road. All right.

24 Q. In that area on Rish Road, do you know in Lexington
25 county, what area that is known as?

1 A. Leesville.

2 Q. In Leesville. All right. During the course of your
3 relationship with Allon, did you ever see him with a firearm?

4 A. Yes, ma'am.

5 Q. I want to take you back now specifically to December 27th
6 through December 30th of 2023. Were you and Allon still in a
7 relationship?

8 A. Yes, ma'am.

9 Q. What is meant by the term lick?

10 A. To rob somebody.

11 Q. So a lick is to rob somebody?

12 A. Yes, ma'am.

13 Q. Can you tell us, during that time frame of December 27th
14 through December 30th, was there ever a conversation about a
15 lick?

16 A. Yes, ma'am.

17 Q. Who is that conversation between?

18 A. Me and Allon Adams.

19 Q. All right. Whose idea was it?

20 A. Allon's.

21 Q. What was the plan for the lick?

22 A. The plan was to rob Tony Etheredge of his vehicle.

23 Q. All right. Did you have Facebook back then?

24 A. Yes, ma'am, I did.

25 Q. And did Tony have Facebook?

1 A. Yes, ma'am.

2 Q. Did there come a time where someone looked at your
3 Facebook account?

4 A. Yes, ma'am.

5 Q. Who is that person?

6 A. Allon?

7 Q. Tell us about that.

8 A. What do you mean by that?

9 Q. What happened when he looked at your Facebook account?

10 A. Oh, he seen that Tony Etheredge was texting me.

11 Q. All right.

12 A. And what happened next?

13 A. He had me contact Tony Etheredge. Are you talking about
14 December 27th?

15 Q. Yes.

16 A. Yes. He had me text Tony Etheredge to see if he had any
17 weed that we could buy.

18 Q. All right.

19 A. And we found out that he didn't. And we ended up finding
20 our own weed. So we asked him -- Allon asked me to ask him to
21 take me to Wendy's to get us some food.

22 Q. All right.

23 A. And then, after that, we had ended up going to Mr. B's.

24 Q. All right. You said Allon asked you to have Tony take
25 you to Wendy's.

1 A. Yes, ma'am.

2 Q. On December 27th?

3 A. Yes, ma'am.

4 Q. Why was that?

5 A. Because we needed food. We did not have a vehicle at the
6 time.

7 Q. And so on December 27th, looking here at State's 12 and
8 State's 13 -- I can come up there and show it to you if you
9 need to see it. Do you recognize the people on the
10 screenshot?

11 A. Yes, ma'am.

12 Q. Who is that?

13 A. Tony Etheredge and me.

14 Q. All right. And this would be on that first night,
15 December 27th, when you went with Tony.

16 A. Yes, ma'am.

17 Q. What happened after this night, Cady?

18 A. After that night, Tony ended up dropping me off home,
19 after we went to Mr. B's.

20 Q. You say home. What are you referring to?

21 A. The camper.

22 Q. Do you recognize what we're looking at here in State's
23 142?

24 A. Yes, ma'am.

25 Q. What is that?

1 A. The camper on Rish Drive.

2 Q. And who normally stayed in that camper?

3 A. Allon.

4 Q. Would you sometimes stay there with him?

5 A. Yes, ma'am, I would.

6 Q. Now, your daughter, Nevaeh, where would she normally
7 stay?

8 A. With my mother.

9 Q. Your mom's address is what?

10 A. [REDACTED] Elliptic Green Lane.

11 Q. Okay. That address, Elliptic Green Lane. Is that in
12 Leesville?

13 A. No, ma'am.

14 Q. So it's another part of Lexington County?

15 A. Yes, ma'am.

16 Q. And that's where you all's daughter would stay?

17 A. Yes, ma'am.

18 Q. So when it was at the camper, it was normally just who?

19 A. Me and Allon.

20 Q. All right. So that night, December 27th, after you all
21 leave Mr. B's, and you go back to the camper, did Tony know
22 that it was Allon's camper and that you were Allon's
23 girlfriend?

24 A. No, ma'am.

25 Q. He didn't know that. And what happens after you go back,

1 he brings you back to the camper that night in that truck?

2 A. After he brings me back, me and him texted for a couple
3 days.

4 Q. All right. What happened next?

5 A. After that, it came the 29th, and he was texting me,
6 calling me, trying to hang out again.

7 Q. All right. So now we're on Friday the 29th. And you
8 said Tony has reached out to see you again?

9 A. Yes, ma'am. Yes, ma'am.

10 Q. And, again, at this time, he doesn't know you're with
11 Allon?

12 A. No, ma'am.

13 Q. And he's reaching out to you on what app or --- Facebook.

14 A. Facebook Messenger.

15 Q. Okay. What happens next?

16 A. After that, me and Allon -- Allon -- me, Allon, and
17 Roosevelt come up with a plan how to steal his vehicle.

18 Q. All right. I'm going to ask you a few questions in a
19 little while about Roosevelt.

20 When you talk about a plan to steal the vehicle, who
21 brought up the plan?

22 A. Allon.

23 Q. And is this the lick that you're talking about?

24 A. Yes, ma'am.

25 Q. And the plan would be to steal Tony's truck?

1 A. Yes, ma'am.

2 Q. The truck we see here in State's 28.

3 A. Yes, ma'am.

4 Q. Where were you all at when that plan was discussed?

5 A. In the camper.

6 Q. That same camper we're looking at right here?

7 A. Yes, ma'am.

8 Q. And who was present when that plan was discussed?

9 A. Allon Adams, me, and Roosevelt.

10 Q. Was Roosevelt someone that you knew well?

11 A. No, ma'am.

12 Q. Who was acquainted with Roosevelt?

13 A. Allon.

14 Q. Cady, tell us exactly what the plan was for that night,
15 December 29th.

16 A. The plan was to shoot Tony Etheredge outside of his
17 vehicle and take his vehicle and try to sell his vehicle.

18 Q. Why was the plan to shoot him outside of the vehicle?

19 A. So there wouldn't be blood in the vehicle.

20 Q. Who came up with the plan to shoot him?

21 A. Allon.

22 Q. Did anyone have a gun that night?

23 A. Allon did.

24 Q. Did Roosevelt have a gun?

25 A. No, ma'am.

1 Q. Did you have a gun?

2 A. No, ma'am.

3 Q. There was only one gun?

4 A. Yes, ma'am.

5 Q. And whose gun was that?

6 A. Allon's.

7 Q. Was there a decision about who would do the shooting?

8 A. Yes, ma'am.

9 Q. And who decided that?

10 A. Allon.

11 Q. I'm going to show you what it State's 170. Can you tell
12 me who is in this photograph?

13 A. Allon and Roosevelt.

14 Q. When you say Allon and Roosevelt, who was the person in
15 this photograph with the gun?

16 A. Allon?

17 Q. Right here.

18 A. Yes, ma'am.

19 Q. Who is this person?

20 A. Roosevelt.

21 Q. Where was this photograph taken?

22 A. In the camper.

23 Q. And are you -- were you present when the video was made?

24 A. Yes, ma'am, I was.

25 (Video played.)

1 Q. Can you tell us whether or not that video and that screen
2 cap that we just saw from that video was the night of Friday,
3 December 29th.

4 A. It was.

5 Q. At the camper?

6 A. Yes, ma'am.

7 Q. During the time that you all had discussed this plan?

8 A. Yes, ma'am.

9 Q. What happened after that, Cady?

10 A. After we discussed the plan, and we decided on a plan,
11 I -- Allon had got me to text Tony off of my phone to come and
12 meet up with me at 719, a couple houses down from the camper,
13 an abandoned house, to come and meet up with me and pick me up
14 so we can hang out.

15 Q. Why was the plan to meet you at an abandoned house
16 instead of the camper?

17 A. Because we -- we were trying -- we didn't want Tony to
18 know that me and Allon were acquainted.

19 Q. Okay. So was there an abandoned house in the area near
20 [REDACTED] Rish Road?

21 A. Yes, ma'am, there was.

22 Q. Do you remember about where that house was?

23 A. It's 719.

24 Q. I'm going to show you a photograph, and this is going to
25 be State's 216 and ask you whether or not you recognize what's

1 shown in this photograph.

2 A. Okay. Yes, ma'am.

3 Q. Do you recognize that as Rish Road?

4 A. Yes, ma'am.

5 Q. And do you recognize the area of the abandoned house?

6 A. Yes, ma'am.

7 MS. MAYES: 216 for evidence at this time.

8 MR. STORY: No objection.

9 THE COURT: State's Exhibit 216 is admitted.

10 (State's Exhibit 216 received into evidence.)

11 BY MS. MAYES:

12 Q. All right. So how did Tony get the address for the
13 abandoned house here at 219 Rish?

14 A. Allon gave him the address.

15 Q. And are you all together when these text messages or
16 Facebook messages are taking place?

17 A. Yes, ma'am.

18 Q. And was that part of the plan to have you picked up at
19 that abandoned house?

20 A. Yes, ma'am.

21 Q. Now, if it's abandoned house, are there any witnesses
22 inside the house?

23 A. No, ma'am.

24 Q. Are there any witnesses around the house?

25 A. No, ma'am.

1 Q. So it was isolated?

2 A. Yes, ma'am.

3 Q. And, to your knowledge, did anyone ever see Tony pick you
4 up after he got off that midnight shift at Carolina Wings?

5 A. No, ma'am.

6 Q. So when he pulled up, it was dark?

7 A. Yes, ma'am.

8 Q. And is this a pretty secluded area?

9 A. Yes, ma'am.

10 Q. And there were no witnesses?

11 A. Correct.

12 Q. You got in Tony's truck. What kind of mood was Tony in?

13 A. He was in a good mood.

14 Q. He was excited to see you?

15 A. Yes, ma'am, he was.

16 Q. What happened next?

17 A. Next? After that, I told him that Allon needed a ride to
18 his baby mother's house because she was having a diabetic
19 moment.

20 Q. Okay. So when you said Allon needed a ride to his baby
21 mom's house, he's got another baby mother other than you?

22 A. Yes, ma'am.

23 Q. And that was a story that had been part of the plan?

24 A. Yes, ma'am.

25 Q. And who came up with that story?

- 1 A. Allon.
- 2 Q. Where was the plan for him to pick up Allon?
- 3 A. At the camera.
- 4 Q. So you told Tony that you knew someone who needed a ride?
- 5 A. Yes, ma'am.
- 6 Q. Because of a diabetic emergency?
- 7 A. Yes, ma'am.
- 8 Q. And did Tony agree to that?
- 9 A. Yes, ma'am, he did.
- 10 Q. And where was he directed to go?
- 11 A. To the camper.
- 12 Q. So from this abandoned house, Tony then drives down to
- 13 the camper at [REDACTED] Rish?
- 14 A. Yes, ma'am.
- 15 Q. Who gets into Tony's truck when he gets there?
- 16 A. Allon and Roosevelt.
- 17 Q. So Roosevelt is still with you all?
- 18 A. Yes, ma'am.
- 19 Q. At this point, would Tony have been able to see the gun
- 20 that Allon was carrying?
- 21 A. No, ma'am.
- 22 Q. And so where are you seated in the truck?
- 23 A. In the front passenger seat.
- 24 Q. Where is Tony?
- 25 A. In the driver's seat.

1 Q. And where are Allon and Roosevelt?

2 A. In the back seats.

3 Q. Eventually. Do you all make it to a road called Parrish
4 Road?

5 A. Yes, ma'am.

6 Q. Is Parrish Road in Leesville?

7 A. Yes, ma'am.

8 Q. Is that road paved or dirt road?

9 A. Dirt road.

10 Q. Are there street lights out there?

11 A. No, ma'am.

12 Q. Are there a lot of houses nearby?

13 A. No, ma'am.

14 Q. Is it dark?

15 A. Yes, ma'am.

16 Q. Is it secluded?

17 A. Yes, ma'am.

18 Q. Are the woods around it?

19 A. No -- yes, ma'am.

20 Q. In certain areas?

21 A. Yes, ma'am.

22 Q. What happened once Tony was on Parrish Road?

23 A. I pretended throw up to get him out of the truck so Allon
24 could shoot him.

25 Q. And you said that the plan was to shoot him outside of

1 the truck so that the truck could be stolen and not have blood
2 in it?

3 A. Yes, ma'am.

4 Q. So was Allon still in the back seat when you got out and
5 pretended to throw up?

6 A. Yes, ma'am.

7 Q. Was that enough to cause Tony to want to get out of the
8 truck?

9 A. No, ma'am.

10 Q. Did Tony -- can you tell us whether or not Tony appeared
11 uneasy at this point?

12 A. He did appear uneasy.

13 Q. You think he thought that something was amiss?

14 A. Yes, ma'am.

15 Q. So when you're pretending to throw up outside, does he
16 get out?

17 A. No, ma'am.

18 Q. He wanted to stay in the truck?

19 A. Yes, ma'am.

20 Q. And then, from there, what happened?

21 A. Allon got upset because he wouldn't get out of the truck.
22 And Allon walked around from the back of the truck to the
23 front driver's door, and Tony rolled down his window to
24 pretend to dab (phonetic) up or whatever, and Allon shot him.

25 Q. Okay. So the window was pulled down when the gunshots

1 were fired?

2 A. Yes, ma'am.

3 Q. Did you see who fired the shots?

4 A. Yes, ma'am, I did.

5 Q. Who was it?

6 A. Allon Adams.

7 Q. I'm going to have to ask you a few questions about that.

8 Was one shot fired or more than one shot?

9 A. More than one shot.

10 Q. What do you remember about the first shot?

11 A. I just remember my ears ringing and it kind of just went
12 blank from there. It missed. I'm pretty sure the first shot
13 missed him.

14 Q. You think the first shot missed Tony?

15 A. Yes, ma'am.

16 Q. What happened next?

17 A. Allon shot him again and then asked me to step out of the
18 truck to shoot him again.

19 Q. And did that happen?

20 A. Yes, ma'am.

21 Q. And you had been in the passenger side?

22 A. Yes, ma'am.

23 Q. So the shots were being fired in your direction?

24 A. Yes, ma'am.

25 Q. And he told you to get out?

1 A. Yes, ma'am.

2 Q. And then additional shots were fired?

3 A. Yes, ma'am.

4 Q. What happened next?

5 A. After that, Tony's foot hit the gas and the truck started
6 moving. So I jumped back in the truck to stop the truck from
7 moving. And Allon yanked Tony out of the car, and he ended up
8 on the dirt road. And Allon ended up moving him and pulling
9 him up into the embankment and left him there. And then we
10 drove off.

11 Q. You drove off in that truck?

12 A. Yes, ma'am.

13 Q. You all have now robbed Tony Etheredge and shot and
14 killed Tony Etheredge and stolen that truck?

15 A. Yes, ma'am.

16 Q. When Tony was on the ground, who actually moved him to
17 the embankment?

18 A. Allon.

19 Q. Did Roosevelt help with that?

20 A. No, ma'am.

21 Q. How did Roosevelt react?

22 A. He was shocked and scared.

23 Q. Did Tony have a wallet?

24 A. Yes, ma'am.

25 Q. Who took the wallet?

1 A. Allon.

2 Q. Okay. Where'd you all go next?

3 A. We went back to the camper to go through the wallet.

4 Q. And where were you?

5 A. I was with them at the camper.

6 Q. What happened next?

7 A. After we went through the wallet, we called a card holder
8 service to see what the balance was on the -- on the card and
9 found out there wasn't nothing on the card, so...

10 Q. So you all now had Tony's wallet. Was there any money in
11 the wallet?

12 A. No, ma'am.

13 Q. There was a card in the wallet. And you all called that
14 number, and there was no balance on the card?

15 A. Yes, ma'am.

16 Q. What happened next?

17 A. After that, we ended up taking Roosevelt home. We stayed
18 the night at Roosevelt's house that night, and then me and
19 Allon ended up the next day coming up with a plan to move
20 Tony's body somewhere else.

21 A. Okay.

22 Q. And did Roosevelt live in Leesville or somewhere else?

23 A. Somewhere else.

24 Q. So are you all driving to Roosevelt's house in this truck
25 that you all stolen from Tony?

1 A. Yes, ma'am.

2 Q. And Tony's body still lay on that embankment on Parrish
3 Road?

4 A. Yes, ma'am.

5 Q. What did you and Allon discuss?

6 A. We discussed where to take Tony to drop his body off.

7 Q. Why is that?

8 A. So we couldn't just leave him there in the embankment --
9 to buy us time with the truck.

10 Q. When you say buy us time with the truck, did you realize
11 now that there's a lot of blood in that truck?

12 A. Yes, ma'am.

13 Q. Did you all realize that Tony's family was looking for
14 him?

15 A. Yes, ma'am.

16 Q. Had Tony left his phone in that truck?

17 A. Yes, ma'am.

18 Q. So you all now have his phone?

19 A. Yes, ma'am.

20 Q. And, in fact, when card holder services were called, it
21 was his phone that you all used?

22 A. Yes, ma'am.

23 Q. You had talked about talking to Tony on Facebook. Did
24 Tony also have a Facebook account?

25 A. Yes, ma'am, he did.

1 Q. When you all had his phone, what was done about his
2 Facebook account?

3 A. It was deleted.

4 Q. By who?

5 A. By Allon.

6 Q. Why did you all delete Tony's Facebook account?

7 A. So there were no messages between me and Tony.

8 Q. And what did you do with your Facebook account?

9 A. I deleted it.

10 Q. So your Facebook account was fully deleted?

11 A. Correct. Yes, ma'am.

12 Q. Along with all those communications with Tony that would
13 link you or Allon to Tony?

14 A. Yes, ma'am.

15 Q. What happened next?

16 A. After we devised the plan where we were going to take
17 Tony, we drove back to Parrish Road. And Allon had dropped me
18 off with Tony. We had grabbed a blanket and a quilt, and he
19 dropped me off with Tony. And I went with -- into the
20 embankment and tried to get Tony into the blanket, but I could
21 not do that. So Allon stopped the truck in the middle of the
22 road and came to the embankment, and he put him in there
23 himself. And we moved Tony to the bed of the truck and moved
24 him to where Allon's location was where he wanted to dump him
25 at.

1 Q. And you all are still in the stolen truck?

2 A. Yes, ma'am.

3 Q. And is it nightttime?

4 A. Yes, ma'am.

5 Q. And again, Parrish Road is dark?

6 A. Yes, ma'am.

7 Q. So, as far as you know, nobody saw you all out there
8 moving?

9 A. Yes, ma'am.

10 Q. You said you all used quilts. Where did you all get
11 those quilts from?

12 A. From the back -- from the trunk of -- the back of our
13 car.

14 Q. I'm going to show you 213, 214, and 215. Do you
15 recognize what's shown in this photograph?

16 A. Yes, ma'am.

17 Q. As well as what's shown in this photograph?

18 A. Yes, ma'am.

19 Q. And this photograph?

20 A. Yes, ma'am.

21 Q. What is that?

22 A. The quilt.

23 Q. Was there one or more than one?

24 A. There was more than one.

25 MS. MAYES: For evidence at this time, Your Honor,

1 213, 214, and 215.

2 MR. STORY: No objection.

3 THE COURT: State's Exhibits 213, 214, and 215 are
4 admitted into evidence.

5 (State's Exhibits 213, 214, and 215 received into evidence.)

6 BY MS. MAYES:

7 Q. This is a wooded area. What is this item?

8 A. It's a quilt.

9 Q. All right. And if I need to show you this a little bit
10 better, I can. But there's dirt right up here along this wood
11 line. What is that?

12 A. The dirt road.

13 Q. That's where Parrish Road would run, right there?

14 A. Yes, ma'am.

15 Q. And this is the area you're talking about; that's the
16 embankment that he was pulled onto?

17 A. Yes, ma'am.

18 Q. So when you all go back to Parrish Road, how did -- how
19 many quilts did you use to actually get him into the bed of
20 the truck?

21 A. Two.

22 Q. And why was this quilt left behind?

23 A. I don't -- I don't know. Okay, but you were aware that
24 one quilt was left behind at Parrish Road?

25 A. Yes, ma'am.

1 Q. All right. And who actually got Tony's body into the bed
2 of the truck?

3 A. Me and Allon, both.

4 Q. All right. And had a decision been made about where to
5 take the body?

6 A. Yes, ma'am.

7 Q. Who made that decision?

8 A. Allon.

9 Q. Did it seem to be an area that he was familiar with?

10 A. Yes, ma'am.

11 Q. Can you describe that area to us?

12 A. Not really.

13 Q. Okay. But what happened next?

14 A. After we got him in the bed of the truck, we drove to the
15 area where Allon told us -- well, Allon wanted to go. And we
16 ended up dumping him over the bridge on the area where the
17 area was.

18 Q. I'm going to show you State's 218 and ask you whether or
19 not you recognize that's a bridge in this area.

20 A. Yes, ma'am.

21 Q. Does that look like the same location?

22 A. Yes, ma'am.

23 MS. MAYES: State's 218 for evidence.

24 MR. STORY: No objection.

25 THE COURT: State's Exhibit 218 is admitted.

1 (State's Exhibit 218 received into evidence.)

2 BY MS. MAYES:

3 Q. So from Parrish Road, this one quilt is left behind?

4 A. Yes, ma'am.

5 Q. And then the other quilts used to put Tony into the bed
6 of the truck?

7 A. Yes, ma'am.

8 Q. And you all then went to what you described as the
9 bridge?

10 A. Yes, ma'am.

11 Q. Looking here at 218, what is along this area?

12 A. A road.

13 Q. And what is on that road?

14 A. A bridge.

15 Q. Who actually lifted Tony's body to put over the bridge?

16 A. Me and Allon both.

17 Q. And from there, were you all still in the truck?

18 A. Yes, ma'am.

19 Q. About how long did you all come continue to ride around
20 in the stolen truck?

21 A. For a week.

22 Q. Ultimately, that truck is going to end up in a hay field
23 along Truex Road. Who took it to the hayfield?

24 A. Me and Allon both.

25 Q. Who was driving?

1 A. Allon.

2 Q. And where were you?

3 A. I was in the passenger seat.

4 Q. How was this location of Truex Road selected?

5 A. Allon selected it.

6 Q. How close is that area, Truex Road, to his camper on Rish
7 Road?

8 A. About two, three minute drive.

9 Q. Okay. It's close by.

10 A. Yes, ma'am.

11 Q. Once you all left the truck, how'd you all make it out of
12 there?

13 A. We walked.

14 Q. Where'd you all walk to?

15 A. Back to the camper.

16 Q. So it's close enough for you all to walk from where the
17 truck was left back to the camper?

18 A. Yes, ma'am.

19 Q. Now, before you all left the truck behind, what had been
20 done with the truck?

21 A. It had been cleaned.

22 Q. All right. Who all took part in cleaning the truck?

23 A. Me and Allon both.

24 Q. Look at some photographs. These are all in evidence.

25 State's 39, State's 37, State's 36. All along the dashboard

1 and the surrounding areas, there's something white. What is
2 that?

3 A. Baking soda. Bleach.

4 Q. Where'd you all get the baking soda?

5 A. From Ava's house.

6 Q. I'm going to show you a still shot from a video. This
7 is -- this one dated January 3rd. And this one dated also
8 January 3rd. You said you got the baking soda from Ava's
9 house. Who actually brought it to the truck?

10 A. Ava did.

11 Q. And why'd you all request cleaning products?

12 A. To clean off the blood off the truck or any fingerprints.

13 Q. Okay. So not just blood, but also fingerprints or any
14 evidence that might be left behind?

15 A. Yes, ma'am.

16 Q. And who took part in cleaning that truck?

17 A. Allon and me.

18 Q. Every time you all came to Ava's house, who was in the
19 truck?

20 A. Me and Allon.

21 Q. And who drove the truck every time?

22 A. Allon.

23 Q. And where were you?

24 A. In the passenger seat.

25 Q. So eventually, you all figured out that the truck

1 couldn't be sold because of the blood, and it's left behind in
2 the field.

3 MR. STORY: Your Honor, I would argue that that's
4 testifying. That's not what the witness said.

5 MS. MAYES: I can rephrase that, Your Honor.

6 THE COURT: Very well.

7 BY MS. MAYES:

8 Q. Were you all ever able to get all of the blood out of the
9 truck?

10 A. No, ma'am.

11 Q. Was it obvious to you that the truck couldn't be sold?

12 A. Yes, ma'am.

13 Q. And who came up with the plan to leave it here in the
14 hayfield?

15 A. Allon.

16 Q. Those items that had been used to clean up the truck,,
17 like a hoodie and a towel, do you know what happened to those
18 items?

19 A. They got thrown out in the area where the truck got
20 dumped at.

21 Q. At this point in time, did you all become aware that
22 Tony's family was looking for him?

23 A. Yes, ma'am.

24 Q. Did Allon have one cell phone or more than one cell
25 phone?

1 A. More than one.

2 Q. I'm going to show you a picture real quick. This is
3 State's 149, already in evidence. Did you become aware that
4 on January 20, 2024, about almost a month after all this,
5 there had been a traffic stop by Irmo.

6 A. Yes, ma'am.

7 Q. Did you know that some phones got left behind?

8 A. Yes, ma'am.

9 Q. I'm going to show you what it State's 168. One of those
10 phones has had this on. This is State's 168. What is that?

11 A. A Snapchat picture?

12 Q. Who's in that picture?

13 A. Tony.

14 Q. So were you aware that not only was Tony's family looking
15 for him, but the police were looking for him as well?

16 A. Yes ma'am.

17 Q. Was Allon aware?

18 A. Yes ma'am.

19 Q. In fact, had someone reached out to Allon about this?

20 A. Yes, ma'am.

21 Q. Who was that?

22 A. One of Tony's cousins.

23 Q. Had reached out directly to Allon?

24 A. Yes, ma'am.

25 Q. About what?

1 A. About seeing him riding around in Tony's truck.

2 Q. And what -- were you present when that conversation
3 occurred?

4 A. Yes, ma'am.

5 Q. What did Allon say?

6 A. He denied it.

7 Q. That he was ever in the truck?

8 A. Yes ma'am.

9 Q. Now that you know the police are looking for Tony, what,
10 if any, conversations did you and Allon have about the police?

11 A. A plan on denying it if the police ever did come and
12 question us.

13 Q. All right. And who entered that plan?

14 A. Allon.

15 Q. What was the plan?

16 A. The plan was to keep quiet and not say anything.

17 Q. Keep quiet and not say anything. How did you feel about
18 that?

19 A. I was scared.

20 Q. I want to move forward to around January 11th. So on
21 January 11th, we're just less than two weeks after this, you
22 know, the police are looking for Tony. But at this point, had
23 the police actually come and knock on your door yet?

24 A. No, ma'am.

25 Q. So this is before you've even heard from the police?

1 A. Yes, ma'am.

2 Q. You talked about the plan with Allon, and I'm going to
3 ask you about some of those conversations.

4 State's 154 to publish.

5 THE COURT: Very well.

6 (Video played.)

7 "THE DEFENDANT: Right. But you just been with me
8 just to be with me. At this point, like, bro, once we caught
9 the body, like, we was stuck with each other, all right. I
10 still fuck bitches and do what the fuck I want to, bitch. I
11 take care of you. You don't do nothing for me. So, blam
12 (phonetic), shut the fuck up. You don't buy me nothing or do
13 nothing."

14 (Video stopped.)

15 BY MS. MAYES:

16 Q. Do you recognize that voice?

17 A. Yes, ma'am.

18 Q. Whose voice is that?

19 A. Allon's.

20 MS. MAYES: State's 158 to publish.

21 THE COURT: Very well.

22 (Video played.)

23 "THE DEFENDANT: And I'm texting everybody in your
24 phone and telling -- showing them that you was a setup bitch."

25 (Video stopped.)

1 BY MS. MAYES:

2 Q. Whose voice is that?

3 A. Allon's.

4 Q. What's he mean by telling them you a setup bitch?

5 A. That I set up people for -- to hit licks on them.

6 MS. MAYES: State's 156 to publish it.

7 THE COURT: Very well.

8 (Video played.)

9 "THE DEFENDANT: You can pin everything on me and,
10 shit, we still both going to go down. She might get less
11 time, better than that (phonetic), we still going down
12 together. You even said that before, so, at the end of the
13 day, we both went down together."

14 (Video stopped.)

15 BY MS. MAYES:

16 Q. Whose voice is that?

17 A. Allon's.

18 Q. "At the end of the day, we both going down to the
19 together." Is that a reference to Tony Etheredge?

20 A. Yes, ma'am.

21 MS. MAYES: State's 157 to publish.

22 THE COURT: Very well.

23 (Video played.)

24 "THE DEFENDANT: Bro, I'm not being crazy. You
25 don't see me yelling on the phone at you. You see me calling

1 names. I'm letting you know what the fuck going on. I fucked
2 up. You know they gonna come get your ass, too. What the
3 fuck. I'm not about to go down by myself. I would if you
4 would never did anything did -- but you going down with me
5 because I want you to go down with me, too. So at the end of
6 the day, bro, you going down, regardless. Even if I go down
7 for this shit, you going down with me, bro. Damn. Leave it
8 alone. It's said and done, brother."

9 (Video stopped.)

10 BY MS. MAYES:

11 Q. Whose voice is that?

12 A. Allons.

13 Q. And when he says "If I go down, you're going down with
14 me," is that a reference to the murder of Tony Etheredge?

15 A. Yes, ma'am.

16 Q. So did there come a time that the police came to talk to
17 you?

18 A. Yes, ma'am.

19 Q. I want to move forward to January 29th. Those messages
20 that we just heard telling me that you're going down with him,
21 those were before the police showed up?

22 A. Yes, ma'am.

23 Q. When the police showed up, were you willing to tell them
24 everything?

25 A. No, ma'am.

1 Q. Why is that?

2 A. Because I was scared. Me and him had a plan not to say
3 anything, and that was the plan that I was going to stick to.

4 Q. You were going to follow that plan. I'm going to show
5 you what is State's 166 and State's 165 and ask you if you
6 recognize this State's 165, being text messages sent from your
7 phone?

8 A. Yes, ma'am.

9 Q. And who did you send a text message to?

10 A. Allon.

11 Q. Where was that photo taken?

12 A. From my mom's house.

13 Q. Outside your mom's house.

14 A. Inside my mom's house.

15 Q. Okay. Inside your mom's house, looking out?

16 A. Yes, ma'am.

17 Q. And what are those vehicles outside?

18 A. Police vehicles.

19 Q. So on January 29, 2024, exactly one month from when Tony
20 left with you that night, the police are now outside your
21 house?

22 A. Yes, ma'am.

23 MS. MAYES: For evidence at this time.

24 MR. STORY: No objection.

25 THE COURT: All right. State's Exhibits 165 and 166

1 are admitted into evidence.

2 (State's Exhibits 165 and 166 received into evidence.)

3 BY MS. MAYES:

4 Q. So looking at 165, the text message that you sent to
5 Allon on January 29th, did you send a photo with that text
6 message?

7 A. Yes, ma'am.

8 Q. This is State's 166. And you said that photo is taken
9 from inside the house?

10 A. Yes, ma'am.

11 Q. And whose vehicles are these outside?

12 A. Police vehicles.

13 Q. And you say what right here to Allon.

14 A. I love you.

15 Q. And what do you say right here to Allon?

16 A. I won't say nothing. I promise. I love you. Make sure
17 nobody else live (phonetic) for me.

18 Q. A reference to you all's daughter?

19 A. Yes, ma'am.

20 Q. And you're telling him that you won't say nothing?

21 A. Yes, ma'am.

22 Q. Is that part of the plan?

23 A. Yes, ma'am.

24 Q. If you had talked, what concerns did you have?

25 A. I had concerns of going to jail and Allon getting in

1 trouble, going to jail as well.

2 Q. I'm just going to ask you, yes or no -- did you have any
3 concerns about Allon towards you?

4 A. Yes.

5 MR. STORY: Objection, Your Honor. It's leading and
6 also 404(b), Your Honor.

7 THE COURT: All right. Let me speak to you real
8 quick.

9 (Bench conference.)

10 THE COURT: Objection's overruled.

11 BY MS. MAYES:

12 Q. Now, when the police come and they're outside your house,
13 do they talk to you?

14 A. Yes, ma'am.

15 Q. Did they ask you if you know Tony?

16 A. Yes, ma'am.

17 Q. Did you tell him the truth?

18 A. No, ma'am.

19 Q. You lied?

20 A. Yes, ma'am.

21 Q. Told him you didn't know Tony at all?

22 A. Yes, ma'am.

23 Q. They asked you if you'd ever talked to Tony on Facebook,
24 and you said what?

25 A. I lied. I said I talked to a Mark Smith, not Tony.

1 Q. All right. So, again, you're not telling them that you
2 even know Tony at all?

3 A. Yes, ma'am.

4 Q. And then eventually they confront you with evidence that
5 you had been inside Mr. B's with Tony?

6 A. Yes, ma'am.

7 Q. And even then, do you ever admit at that point in time
8 that you knew anything about the disappearance of Tony
9 Etheredge?

10 A. No, ma'am.

11 Q. Or the murder of Tony Etheredge?

12 A. No, ma'am.

13 Q. So you continue to stick with the plan?

14 A. Yes, ma'am.

15 Q. And tell law enforcement that you knew nothing?

16 A. Yes, ma'am.

17 Q. At this point in time, are you and Allon still together
18 at the camper?

19 A. No, ma'am.

20 Q. You all are having issues in your relationship?

21 A. Yes, ma'am.

22 Q. Is it because of this?

23 A. Yes, ma'am.

24 Q. And, eventually, the police find out a lot more. Yes or
25 no?

1 A. Yes, ma'am.

2 Q. They find out that you had actually confided in someone
3 about what happened?

4 A. Yes, ma'am.

5 Q. Who was that person that you confided in?

6 A. Ava S. [REDACTED].

7 Q. That 14-year-old?

8 A. Yes, ma'am.

9 Q. And did you tell her who shot Tony?

10 A. Yes, ma'am.

11 Q. Who was that?

12 A. Allon.

13 Q. And so, eventually, they find out about Ava.

14 A. Yes, ma'am.

15 Q. Once they interview Ava, they come back to you?

16 A. Yes, ma'am.

17 Q. You're arrested now?

18 A. Yes, ma'am.

19 Q. You were in custody?

20 A. Yes, ma'am.

21 Q. Do you remember this detective, John Reed, and a female
22 detective, Marlo McCann, meeting with you on February 9th?

23 A. Yes, ma'am.

24 Q. I want to ask you about after Tony was shot and killed
25 and you all were back at the camper. Had there been any blood

1 on anyone's clothes?

2 A. Yes, ma'am.

3 Q. Who had blood on their clothes?

4 A. Both of us did.

5 Q. Who had blood on their shoes?

6 A. Both of us.

7 Q. And what happened to those clothes?

8 A. They got burned in a burn barrel at Allon's grandma's
9 place.

10 Q. Is that right here around this camper area?

11 A. Yes, ma'am.

12 Q. So you all had actually burned the clothes?

13 A. Yes, ma'am.

14 Q. That gun -- that gun that we saw in Allon's possession on
15 the night of December 29, did he keep that gun?

16 A. Yes, ma'am.

17 Q. For about how long?

18 A. Maybe a month or so afterwards.

19 Q. And, eventually?

20 A. He got rid of it.

21 Q. So the clothes are gone and the gun is gone ---

22 A. Yes, ma'am.

23 Q. --- by the time you're arrested February 9th?

24 A. Yes, ma'am.

25 Q. When you're arrested February 9th, this detective is

1 interviewing you and Lieutenant McCann are interviewing you,
2 eventually, did you come clean?

3 A. Yes, ma'am.

4 Q. Did you tell him who shot Tony?

5 A. Yes, ma'am.

6 Q. And who was that?

7 A. Allon.

8 Q. Did you tell him where Tony was shot?

9 A. Yes, ma'am.

10 Q. And where was that?

11 A. In the head.

12 Q. Did you tell him the location in which that occurred?

13 A. Yes, ma'am.

14 Q. Where was that?

15 A. In Rish -- Parrish Road.

16 Q. Who actually led the police to Parrish Road?

17 A. I did.

18 Q. That quilt that we talked about, State's 214, shown here
19 in State's 215 -- who got the police out to Parrish Road?

20 A. I did.

21 Q. They took you out there, or were you directing them?

22 A. I directed them there.

23 Q. And what did you tell them they would find there?

24 A. A quilt.

25 Q. And where did you tell them that quilt would be?

1 A. In the embankment on Parrish Road.

2 Q. And is that quilt the general location of Parrish Road in
3 which Tony was shot?

4 A. Yes, ma'am.

5 Q. And in which his body was pulled over to the embankment
6 by Allon Adams.

7 A. Yes, ma'am.

8 Q. So the police, shown here in State's 215, found the quilt
9 because of who?

10 A. Me.

11 Q. You knew that Tony had been missing for a long time?

12 A. Yes, ma'am.

13 Q. Did you know that it had been on social media?

14 A. Yes, ma'am.

15 Q. Did you know that it had been on the news?

16 A. Yes, ma'am.

17 Q. Can you tell us whether or not you were aware that his
18 family desperately wanted to find him?

19 A. Yes, ma'am, I did.

20 Q. Who is the person that told the police where -- where
21 Tony could be found?

22 A. I was.

23 Q. Who was the person that directed the police to this
24 location along Black Creek and that bridge?

25 A. I was.

1 Q. Did they know anything about where Tony would be found
2 until you talked?

3 A. No, ma'am.

4 Q. And did you tell them who put Tony in the creek?

5 A. Yes, ma'am.

6 Q. Who was that?

7 A. Me and Allon.

8 MS. MAYES: Beg the Court's indulgence.

9 BY MS. MAYES:

10 Q. Who was shown in this photograph, State's 182?

11 A. Me and Allon.

12 Q. Who was shown in this photograph, State's 181.

13 A. Me and Allon.

14 Q. I'm going to ask you about an item of evidence. This is
15 State's 153. Again, you're aware that multiple phones were
16 seized at that traffic stop, in which Allon Adams was a
17 passenger in a car?

18 A. Yes, ma'am.

19 Q. And just to clarify, were you the one driving?

20 A. No, ma'am.

21 Q. It was another woman.

22 A. Right? Yes, ma'am.

23 Q. Catherine Smith.

24 A. Yes, ma'am.

25 Q. And you're aware that, among the three phones left

1 behind, one with a blue Motorola?

2 A. Yes, ma'am.

3 (Video played.)

4 "THE DEFENDANT: -- that brain on the dash. And you
5 niggers ain't never took any soul and never seen blood gushing
6 like a faucet. Them niggers ain't never seen none of that.
7 You know what I'm saying? You better tell them boys in the
8 Berg, though, in South Lee, I ain't the one, though. Cause I
9 know you know them boys, and I know they -- they my cousin,
10 too. But them boys don't -- let's -- you just gotta get them
11 with the head up. I'm going to chop shit up. That's what I'm
12 saying. I'm in business, bro. So you better tell them that
13 this brother, bro, I ain't the one to play with. Listen,
14 'cuz, I ain't lying to you all. This shit about to get
15 wicked."

16 (Video stopped.)

17 BY MS. MAYES:

18 Q. Whose voice is that?

19 A. Allon's.

20 Q. And that message on that blue Motorola was left by who?

21 A. Allon?

22 Q. Cady, the reference in that message by Allon Adams about
23 brains on the dash, is about who?

24 A. Tony Etheredge.

25 Q. About how you all had to clean up the dashboard.

1 A. Yes, ma'am.

2 Q. After he had a gunshot wound to the head.

3 A. Yes, ma'am.

4 Q. Are you aware of an Apple iPhone that belonged to Allon
5 Adams?

6 A. Yes, ma'am.

7 Q. Are you aware of that Apple iPhone being used by him
8 after the murder of Tony Etheredge Jr.?

9 A. Yes, ma'am.

10 (Video played.)

11 "THE DEFENDANT: -- died, last two words was 'Oh,
12 shit,' like a robot. Blew his fucking brains out. My
13 favorite food is spaghetti, man. I don't eat spaghetti no
14 more. Literally, (indiscernible) never seen brains, like --
15 it's, like -- bro, that shit, (indiscernible) anywhere. That
16 shit made me not want to eat spaghetti no more."

17 (Video stopped.)

18 BY MS. MAYES:

19 Q. Who is that in this exhibit?

20 A. Me.

21 Q. Where are you all at?

22 A. In the camper?

23 Q. Who was speaking?

24 A. Allon.

25 Q. In that video?

1 A. Allon was.

2 Q. When he said, "Blew his F-ing brains out," who's he
3 referencing?

4 A. Tony.

5 Q. When he said he can't eat spaghetti no more, who's he
6 referencing?

7 A. Tony.

8 Q. Where was that video taken?

9 A. At the camper.

10 Q. I want you to look at the overhead. What is going
11 through your mind right now?

12 A. I'm upset and annoyed.

13 Q. What was Allon Adams state of mind at this time?

14 A. All over the place.

15 Q. Did you ever hear him brag or boast about killing Tony
16 Etheredge Jr.?

17 A. Yes, ma'am.

18 Q. Is that what he's doing in this video?

19 A. Yes, ma'am.

20 (Video played.)

21 "THE DEFENDANT: Damn. (Indiscernible) die, he was
22 a big bitch."

23 UNIDENTIFIED SPEAKER: (Indiscernible).

24 THE DEFENDANT: Ain't going to die, no children
25 (phonetic).

1 UNIDENTIFIED SPEAKER: That's the (indiscernible)
2 part. Fuck 12. This shit will never stop."

3 (Video stopped.)

4 BY MS. MAYES:

5 Q. Cady, do you see Allon Adams in this courtroom today?

6 A. Yes, ma'am.

7 Q. Tell us where he's seated.

8 A. Right there.

9 MS. MAYES: Your Honor. May the record reflect she
10 has identified the Defendant.

11 THE COURT: Very well. So noted.

12 BY MS. MAYES:

13 Q. Have you ever seen him with glasses before this week?

14 A. No, ma'am.

15 Q. After Tony has been killed, you indicated that his phone
16 was where?

17 A. With me and Allon.

18 Q. If you've been left behind in that truck you all stole.

19 A. Yes, ma'am.

20 Q. Whose phone was used to call that card holder services
21 that you told us about to check the amount of balance on the
22 card in Tony's wallet?

23 A. Tony's phone.

24 Q. Those Facebook messages that were deleted from Tony's
25 phone, who did that?

1 A. I did.

2 Q. And did you have a conversation with anybody before you
3 did that?

4 A. I had a conversation with Allon before I did that.

5 Q. What did you all do about the fact that Tony is missing,
6 and you have his phone, and his family's calling and looking
7 for him?

8 A. We were texting his family.

9 Q. When we see that text -- when we see that text, sent at
10 December 30th, 9:11 a.m., so it's now morning time. "Good
11 morning, mother. Are you okay?" And then we see her
12 response. "Good morning. Can you bring me a scratch off?"
13 Then we see another text: "I got you later. For show at
14 lady's place."

15 Who sent this text, Cady?

16 A. I did.

17 Q. Who sent this text, "I at lady's place"?

18 A. Allon.

19 Q. And then, "Hey, mother, I've got a flat tire. In the
20 process of getting it fixed. I'll keep you updated."

21 Did you send that text?

22 A. Yes, ma'am.

23 Q. Again, are you trying to stall and explain why Tony is
24 missing?

25 A. Yes, ma'am.

1 Q. To his family.

2 A. Yes, ma'am.

3 Q. "At lady's. I fell asleep. You okay? Always, you" --
4 to Tony's mother. Is that you and Allon?

5 A. Yes, ma'am.

6 Q. "Happy New Year's. I've been busy with lady." Is that
7 you and Allon?

8 A. Yes, ma'am.

9 Q. So looking at these Phone records, State's 5, we see that
10 on that night that Tony got off at Carolina Wings, just after
11 midnight, that there's going to be a communication at 12:21 --
12 12:14 to 12:21 between Tony and his son. Was that actually
13 Tony?

14 A. Yes, ma'am.

15 Q. So Tony was still alive to communicate with his son up
16 until 12:21?

17 A. Yes, ma'am.

18 Q. And what kind of mood was Tony in?

19 A. In a good mood.

20 Q. And then we see at 1:11 a.m., that call, and that call is
21 going to be to an 888 number, but it's outgoing from Tony's
22 phone to card holder services. Is that you on a line?

23 A. Yes, ma'am.

24 Q. At this point, is Tony dead or alive?

25 A. Dead.

1 MS. MAYES: Beg the Court's indulgence.

2 BY MS. MAYES:

3 Q. Cady, is everything -- can you tell us whether or not
4 everything that you testified to today is based on your own
5 first-hand knowledge?

6 A. Yes, ma'am.

7 Q. You saw Tony killed?

8 A. Yes, ma'am, I did.

9 Q. And you saw who did it?

10 A. Yes, ma'am.

11 MS. MAYES: Nothing further.

12 THE COURT: Counsel, please approach real quick.

13 (Bench conference.)

14 THE COURT: Ladies and gentlemen, let's take a short
15 break before we do cross-examination. Head on back to the
16 jury room. We'll just take about ten minutes. We'll get you
17 back in here. Please don't discuss the case. Thank you.

18 All right. This is a short recess. In fact, I
19 (indiscernible) back to refresh herself (indiscernible).

20 (Court recessed.)

21 (Court resumed.)

22 THE COURT: All right. We've got everybody we need?
23 Yes. Let's (indiscernible). Anything else before I bring in
24 the jury?

25 MS. MAYES: Nothing from the State, Your Honor.

1 MR. STORY: Nothing for the Defense.

2 THE COURT: Right. Let's bring them in, please.

3 THE BAILIFF: Yes, sir.

4 (Jury in.)

5 THE COURT: All right. Please be seated. Ladies
6 and gentlemen, pick up with cross-examination of this witness.

7 MR. STORY: May it please the Court.

8 THE COURT: Yes, sir.

22 A. Yes.

23 Q. Again, no promises have been made, right?

24 A. Right.

25 Q. But you do know what you're facing?

1 A. I do.

2 Q. You do know how serious they are?

3 A. I do.

4 Q. And it's your testimony today that the only reason you
5 testified is because it's the right thing to do.

6 A. Right?

7 MR. STORY: Brief indulgence (phonetic). No further
8 questions, Your Honor.

9 THE COURT: Redirect.

10 REDIRECT EXAMINATION

11 BY MS. MAYES:

12 Q. Ms. Keener, you realize that you could have sat in that
13 witness stand and taken the Fifth Amendment.

14 A. Yes, ma'am.

15 Q. Your right to silence.

16 A. Yes, ma'am.

17 Q. And you chose forward -- to go forward with your

20 Q. What was weighing on you?

21 A. All of this, everything, everything that happened to
22 Tony.

23 Q. I'm going to ask you a few more questions about Tony.

24 A. Okay.

25 Q. That sequence of events -- I want to go back to Parrish

1 Road. On Parrish Road, you indicated there were how many guns
2 out there?

3 A. One.

4 Q. One gun. Can you tell us, looking here at State's 170,
5 if that's the same gun from this video?

6 A. Yes, ma'am.

7 MR. STORY: Objection, Your Honor, that's outside
8 the scope of cross. I didn't ask about the gun.

9 THE COURT: The question -- what?

10 MS. MAYES: I'm asking about the sequence of events,
11 Your Honor, in the truck.

12 So let me ask you this ---

13 THE COURT: Just a minute.

14 (Bench conference.)

15 BY MS. MAYES:

2 Q. Tell us a little bit more about that. Where did you go?
3 What did you do?

5 pretended to throw up on the side of the vehicle.

6 Q. And was that enough to get Tony out of the vehicle?

14 Q. Did Roosevelt stay in the truck or get out?

15 A. He got out, too.

16 Q. Allon and Roosevelt are outside the truck?

17 A. Yes, ma'am.

18 Q. Who walked around to Tony's side?

19 A. Allon.

20 Q. What did Tony do?

21 A. Tony rolled down the window.

22 Q. And where were you?

23 A. I was in the passenger seat.

24 Q. Who fired the shot?

25 A. Allon.

1 Q. And then before those last shots were fired, where did
2 you go?

3 A. Allon told me to step out of the car.

4 Q. And did you do that?

5 A. Yes, ma'am.

6 Q. And then what happened?

7 A. Tony's foot hit the gas, and the truck started moving.
8 So I jumped back in to stop it from moving.

9 Q. Who got Tony out of the truck?

10 A. Allon.

11 Q. Now, one of the questions that was posed to you on cross-
12 examination was about Catherine Smith, the woman who's driving
13 the car when all those phones get seized from Allon's
14 possession. You remember that?

15 A. Yes, ma'am.

16 Q. You already knew who Catherine Smith was?

17 A. Yes, ma'am.

18 Q. You already knew that he was seeing other women?

19 A. Yes, ma'am.

20 Q. I'm going to ask you about a statement that we heard in
21 one of the Court's exhibits that's already been played: "I'm
22 going to still F bitches and do what I want." You were aware
23 of that?

24 A. Yes, ma'am.

25 Q. And you stayed with Allon anyway?

1 A. Yes, ma'am.

2 Q. That was your choice?

3 A. Yes, ma'am.

4 Q. He asked you about Roosevelt Garway, that -- it was most
5 recently that you talked about Roosevelt Garway. I want to
6 ask you about that. Did Roosevelt Garway pull the trigger
7 that night?

8 A. No, ma'am.

9 Q. Did he even have a gun?

10 A. No, ma'am.

11 Q. What were your thoughts about involving Roosevelt Garway
12 in this?

13 A. I was doubtful about it at first, but afterwards I knew
14 it was the right thing to do to involve him.

15 Q. To tell that he had been involved?

16 A. Yes, ma'am.

17 Q. And part of the plan?

18 A. Yes, ma'am.

19 Q. I think you were asked a question about that call to the
20 credit card company at 1:11 a.m. Cady, had anybody ever sat
21 down and discussed the phone records with you prior to you
22 coming here to the courthouse to meet with us?

23 A. Yes, ma'am.

24 Q. And had you ever actually seen that laid out before?

25 A. Yes, ma'am.

1 Q. What about the text messages to Tony's family?

2 A. Yes, ma'am.

3 A. They were being shown. They were shown to me as well.

4 Q. By the Solicitor's Office?

5 A. Yes, ma'am.

6 Q. And was that laid out for you, those phone records and
7 the text messages ---

8 A. I'm sorry?

9 Q. Was that was laid out for you, the phone records and the
10 text messages?

11 A. Was it laid out for me?

12 Q. Mm-hmm (affirmative).

13 A. Yes, ma'am.

14 Q. For you to see with your own eyes?

15 A. Yes, ma'am.

16 Q. And, at that point, did you tell what you knew about
17 those items?

18 A. Yes, ma'am.

19 Q. These phone records?

20 A. Yes, ma'am.

21 Q. And those text messages to Tony's family?

22 A. Yes, ma'am.

23 Q. And I think, based on the cross-examination, you
24 indicated that was around October or November of this year?

25 A. Yes, ma'am.

1 Q. And that -- can I ask you, was that the first time you
2 had ever met with me?

3 A. In October? Yeah, that was the first time.

4 Q. And Solicitor Hubbard?

5 A. Yes, ma'am.

6 Q. So prior to that, had you ever even seen those exhibits
7 printed out before?

8 A. No, ma'am.

9 Q. So that was your first time to see those?

10 A. Yes, ma'am.

11 Q. In fact, had anybody ever even asked you before about
12 that call at 1:11 a.m.?

13 A. No, ma'am.

14 Q. Did you tell what you knew once he said those exhibits?

15 A. Yes, ma'am.

16 Q. Now I heard Mr. Story ask you about you being aware that
17 people were looking for Tony, prior to the police showing up
18 at your door the first time. Was Allon aware?

19 A. Yes, ma'am.

20 Q. When did Allon Adams first become aware that people were
21 looking for Tony?

22 A. When Tony's cousin texted him about seeing him riding
23 around in his truck.

24 Q. And were you all still riding around in the truck at that
25 time?

1 A. No, ma'am.

2 Q. Would that have been around the first week or so after
3 Tony was killed?

4 A. Yes, ma'am.

5 Q. That people were seeing you all in the truck?

6 A. Yes, ma'am.

7 Q. So he knew?

8 A. Yes, ma'am.

9 Q. On January 11th, those audio messages that we heard from
10 the blue Motorola -- if I go down, you're going down with
11 me -- was that before or after the police showed up at your
12 house?

13 A. Before.

14 Q. So those threats had been made prior?

15 A. Yes, ma'am.

16 Q. To the police showing up?

17 A. Yes, ma'am.

18 Q. And that plan that you talked about to lie and cover this
19 up, who was that plan with?

20 A. Allon.

21 Q. Had that been entered, prior to the police showing up at
22 your house?

23 A. Yes, ma'am.

24 Q. In addition to those other audio threats that we heard,
25 was there any other type of threat that was made?

1 A. Yes, ma'am.

2 Q. And who made that threat?

3 A. Allon.

4 Q. Can you tell us whether or not you believed that threat?

5 A. Yes, ma'am.

6 Q. Did you take it seriously?

7 A. Yes, ma'am.

8 Q. And, as a result, did you tell the police the truth when
9 they showed up on your doorstep?

10 A. No, ma'am.

11 Q. In fact, your first text was to who?

12 A. Allon.

13 Q. And you told him what?

14 A. That I wouldn't say anything.

15 Q. Was it important? Can you tell us whether or not it was
16 important to you that he thought you were following the plan?

17 A. Yes, ma'am.

18 Q. And, ultimately, when he said to you, if I go down,
19 you're going down with me, you understand that?

20 A. Yes, ma'am.

21 Q. And you're accepting responsibility for your role?

22 A. Yes, ma'am, I am.

23 MS. MAYES: Nothing further.

24 THE COURT: Recross.

RECROSS-EXAMINATION

BY MR. STORY:

Q. You just testified on redirect that the October meeting with the Solicitor's office, that was the first time you'd seen the phone records, right?

A. Yes, sir.

Q. And -- but you knew that you had called the credit card company when you met with the police on February 9, correct?

A. Yes, sir.

Q. You knew that you had taken the wallet, correct?

A. Yes, sir.

Q. And, just briefly, you were arrested February 8th, correct?

A. Yes.

Q. You met with Detective Reed and Detective -- Lieutenant McCann on February 9th, correct?

A. Yes, sir.

Q. And that was the day you said, it's going to be better for me, right?

A. Yes.

MR. STORY: No further questions.

THE COURT: All right. The witness may step down.

MR. HUBBARD: State calls Captain Jesse Laintz.

THE COURT: Very well.

THE CLERK: Please raise your right hand. Place

1 your left on the Bible.

2 Do you solemnly swear or affirm the testimony you
3 give the Court today will be the truth, whole truth, and
4 nothing but the truth, so help you God?

5 MR. LAINTZ: I do.

6 THE CLERK: Thank you. Please take a seat in the
7 witness stand. State your full name and spell your last for
8 the record.

9 THE WITNESS: Jesse Laintz. Last name is spelled
10 L-A-I-N-T-Z.

11 CAPTAIN JESSE LAINTZ,
12 being duly sworn, testified as follows:

13 DIRECT EXAMINATION

14 BY MR. HUBBARD:

15 Q. Captain Laintz, where do you work?

16 A. Lexington County Sheriff Department.

17 Q. What are your duties There as a captain?

18 A. So at the sheriff's department, I'm very fortunate to be
19 the Captain over Special Operations and Investigations. Been
20 in investigations for about 16, 17 years now. But I oversee
21 major crimes, our narcotics units, our gang units, and
22 everything special operations.

23 Q. And were you -- were your folks involved in this
24 operation to find and determine what happened to Tony
25 Etheredge Jr.

1 A. Yes, sir.

2 Q. Who was your lead detective you assigned on that?

3 A. On that at that point in time, it was John Reed. When
4 that happens, there's a group of people that are helping. But
5 John Reed and Lieutenant McCann was very involved in the onset
6 as well.

7 Q. And you're familiar with the fact that Allon Adams was
8 eventually arrested for this?

9 A. Yes, sir.

10 Q. Along with Cady Keener.

11 A. Yes, sir.

12 Q. And we've had a third individual I'm going to talk to you
13 about in a little bit -- but Roosevelt Garway.

14 A. Yes, sir. Just recently.

15 Q. He's been arrested as well.

16 A. Yes, sir.

17 Q. Let me ask you this: there's been discussion about an
18 interview involving Investigator Reed and Lieutenant McCann
19 back in February 9th of 2024 with Cady Keener. As a result of
20 that interview, were you all able to determine where this
21 actual shooting occurred?

22 A. Yes, we were.

23 Q. Where was that?

24 A. The actual shooting occurred, it was off of Parrish Road.
25 From the information that they were able to obtain during that

1 interview, we were able to get a pretty specific location of
2 where it took place.

3 Q. Were you also able to get a location for where you could
4 find the body of Tony Etheredge Jr.?

5 A. Yes. During the interview, they were told off a bridge,
6 off Hartley Quarter Road.

7 Q. Okay. And that interview was with who?

8 A. That interview was with Detective Reed and Lieutenant
9 McCann.

10 Q. And with Cady Keener?

11 A. Yes.

12 Q. Now, prior to that interview in February of 2004 [sic],
13 did you all have any information at all as to where the
14 shooting actually occurred?

15 A. We did not.

16 Q. Did you even have any information or any leads as to
17 where the body of Tony Etheredge Jr. was?

18 A. We did not. If we did, we'd have been looking.

19 Q. When your officers went out to Parrish Road, where the
20 shooting took place, was Cady Keener with your officers?

21 A. She rode with him down to there, yes.

22 Q. I want to show you what's in evidence -- State's 214.
23 You see a quilt. Are you familiar with that quilt?

24 A. Yes. That quilt was found right off Parrish Road, where
25 she took them to, right in the Wood Line.

1 Q. And she pointed that out.

2 A. She did. That's my opinion (phonetic).

3 Q. Now, as far as the body of Tony Etheredge Jr., was he
4 found the same day that you found this quilt?

5 A. Yes. The day of the interview is where we found him.

6 Q. And that was off of Black Creek, Hartley Quarter Road.

7 A. So Hartley Quarter Road goes over a bridge, and then
8 there's Black Creek right there. We were able to pull up some
9 satellite images when they were talking to try to get ideas of
10 where we should go look. And we went down to this location.
11 It's right outside of Pelion, if you're going up north towards
12 Fairview.

13 Q. And do you see that on State's 2-18 (phonetic)?

14 A. Yes.

15 Q. And so the same day that you all found that quilt, you
16 all found Mr. Etheredge?

17 A. We did.

18 Q. Again, but for that conversation with Cady Keener, where
19 she gave that information, would you all have been able to
20 find the shooting site or the body of Tony Etheredge?

21 A. That soon, no. Honestly, probably hunting season, when a
22 hunter found him -- found him. Sorry.

23 Q. Now, in order to get that information, did your agency
24 make any promises or deals?

25 A. No.

1 Q. Do you all have a policy on when somebody has pending
2 charges, do you all make deals?

3 A. No. That is not our place to do that. There are
4 promises that we can fulfill -- maybe a cigarette. But,
5 beyond that, there's not much more we can do beyond that.

6 Q. Now, if somebody has provided information, and you say
7 you're doing the right thing, do you have any kind of promise
8 behind that?

9 A. I don't think so. No.

10 Q. Between your agency, the sheriff's department and the
11 Solicitor's Office, which agency is responsible for the
12 ultimate disposition of those charges?

13 A. The Solicitor's Office is.

14 Q. Now, we've also heard that Cady Keener came to my office
15 along with Lieutenant McCann and gave an additional interview.

16 A. She did.

17 Q. And, in that interview, the name of Roosevelt Garway came
18 up?

19 A. Yes, sir.

20 Q. Had he been on anybody's radar prior to this interview?

21 A. That was the very first time we've heard of him in
22 relation to this case.

23 Q. And based on what she said, did you all go out and just
24 arrest Roosevelt Garway?

25 A. We did not.

1 Q. Did you all have to investigate to determine if there's
2 anything to corroborate what she told you all?

3 A. We can't just go off what somebody tells us. That's not
4 fair to anybody that's involved. So we took the information
5 that she gave us. Physical evidence doesn't lie. We reviewed
6 the physical evidence, and we continued to investigate. At
7 that point in time, we have problem cause.

8 Q. And so, at this point, we've heard about a Mr. Garway.
9 He's been arrested.

10 A. He has.

11 Q. For an accessory before the fact.

12 A. Accessory before the fact of murder, yes.

13 Q. Where is he residing right now?

14 A. I have not checked recently, but I'm sure it's the
15 Lexington County Detention Center.

16 Q. And that just happened this month?

17 A. I believe it was November 1st when he was arrested.

18 Q. Based on that information, were there any promises or
19 deals with Cady Keener to get that information?

20 A. Once again, I wasn't in that interview, but that is
21 something that we would not do at the sheriff's department.

22 Q. And are you aware of any promises or deals my office has
23 made before bringing Cady Keener in here today to testify?

24 MR. STORY: (Crosstalk) calls for speculation, Your
25 Honor.

1 MR. HUBBARD: I'm asking if he's aware.

2 THE COURT: Overruled.

3 BY MR. HUBBARD:

4 Q. Are you aware?

5 A. I am not aware of any.

6 Q. Based on the long-standing relationship, have you known
7 us to do that?

8 A. I have not.

9 Q. Okay.

10 A. I don't think I've ever seen that, actually.

11 MR. HUBBARD: That's all I have at this time.

12 THE COURT: Cross-examination?

13 MR. STORY: No questions for this witness.

14 THE COURT: Very well. The witness may step down.

15 MR. HUBBARD: Thank you, Captain.

16 State calls Dr. Angelina Phillips.

17 THE CLERK: If you could raise your right hand and
18 place your left on the Bible.

19 Do you solemnly swear or affirm the testimony you
20 give the Court today to be the truth, the whole truth, and
21 nothing but the truth, so help you God?

22 MS. PHILLIPS: I do.

23 THE CLERK: Thank you. Please take a seat in the
24 witness stand. State your full name, spell your last for the
25 record.

1 THE WITNESS: Angelina Phillips. P-H-I-L-L-I-P-S.

2 DR. ANGELINA PHILLIPS,

3 being duly sworn, testified as follows:

4 DIRECT EXAMINATION

5 BY MR. HUBBARD:

6 Q. Dr. Phillips, where do you work?

7 A. I work at the Medical University of South Carolina.

8 Q. Is that in Charleston?

9 A. Yes.

10 Q. And what do you do?

11 A. I'm a forensic pathologist.

12 Q. Can you please tell us what a forensic pathologist is?

13 A. A forensic pathologist is a doctor who is trained in the
14 field of pathology. What pathology is, is the study of
15 disease, laboratory medicine. And a part of that is what's
16 called forensic pathology, where we perform autopsies to
17 examine the body.

18 Q. And how long have you been doing this?

19 A. Ten years.

20 Q. And I assume you have an educational background to allow
21 you to do autopsies on people?

22 A. Yes.

23 Q. Where did you go to school? What's your training?

24 A. I have an undergraduate degree in anthropology from New
25 York University, a graduate degree in human (indiscernible)

1 from Columbia University in New York. Then I completed my
2 medical school training in upstate New York at the State
3 University of New York. Then four years of residency training
4 in general pathology in Massachusetts before coming down to
5 South Carolina and the Medical University for one additional
6 year of training in forensic pathology.

7 Q. How many autopsies have you performed over the years?

8 A. At least 2,000.

9 Q. Have you been qualified as a forensic pathologist in a
10 courtroom before?

11 A. Yes.

12 Q. Including this courtroom?

13 A. Yes.

14 MR. HUBBARD: Your Honor, I offer Dr. Angelina
15 Phillips as an expert in forensic pathology.

16 MR. STORY: No objection.

17 THE COURT: All right. Ladies and gentlemen, this
18 witness will be qualified in the area of forensic pathology
19 and give opinion testimony in that area. Doesn't mean you
20 have to accept the opinion as evidence, but it's evidence for
21 you to use any way you see fit.

22 BY MR. HUBBARD:

23 Q. Doctor, I'm going to ask you about a specific autopsy
24 that you performed February -- February 12th of 2024 on Tony
25 Etheredge Jr.

1 A. Yes.

2 Q. Do you recall that autopsy, and do you have a report on
3 that autopsy?

4 A. I do.

5 Q. I'd like to go through that autopsy. But when you end up
6 doing an autopsy, do you do both a visual inspection and an
7 outer, external examination in addition to an internal
8 examination?

9 A. Yes. The procedure for an autopsy is looking at the
10 outside and inside of the body to identify -- excuse me -- any
11 natural disease or injury that may be present that would help
12 us determine why that person died. And the circumstances
13 surrounding your death will help us determine the manner of
14 how they die.

15 Q. Doctor, now, in this particular case, when he came to
16 you, they brought the body of Tony Etheredge to you, was he in
17 a pretty decomposed state?

18 A. Yes, the body was decomposed. There was breakdown of the
19 skin and tissues on the outside of the body and breakdown of
20 the tissues inside of the body.

21 Q. Despite that, were there obvious injuries that you could
22 tell had been inflicted upon him?

23 A. Injuries were identified on the body from the external
24 examination. There were multiple areas of the body involved.
25 Would you like me to go into those injuries?

1 Q. Yes. Let's do. Specifically, were they gunshot wounds?

2 A. Yes. Gunshot wounds were identified.

3 Q. How many did you identify on Mr. Etheredge's body?

4 A. Three gunshot wounds.

5 Q. Now, when you analyze a body, and you're doing an
6 autopsy, can you tell which shot occurred first?

7 A. No. I usually cannot tell you which shot occurred first,
8 in what order the gunshot wounds happen in -- unless there is
9 some evidence on the body or seen information that would make
10 it a more logical sequence.

11 Q. Okay. So do you just kind of take a shot and kind of
12 assign -- shot 1, shot 2, shot 3?

13 A. Yes. When I'm writing the report, I assign from top to
14 bottom on the body, so from head to toe and give an order to
15 that. But that's just so that it's understandable and not
16 confusing.

17 Q. And when you do this, do you use a diagram or human
18 diagram to make notes and denote what you're talking about in
19 your report?

20 A. Yes. I created a diagram at the time of autopsy, which
21 documents my findings and helps me generate my report.

22 Q. I want to show you what's been marked State's 219. Would
23 this be the diagram, two-page diagram?

24 (State's Exhibit 219 marked for identification.)

25 A. Yes, it is -- the front and back of the diagram.

1 Q. And the notes we see on it, those are notes you made?

2 A. That is my handwriting, yes.

3 Q. And this deals with the autopsy of Tony Etheredge Jr.

4 A. It does.

5 MR. HUBBARD: I offer this into evidence at this
6 time, I believe, with no objection.

7 MR. STORY: No objection.

8 THE COURT: State's Exhibit 219 is admitted into
9 evidence.

10 (State's Exhibit 219 received into evidence.)

11 BY MR. HUBBARD:

12 Q. So, 219, we have front and back of a male, and then side
13 views with arms.

14 A. Yes.

15 Q. The notes and the writings we see on that, who made
16 those?

17 A. That was made by me.

18 Q. Okay. Now let's talk about the first gunshot. And
19 again, which one did you label as your first shot?

20 A. I labeled them from top to bottom, as they were found on
21 the body. And the first gunshot wound I have in my report is
22 the gunshot wound to the head.

23 Q. Can you please describe that gunshot wound to the head?

24 A. There were two injuries or defects on the head. One on
25 the right side and one on the left side. The -- they are

1 pictured on the second part of the diagram. And in blue on
2 the right and left sides of the head, looking at it from the
3 side of the body diagram.

4 Q. Let me ask you this, Doctor. On this particular image,
5 we see a small hole that you've marked here. What does that
6 denote?

7 A. The small circle -- and the other side has a bit more of
8 a triangular shape, and that is not a true to representation
9 of what it was on the body. It's just to help me mark that
10 area. And the smoother circle is the entrance gunshot wound.

11 Q. That would be this one right here?

12 A. Yes.

13 Q. And then this one.

14 A. And the more triangular injury is the exit gunshot wound.

15 Q. And what else can you tell us about the particular wound,
16 about the trajectory angle and all that?

17 A. That gunshot wound is traveling through the head from
18 right to left. It is entering the brain. In this case there
19 was a fair amount of decomposition limiting my ability to tell
20 you exactly which parts of the brain. But there was
21 hemorrhage or bleeding along the pathway through the brain.

22 There's a also fractures of the skull that are associated
23 with this injury. And this injury, in and of itself, is a
24 lethal injury, not survivable. The specific trajectory is
25 from left to right, slightly down and slightly front to back.

1 Q. Okay. Now you mentioned a second one. And, again, this
2 one would be fatal.

3 A. Yes.

4 Q. The second gunshot wound you have on your report, you
5 denote it being to the neck.

6 A. Yes. The second gunshot wound I have listed is to the
7 neck. And it's going to be demonstrated on both diagrams.
8 From looking at the side, here you can see a blue circle,
9 ovoid circle shape at the jawline line on the diagram. And
10 that is the entrance wound on the left side of the neck. And
11 on the front of the diagram there's another somewhat teardrop
12 shape on the neck. And that is the exit wound.

13 Q. Doctor, would that -- I see two of them here. Would it
14 be the top or bottom?

15 A. That would be the top.

16 Q. The one on the bottom, let's just go ahead and let me ask
17 you about that. What are you denoting there?

18 A. The circle or ovoid shape at the bottom there, just below
19 the collarbone, is a defect that, when I initially examined,
20 it was concerning for a gunshot wound. However, when probed,
21 it was not a defect that penetrated into the body cavities or
22 very deeply into the tissues. And I thought that to be more
23 likely something that was post mortem, likely animal activity.

24 Q. Okay. So for the second shot to the neck, we're talking
25 about this defect you've noted right below the jawline.

1 A. Yes.

2 Q. And it's on the same side of the head where the entrance
3 wound was to the headshot.

4 A. Correct.

5 Q. And the exit wound would be denoted on the front page of
6 your diagram, on that top oval circle.

7 A. Yes, the right side of the neck.

8 Q. Would that shot have been fatal?

9 A. That shot has the potential for being fatal in that it
10 injures the subcutaneous, or tissues underneath the skin, goes
11 along the back of the neck and fractures the bone that sits
12 right at the top of your neck, the hyoid bone. And I could
13 not see any damage to vessels in the neck because of the level
14 of decomposition, but it's likely to have damaged or injured
15 vessels in the neck, and the bleeding from that is potentially
16 lethal.

17 Q. So it's potentially fatal.

18 A. Yes.

19 Q. Now, the last gunshot wound you have to the right arm.

20 A. Yes.

21 Q. Turn to the second page, do we see it denoted in this
22 figure here on the second page?

23 A. Yes, we do. The two blue markings on the arm near the
24 shoulder on the right, that's our entrance and exit gunshot
25 wounds. The entrance wound is the one that is more towards

1 the front of the body. And the exit wound is the one more
2 towards the back of the body.

3 Q. Okay. So, through-and-through shots.

4 A. Yes.

5 Q. Did you recover any bullets inside the body?

6 A. I did not.

7 Q. Now, this shot, what, if anything, did it do to the bone?

8 A. The gunshot wound to the arm fractures the bone in the
9 arm, up near the shoulder. And, because of that injury, it is
10 potentially a cause of death on its own.

11 Q. So one shot is clearly fatal. That would be the
12 headshot. No question about that one.

13 A. Correct. Correct.

14 Q. But these other two gunshots are both individually,
15 potentially fatal.

16 A. Potentially fatal.

17 Q. I want to show you an X-ray of that arm, State's 221.
18 Does this show the fractured arm?

19 A. Yes, it does.

20 Q. And this, of course, is of Tony Etheredge.

21 A. Yes, it is.

22 MR. HUBBARD: State's 221 for evidence, Your Honor.

23 MR. STORY: No objection.

24 THE COURT: State's Exhibit 221 is admitted into
25 evidence.

1 (State's Exhibit 221 received into evidence.)

2 BY MR. HUBBARD:

3 Q. Doctor, looking at this arm, what part am I pointing to
4 right here on State's 221?

5 A. That is the top of the bone in the arm. The curved part
6 is at the joint.

7 Q. What we see here, where about on the arm is that?

8 A. That is in the region of the gunshot wound, upper part of
9 the arm, near the shoulder.

10 Q. And how would you describe this particular entry that we
11 see here as far as the bone is concerned?

12 A. So this is a fracture of the humerus, which is the bone
13 of the arm. And it is what you would call a comminuted
14 fracture in medical terms. And that just means it's broken
15 apart into multiple little pieces.

16 Q. In layman's terms, it shattered.

17 A. Yes.

18 Q. Now, Doctor, did you find other injuries on the body of
19 Mr. Etheredge as well?

20 A. Yes, I did.

21 Q. Let's talk about -- I see something in your report about
22 the right hand. What can you tell us about that?

23 A. Yes. So the right hand had an injury that was visible on
24 the X-ray of the hand. I could see on the X-ray that there
25 was a fracture of one of the bones in the hand. However, at

1 the time of autopsy, I was unable to see any damage on the
2 surface of the hand because of the level of decomposition and
3 the adherent blood that was on the skin.

4 Q. So, Doctor, could it have been related to a gunshot
5 wound?

6 A. It's possible it could have been related to a gunshot
7 wound, but without being able to see that service, I couldn't
8 tell you.

9 Q. You mentioned up here at the clavicle -- still looking at
10 State's 219 -- below the neck one ---

11 A. Yes.

12 Q. --- that that was what you believe to possibly be animal
13 activity.

14 A. Yes.

15 Q. But being an injury, you also noted that on this autopsy.

16 A. Correct.

17 Q. Now, down here on the shin, you've got a place marked on
18 the -- is that the right -- right shin?

19 A. That's around the right leg, just lateral to the shin --
20 or, medial to the shin.

21 Q. Okay. What are you noting there? What did you find
22 there?

23 A. That blue circle is representing a contusion, or a
24 bruise, that's on the leg.

25 Q. And when you have a bruise or a contusion, can you tell

1 us, was that after Mr. Etheredge was dead, or was that
2 something that happened before he died?

3 A. Because I can see the bruise looking red, purple, and
4 call it a contusion, it's likely, or definitely, an injury
5 that occurred before he died or around the time that he was
6 dying.

7 Q. Now, I want to ask you, in addition to the gunshot wounds
8 that you found and these other injuries, did you find some
9 preexisting or old injuries?

10 A. Yes.

11 Q. Can you please talk about that?

12 A. Of course. He had injuries that were remote to his
13 current injuries. And those involved fractures that were
14 repaired to his skull. And he had a metal rod in one of his
15 legs around the thigh. And there were other scars on the body
16 that indicated that he had surgical intervention to repair
17 injuries in the past.

18 Q. I'll show you State's 220. Let's see if you can identify
19 this X-ray.

20 A. This is an X-ray of the head.

21 Q. Of Tony Etheredge?

22 A. Yes.

23 MR. HUBBARD: State offers 220 into evidence.

24 MR. STORY: No objection.

25 THE COURT: States Exhibit 220 is admitted into

1 evidence.

2 (State's Exhibit 220 received into evidence.)

3 BY MR. HUBBARD:

4 Q. Looking at this X-ray of Mr. Etheredge's head, first of
5 all, did you find any bullet fragments or anything like that
6 in his skull?

7 A. No bullet fragments were identified in the skull.

8 Q. Is that one of the reasons why you do an X-ray of the
9 individual, to see if you find fragments of any kind?

10 A. Yes. The X-rays are performed on decomposed cases and
11 cases that involve gunshot wounds to look for any fragments
12 that remain in the body.

13 Q. I want to point out this area that we see on the skull
14 right here. There's some, looks like squares. Can you
15 describe or explain to the jury what we're looking at there?

16 A. That -- those white squares that we're seeing are metal
17 pieces that are on the skull. And they are used to hold
18 pieces of bone in place that have been repaired due to prior
19 injury.

20 Q. And let me ask you this. I don't know if you were
21 apprised, but would that be consistent with, say, this
22 individual being in a pretty bad car wreck in 2003 and having
23 a severe head injury?

24 A. That would be consistent with a severe head injury that
25 caused fractures to the skull that required repair.

1 Q. And that might explain also the rod in the leg.

2 A. Yes.

3 Q. Now, we see a bunch of lines here. You indicated that
4 there were fragments -- or, I mean, fractures to the skull.
5 Are they visible here?

6 A. They are not easily visible on this X-ray. The linear
7 fractures, or fractures that are like a line on the sides of
8 the skull, are near impossible to see on this type of X-ray.
9 And the fractures that happen to the base of the skull,
10 because of the angle of the X-ray, we would not be able to
11 appreciate that in this X-ray.

12 Q. But, nonetheless, you did find fractures in the skull?

13 A. Yes. The fractures were seen visually once the skull was
14 opened and the brain was removed.

15 Q. The fractures that you saw, were they -- did they appear
16 to be part of or consistent with the gunshot one wound to the
17 head?

18 A. Yes.

19 Q. So the fracture caused by the gunshot wound to the head?

20 A. Yes.

21 Q. Did you also find something else out about Mr. Etheredge,
22 about his spine?

23 A. Yes. The X-rays revealed a defect in his spinal column,
24 called scoliosis, which is when there is a thoracic curvature
25 of the spinal column. And he had pretty severe scoliosis.

1 Q. So this man, who was about 5' 9", 135, based on
2 everything we know, had severe scoliosis and had had some
3 pretty severe trauma in the past?

4 A. Yes.

5 Q. And the three wounds that you saw, the three gunshot
6 wounds, one, the headshot one, was fatal?

7 A. Yes.

8 Q. The other two wounds, one to the neck and even the one to
9 the arm were potentially fatal?

10 A. Yes.

11 Q. Doctor, a case like this, may sound silly, but what is
12 the cause of death of Tony Etheredge Jr.?

13 A. The cause of death in this case are the gunshot wounds.
14 And that would be gunshot wounds to the head, neck, and right
15 arm.

16 Q. And how do you classify the manner of death?

17 A. The manner of death in this case is homicide.

18 Q. Doctor, I believe that's all I have for you at this time.
19 Thank you.

20 THE COURT: Cross-examination?

21 MR. HOLLADAY: May it please the Court.

22 CROSS-EXAMINATION

23 BY MR. HOLLADAY:

24 Q. Good afternoon, Dr. Phillips. How are you today?

25 A. Doing pretty good.

1 Q. You have obviously quite the extensive education. New
2 York University. That's a very well-known academic school,
3 right?

4 A. Yes.

5 Q. Columbia. That's Ivy League.

6 A. Yes.

7 Q. That's, in itself, very, very impressive. Ten years as a
8 forensic pathologist in work experience, right? I think you
9 testified that you've conducted over 2,000, or close to 2,000,
10 complete autopsies, right?

11 A. At least 2,000. Yes.

12 Q. Similar to the one you conducted in this case.

13 A. Yes.

14 Q. And, in this case, you conducted a very detailed
15 examination, correct?

16 A. Yes.

17 Q. And all -- I'm sure this one, like all the rest of your
18 examinations, are extremely thorough.

19 A. Yes.

20 Q. And you've discussed there were three gunshot wounds.

21 A. Yes.

22 Q. Now, based on your years of education and training and
23 experience, according to your report and your testimony, you
24 determined that the manner of death is best deemed a homicide.

25 A. Correct.

1 Q. But, despite all of your education, despite all of your
2 training and over 2,000 complete autopsies, in your report,
3 where it states, where it asks, how injury occurred, you
4 wrote, shot by someone.

5 A. Correct.

6 Q. And that's because there's no way to tell who shot Tony
7 Ether Jr.

8 A. There is no way I can tell who shot him. I know that he
9 was shot by someone.

10 MR. HOLLADAY: No further questions, Your Honor.

11 THE COURT: Any redirect?

12 MR. HUBBARD: No follow-up. I ask the Doctor be
13 excused.

14 THE COURT: Without objection. She's excused.

15 MR. HUBBARD: Your Honor, at this time the State
16 rests.

17 THE COURT: Very well. Ladies and gentlemen, the
18 State has rested their case. I've got some matters to take up
19 with the attorneys at this time. Please return of the jury
20 room. Please do not discuss the case, but remain there, and
21 I'll give you further instructions later. Thank you. Do not
22 discuss the case.

23 (Jury out.)

24 THE COURT: All right. Please be seated. Any
25 motions at this time?

1 MR. STORY: Your Honor, the Defense has a motion.
2 At this time, Your Honor, the Defense moves for a directed
3 verdict of acquittal. Taking evidence in light most favorable
4 to the State, they have failed to present competent evidence
5 that tends to prove every element of the offense charged in
6 the indictments, Your Honor, as to all three indictments. I
7 move to dismiss.

8 THE COURT: Any response from the State.

9 MS. MAYES: Your Honor, you've heard the evidence in
10 this case. There's been testimony from the codefendant, who
11 was an eyewitness, that this was a planned murder, that the
12 plan was to shoot him outside of the truck and to steal the
13 truck. We know that he was actually shot inside the truck,
14 pursuant to that plan, but that the truck was stolen. Your
15 Honor, proof beyond a reasonable doubt at this point of armed
16 robbery, I submit.

17 But, certainly, for the Court, in the light most
18 favorable to the State, there is sufficient evidence to submit
19 the armed robbery charge. She's testified that there was an
20 ongoing conspiracy that they entered prior to the shooting,
21 and that conspiracy continue throughout the plan.

22 Finally, Your Honor, as to murder, malice
23 aforethought, we know that this murder, based on the testimony
24 of the codefendant occurred during the commission of a planned
25 armed robbery. Your Honor, certainly malice is inferred. The

1 state has presented overwhelming evidence of malice from the
2 Defendant's own admissions and statements following the crime.

3 MR. STORY: Your Honor, the State's failed to prove
4 each element of the offense. I move for directed verdict of
5 acquittal.

6 THE COURT: Very well. Based on hearing all -- the
7 totality -- totality of the evidence heard during the trial,
8 I'll respectfully deny the Defendant's motion for directed
9 verdict. I find there's competent evidence as to all the
10 indictments, all the charges against the Defendant, I find
11 there's adequate evidence for the cases to all be submitted to
12 the jury. So those motions are denied.

13 Also, any other renewals?

14 MR. STORY: Your Honor, at this time, we move to
15 renew all our previous motions and objections. Your Honor,
16 the cumulative effect has rendered my client -- excuse me.
17 He has been -- the cumulative effect has denied my client a
18 fair trial.

19 THE COURT: All right. The record reflect your
20 objections, and the pretrial motions are renewed and remain
21 denied.

22 I need to -- at this time, I need to advise the
23 Defendant of his rights.

24 Okay. Madame Clerk, could you please place the
25 Defendant under oath?

1 THE CLERK: Yes, sir.

2 Please raise your right hand.

3 Do you solemnly swear or affirm the testimony you
4 give the Court today will be the truth, the whole truth, and
5 nothing but the truth, so help you God?

6 THE DEFENDANT: Yes, I do.

7 THE CLERK: Thank you.

8 THE COURT: All right. Mr. Adams, at this time
9 going to explain to you some of your rights. If you do not
10 understand anything I say, please let me know. If you need me
11 to explain anything else in more detail, please let me know
12 that as well. You understand?

13 THE DEFENDANT: Yes, sir.

14 THE COURT: All right. We've now reached the stage
15 of the trial where you may present your defense. You have the
16 right to claim the protections given you by the Fifth
17 amendment of the Constitution of the United States, which
18 Fifth Amendment State's in part, "No person shall be compelled
19 to meet criminal case to be a witness against himself." This
20 means you cannot be required to testify in this case. You
21 have the right to testify on your own behalf, however, no one
22 can make you testify. This is a personal right, and no one
23 can waive this right, except you. Do you understand that?

24 THE DEFENDANT: Yes, sir.

25 THE COURT: If you decide to testify, you will be

1 subject to the same rules that govern other witnesses. You
2 may be examined and cross-examined on any relevant issue in
3 this case. In addition, if you have any convictions involving
4 dishonesty or false statement, or for crimes punishable by
5 imprisonment for more than one year, and this Court determines
6 that the probative value of admitting this evidence outweighs
7 its prejudicial effect to you, the solicitor will be able to
8 introduce your record to attack your credibility. You
9 understand that?

10 THE DEFENDANT: Yes, sir.

11 THE COURT: If you decide to testify, this decision
12 on your part must be freely, voluntarily, and intelligently
13 made, with the knowledge of the protections of given you by
14 the Fifth Amendment and the consequences of your decision to
15 testify. If you decide not to testify, I'll instruct the
16 jurors that they cannot give the fact that you did not testify
17 any consideration whatsoever, and that there should be
18 absolutely no prejudice to you because you did not testify.
19 It is left entirely up to you whether or not you testify.

20 You may talk with your attorney, your family,
21 friends, or anyone else. But the final decision will be left
22 entirely up to you. Do you understand the rights I've
23 explained to you?

24 THE DEFENDANT: Yes, sir.

25 THE COURT: Do you wish to discuss this with your

1 attorney at this time?

2 THE DEFENDANT: Yes, sir.

3 THE COURT: All right. You all take a few
4 moments -- or a few minutes.

5 I think we'll just have a short recess. Let's say
6 ten minutes, and we'll come back. Thank you.

7 (Court recessed.)

8 (Court resumed.)

9 THE COURT: Mr. Adams, what are your intentions? Do
10 you intend to testify?

11 THE DEFENDANT: No, sir.

12 THE COURT: I'm sorry.

13 THE DEFENDANT: No, sir.

14 THE COURT: No?

15 THE DEFENDANT: No, sir.

16 THE COURT: Okay. Very well.

17 Mr. Story, do you intend to call witnesses now?

18 MR. STORY: We do not, Your Honor.

19 THE COURT: All right. I'll suggest this. The
20 State has rested on the record. While we let the jury back in
21 the courtroom. I'll tell them they're -- just what we'll
22 (phonetic) hear from the Defense. You can rest on the record.
23 I'll let them go for the day. And we can discuss anything
24 else (indiscernible).

25 MR. HUBBARD: That sounds fine with the State, Your

1 Honor.

2 THE COURT: All right. All right. Let's bring them
3 in. Tell them 9:30, actually.

4 (Bench conference.)

5 (Jury in.)

6 THE COURT: Please be seated. All right, ladies and
7 gentlemen, we recessed. The State just rested their case. We
8 now the opportunity to hear from the Defense.

9 Mr. Story?

10 MR. STORY: Your Honor, the Defense rests.

11 THE COURT: Ladies and gentlemen, the Defense has
12 rested their case. So I'm going to let you go again and back
13 (phonetic) to the day. So tomorrow morning I'm going to let
14 you sleep in 15 minutes and ask you to be in your jury room by
15 9:30 instead of 9:15. We'll start shortly after that.
16 Tomorrow, we'll have closing arguments and conclude the trial
17 from there.

18 Once again, do not discuss the case amongst
19 yourselves or other people. Don't do independent research
20 about the parties or anything involved in this case. But,
21 otherwise, see you back here tomorrow morning at 9:30. We'll
22 continue from there. Have a nice night.

23 (Jury out.)

24 THE COURT: (Indiscernible) or renew?

25 MR. STORY: Yes, Your Honor. I renew all my

1 previous motions and move for a directed verdict of acquittal,
2 Your Honor.

3 THE COURT: Very well. Those motions are renewed,
4 and the objection's preserved. And the directed verdict
5 motion remains denied.

6 MR. STORY: Thank you, Your Honor.

7 THE COURT: So ask the jury to be here at 9:30
8 tomorrow morning. I've got a the draft jury charge, but if
9 there is anything specific anyone needs me to consider, please
10 let me know. I'm just going to send out what I have today,
11 before the end of the day. Anything on that subject matter
12 for now?

13 MR. HUBBARD: I think we're fine.

14 MR. STORY: Not at this time, Your Honor. No.

15 THE COURT: Okay.

16 MR. HUBBARD: Your Honor, may I ask, just out of
17 curiosity, does your charge have hand of one, hand of all?

18 THE COURT: (Crosstalk). You know what, I did not
19 put hand of one in.

20 MR. HUBBARD: One reason why I ask is ---

21 THE COURT: But it's been -- there's been,
22 certainly, evidence, testimony.

23 MR. HUBBARD: Right. You know, the jury -- I guess,
24 if they believe the State's witnesses, they'll believe Allon
25 Adams did the shooting. But they don't have to. They could

1 believe that he participated, and then I would -- that would
2 be the second theory: that even if he participated, such as
3 Cady Keener, he would still be guilty of murder.

4 THE COURT: Okay.

5 MR. HUBBARD: And so that's -- we have two people
6 actively participating. And, of course, we have an accessory
7 before the fact, too. That's Mr. Roosevelt. So that was why
8 I wanted to just bring that to the Court's attention, just
9 trying to think that through -- that the jury doesn't have to
10 accept the facts as we gave them, but they could still reach
11 the verdict.

12 THE COURT: Okay. Okay.

13 Any other charges, potential?

14 MR. STORY: None for the Defense, Your Honor.

15 THE COURT: Okay. All right.

16 Does anybody -- for scheduling purposes? Other than
17 hand of one, hand of all -- anything else for the record we
18 need to discuss?

19 MR. HUBBARD: I don't believe so, Your Honor. And
20 Your Honor, I know sometimes you've sent those out to us, both
21 parties, to kind of ---

22 THE COURT: That's -- well, I have it ready, but for
23 what you just discussed.

24 MR. HUBBARD: Then I know sometimes you -- you know,
25 we'll meet in the morning, if there's any alterations ---

1 THE COURT: That's fine. If there's an issue either
2 one of you see tonight when reviewing, feel free to email it
3 to me, that way we can get it (indiscernible).

4 MR. HUBBARD: And we'll copy all parties.

5 THE COURT: Very good.

6 MR. HUBBARD: Thank you, Your Honor.

7 THE COURT: Anything else for the record today?

8 MR. STORY: Nothing for the Defense.

9 THE COURT: Nothing from the State.

10 THE COURT: All right. You all have a nice night.

P R O C E E D I N G S

Friday, November 21, 2025

(Defendant present.)

(Jury not present.)

(Bench conference.)

MR. HUBBARD: So, Ms. Carrie Ward (phonetic), I think there's two A's in that. (Crosstalk) in chambers the (crosstalk).

THE COURT: So just -- we had a bench conference on Tuesday?

MR. HUBBARD: Wednesday, I think.

THE COURT: Juror number 280, who disclosed to us that she recognized someone in the gallery. We met with her in chambers. We determined that people that she knew were not witnesses in the case. And she advised to us on the record that she could be fair and impartial and would not affect her ability to serve as a fair and impartial juror.

Mr. Story, anything you want to add?

MR. STORY: So the jury did say -- and it's recorded -- but she said that she knew, recognized, I think, at least two people on the family side. So I don't know what else that she set aside because she is biased toward the prosecution, the family of the victim. So she biased towards the prosecution (indiscernible).

MS. MAYES: Your Honor, I do not believe there was

1 any indication of bias. In fact, she stated clearly that she
2 could remain fair and impartial. In fact, she, of her own
3 volition, notified the Court that she knew someone in the
4 gallery. That person or persons are not witnesses. Their
5 names were never mentioned in the course of this trial.
6 They're simply seated on the right side of the courtroom.
7 From that, the juror would have no independent knowledge of
8 what the relationship is indeed (phonetic) to the victim's
9 family.

10 THE COURT: Okay. I was comfortable with her on
11 Wednesday. I'm still comfortable based on what I've heard,
12 but I'm not going to excuse Juror number 280 at this time.

13 Okay. Is that good? Any news?

14 THE CLERK: 99 pulled in when I called her. And I
15 cannot get 278 on the phone.

16 MS. MAYES: 278 won't answer the phone.

17 THE CLERK: No.

18 MS. MAYES: Your Honor, we would ask that 278 be
19 replaced by an alternate. It's 9:45.

20 THE COURT: Yeah. Well, let's just -- so we still
21 have three alternates. And how many people do we have in the
22 room?

23 THE CLERK: We have 12 in the room.

24 THE COURT: We have 12 in the room, including the
25 three alternates.

1 THE CLERK: Yes.

2 THE COURT: Yeah, that's why I'm being slow here.

3 UNIDENTIFIED SPEAKER: Yeah. I got you.

4 MS. MAYES: The one who lost the keys is on the way.

5 THE CLERK: Yes. And 99 just pulled in.

6 THE COURT: The one who lost her keys is on the way.

7 THE CLERK: Yes.

8 UNIDENTIFIED SPEAKER: So we will have 14.

9 THE COURT: It's worth the wait, folks.

10 MS. MAYES: What was the story with 99?

11 THE CLERK: 99 said she was just running late. But
12 she was pulling into the parking lot.

13 THE COURT: That's what I get her telling people
14 they can come in 15 minutes late. And who's the one who's
15 keys are lost?

16 THE CLERK: That was 291.

17 THE COURT: We'll go on the record as soon as they
18 both get here.

19 THE CLERK: Okay.

20 MR. HUBBARD: Thank you, Judge.

21 THE CLERK: Do you want me to try to call ---

22 THE COURT: Yeah, keep trying.

23 THE CLERK: Okay.

24 THE COURT: Please.

25 Otherwise, I think we're ready to go.

1 (Court recessed.)

2 (Court resumed.)

3 THE COURT: We're short one juror, so I'm going to
4 go ahead and elevate an alternate this time.

5 MR. HUBBARD: No objection from the State.

6 MR. STORY: No objection from the Defense.

7 THE COURT: I think it has to be done at random.
8 Trying to randomly pick one.

9 MR. HUBBARD: I've seen it both ways, Your Honor:
10 at random, and then sometimes by order of draw. So I think
11 either can be -- be done. I've seen it both ways throughout
12 the years. Unless court administration or somebody has said
13 otherwise.

14 THE COURT: It's a very scientific method I'm going
15 to use here. All right. I'll elevate 101.

16 So as far as just -- I don't believe the Defense put
17 any exhibits or put in any evidence. Is that correct?

18 MR. STORY: We did not, Your Honor.

19 THE COURT: Okay. So say it'll open and close and
20 pull (phonetic). That's what (indiscernible).

21 MR. HUBBARD: Correct.

22 THE COURT: Elevate this juror. I appreciate
23 everyone's patience this morning. And, as I say to everybody,
24 just a reminder, keep closing arguments confined to the
25 evidence that was admitted during trial. Anything before we

1 bring in the jury?

2 MR. HUBBARD: No, sir, Your Honor.

3 THE COURT: Anything for the Defense before we bring
4 in the jury?

5 MR. STORY: Nothing for the Defense.

6 THE COURT: And we did make one last change to the
7 verdict form after speaking with counsel. And there's no copy
8 of verdict form and -- all right, bring them in.

9 (Jury in.)

10 THE COURT: All right. Please be seated. Ladies
11 and gentlemen, welcome back. Hope you had a nice evening.

12 First things first -- Juror number 101, you are an
13 officer. I'm now putting you on the jury since we were
14 missing one this morning. So you'll now be part of the group
15 as well, okay?

16 Hope everyone had a nice evening. Ladies and
17 gentlemen, the parties have presented their evidence in this
18 case. It is now time for the attorneys to make their closing
19 arguments. The arguments of the attorneys are not evidence in
20 this case. Their statements and arguments are meant to help
21 you understand the evidence and apply the law to the evidence.
22 You should disregard any remark, statement, or argument which
23 is not supported by the evidence presented during the trial or
24 the law, that I'll explain to you after these arguments.

25 Now, at this time, please give your complete and

1 undivided attention to the attorneys as they make closing
2 arguments.

3 MR. HUBBARD: May it please the Court.

4 THE COURT: Yes, sir.

5 CLOSING ARGUMENT BY MR. HUBBARD

6 MR. HUBBARD: Thank you, Your Honor. You're going
7 to die and know who killed you. You're going to die and know
8 who killed you.

9 When you walked in Monday into this courtroom, could
10 you even imagine you would hear something so absolutely evil
11 come from the lips of another human, and mean it? That's
12 exactly what you heard from the Allon Adams. He spoke those
13 words. He meant it. Did you imagine when you came in here
14 Monday that you would hear the evidence of such a horrific
15 crime that you heard and see the things that you saw? There's
16 a part of me wants to say I'm sorry. You can't unsee and
17 unhear those things.

18 Some of us who do this job for a long time, we know
19 how to deal with it. But when we pull people in like you,
20 good people, working people who are out in our community, pull
21 them into this courtroom and you hear something like that -- I
22 can't ever forget, can't imagine the words of someone like
23 Allon Adams when he says, you're going to die, you're going to
24 see who's killing you. It's hideous.

25 Someone else didn't expect that either: Tony

1 Edwards Jr. Throughout this whole case, I'm sure you're
2 going, why Tony? Why him? What was there about Tony
3 Etheredge? I mean, folks, you heard about him. Hard working
4 guy. Now, he had only been at Carolina Wings down the road
5 there for about a month. But you heard he always worked,
6 sometimes multiple jobs. And in that one month -- you heard
7 his manager, he was diligent. He was faithful. He was always
8 on time. He never complained. He was a worker. He was a
9 good guy. He wasn't taken from anybody else. He was working
10 the night shift, no complaining. You heard that about him.

11 You heard he was well liked. You all remember the
12 lady from Mr. B's, Keyosha Chandler. She knew him from high
13 school, but she said he was a regular at Mr. B's. Never
14 caused a problem. He had a routine. He would get a drink
15 after work. They'd have their pleasantries, until that one
16 night was so different. And when he stopped coming by, and
17 she heard somebody missing, she contacted law enforcement.
18 There are good people in this world. Tony Etheredge was one
19 of them.

20 You heard he came from a family of love. He had a
21 son, a mother. He had a routine. He'd call him every night
22 when he's getting off from work. He'd text him. And he did,
23 that night. That was the last person he ever spoke to. He
24 had love. His mother, he had a unique relationship with her.
25 It was a close relationship. He referred to her as, mother.

1 He honored her. He loved her. She loved him. You heard
2 Tony's father talk about, yeah, they had that tight, tight
3 relationship. They spoke all the time, until Tony couldn't
4 speak anymore.

5 And you heard his dad. He may have sounded like he
6 was tough. He -- he drew the line. Son, I'm not going to let
7 you make excuses in life. I know you've had a tough life.
8 You were in that wreck in 2003. You had a traumatic brain
9 injury. You all heard about that. You all saw evidence of
10 it: the plate that had been in his head, the rod in his leg.
11 You even learned that he had severe scoliosis. Dad said, no
12 excuses, Tony. And Tony didn't make any. He worked. That
13 truck, I asked dad, "Did you buy that for him? Did you help
14 him?"

15 "No, sir." Tony Jr. bought that, and he was proud
16 of it. Didn't let other people drive that truck. By the time
17 you saw, it was trashed, full of Tony's blood. Came from a
18 family of love. Why Tony? Why him? He was an easy pick. He
19 had Facebook. And we're always here. We tell a lot of our
20 young kids, evil lurks out there. Be careful. That's just
21 the problem. Sometimes evil comes in the form of a friend.
22 That's what happened.

23 Tony's a working man, working hard. And he doesn't
24 realize there are two people in this world who are shopping on
25 Facebook -- somebody to rob. And the plan was always someone

1 to kill. Cady Keener, who you heard, and Allon Adams,
2 shopping on Facebook, Cady's Facebook. You heard her testify.
3 They went through it. Allon's like, all right, what about
4 this guy? They get a message out to him. There's
5 communication between the two. They set this young man up.
6 Tony Etheredge, they played him. And the minute they got him
7 on the hook, they know they're going to kill him. So what do
8 they do? You've heard them. He goes to Mr. B's, meets this
9 woman. I'm going to talk a lot more about her.

10 He shows an interest in her. She shows an interest
11 in him. He thinks it's real. Of course not. You've heard
12 that. Tony was played, and he paid the price. He didn't just
13 lose his money, his wallet, credit card, his truck that he
14 worked for. They took his life. And they did it in a way so
15 he knew he was going to die. And they did it in an area where
16 he knew there was no help. He could scream as loud as he
17 wanted to. Nobody could hear. It was a dark country road.

18 Folks, you're going to hear the word malice. This
19 case is about just that -- malice. It's going to begin when
20 we talk about murder. Murder is the killing of any person,
21 any other human being, with malice of forethought. That means
22 that malice had to be there at or about the time of the
23 crime -- malice. What is malice? You understand why I say
24 this case is about malice? Malice is hatred, ill will,
25 hostility, evil intent. Don't we have that here? Haven't you

1 heard an abundance of malice, a plan not just to rob, but to
2 kill a stranger? A guy who did nothing to offend them. He
3 lost the lottery. That was his prize. How is that not
4 malice? Two people -- two people playing him.

5 That brings up two other charges -- armed robbery.
6 Armed robbery is simply the taking of another with the use of
7 a weapon. That's what happened. You can leave the person
8 alive or dead, the taking is still there. It's still armed
9 robbery. You heard there's a gun used here. You know there's
10 a gun used here. The gun was used to kill Tony.

11 Conspiracy -- two or more people get together with a
12 plan, a mutual understanding to commit a crime. Armed
13 robbery, murder -- folks, that plan, you've heard it every day
14 almost from every witness. It's been evident. And then one
15 other charge, possession of a weapon during the commission of
16 a violent crime. That simply means the weapon, in this case,
17 a pistol -- and we don't have to have it recovered. The
18 evidence is from Tony's (indiscernible) of what was used.
19 Don't need a gun to show that. It was used in the commission
20 of a violent crime.

21 Murder and armed robbery, the Judge will tell you,
22 are defined by our state as violent crimes. If he is guilty
23 of one of those or both of them, he is guilty of that pistol
24 charge, too. Folks, we have to establish this case, and we
25 willingly do, to your satisfaction beyond a reasonable doubt.

1 That doesn't mean we have to do it scientifically. There's
2 not a mathematical formula. It simply means you have to be
3 firmly convinced that the evidence you saw, the evidence
4 you've gone over, the things you've heard, the testimony
5 you've heard, leaves you firmly convinced that that man right
6 there, Allon Adams, is guilty of these charges. Don't have to
7 be to a scientific certainty, but you heard some science, and
8 it all points that man.

9 So I want to talk a little bit about Allon and Cady.
10 Roosevelt, I'll talk a little bit more about him in a little
11 while. He's someone that popped up late in this process, but
12 we'll talk about him. Allon and Cady -- Bonnie and Clyde.
13 They joined together -- these two have dated for a long time.
14 If you say it's even dating. They live together. They --
15 they were almost like spouses in this tumultuous, sick
16 relationship. They did everything together -- lived together.
17 They had a child together. They made plans together. And
18 they murdered together, and murdered Tony Etheredge Jr.

19 You heard Cady. Folks, I'm going to tell you right
20 now. I'm not going to ever ask you to like her, or think that
21 somehow by us putting her up, that we're okay with her. What
22 she did was evil. She is just as guilty as if she pulled the
23 trigger herself. And it's going to be interesting in this
24 case, you got to understand, even if she pulled the trigger,
25 Allon Adams would still be guilty because they're joined.

1 They're acting as one. She played her role. She was the
2 bait. Or in the words of her loving partner, she was the
3 setup bitch.

4 What kind of partnership is this? She wouldn't
5 leave him. She loved him. We didn't need her for this case.
6 If you took her out of this case, look at the evidence we've
7 provided you. We have that man right over there telling you
8 what he did. Did we need Cady? If anything, she needed us.
9 Am I going to make a deal with her? No. What did she do?
10 She took the stand. No deals. And after she testified, under
11 oath, now she's on the hook.

12 She's admitted she's guilty of murder, armed
13 robbery, and criminal conspiracy. She's guilty. You can hate
14 her (indiscernible). But, folks, once she made those
15 admissions, there's nothing else to hide. She's guilty.
16 She admits that she willingly played her role. And it was a
17 role. That big plan they had. They sat in that little camper
18 and plotted out who they were going to get, how they were
19 going to get this fella -- and it was Tony.

20 You heard December 27th of '03, Cady plays her role.
21 She goes to Mr. B's with Tony. And Tony is thinking, she
22 seems to be interested in me. Sometimes guys can be pretty
23 naive, particularly when they're working all the time.
24 Loneliness can do that, too. But there's nothing wrong with
25 what Tony did -- nothing. But look, when you see her -- you

1 all saw the video. She comes in there, she doesn't even show
2 like she's interested in him. The whole time he's at the
3 counter, she's on the phone.

4 And she tells you who she's communicating with --
5 Allon Adams, talking to him. She's putting him on the hook.
6 She's the bait he's taking. Lets a little time pass, the
7 tease. They reconnect on the 29th. Tony finishes work at
8 midnight, thinking, you know what, I got a date tonight. I
9 got a date. Everybody says, he seems to be happy, upbeat. I
10 got a date. I met a girl, and she seems to be interested in
11 me. He leaves work happy.

12 He contacts his son like he always does. He's
13 happy. It's a trap because he's not just going to go see
14 Cady. He's going to end up seeing this man right here. You
15 all heard what happened. December 29th, Cady says, pick me up
16 at my house. She gives him an address. It's dark. It's an
17 abandoned house. Tony doesn't know that. She's waiting. She
18 gets in his truck. They start to ride. She goes, whoa, whoa,
19 hang on. I got a friend right down the road, Allon, he needs
20 a ride. Is that okay? Sounds kind of weird. Tony, not
21 complaining. This is okay. He goes back. It's not just
22 Allon. It's Roosevelt, too.

23 They both get in his truck. Don't you know, he's
24 beginning to think something's kind of weird here. Starts
25 driving down the road, and at some point, Cady says, can you

1 stop? I'm sick. I'm sick. I need to get out. Per the plan,
2 get the truck stopped. Get Tony out of the truck. Don't want
3 to kill him in the truck, but the plan is to kill him.
4 They're out on Parrish Road. And folks, if you've ever been
5 out there, it's a dirt road. It's not just dark. It's
6 country dark. Nothing but the stars and the moon. There's
7 not ambient light. The only light is the lights of Tony's
8 truck. That's it. And it's dark.

9 And Tony's got two strangers in the back. The girl,
10 he thought he was going on a date with. Now she's saying
11 she's sick. He's not getting out of the truck. He senses
12 something. And, as she's getting back in the vehicle, you
13 heard who's getting out -- Allon Adams. You know what he did.
14 Goes up to that window in three shots, three shots right into
15 that truck and murders Tony. And for what? They get his
16 wallet. There's nothing in it. No money. They get his
17 credit card. You heard -- that night. This is how cold these
18 two are. How much malice there is in this case.

19 They instantly start trying to come call and see if
20 they can get money off that credit card. There's nothing on
21 that. Tony doesn't don't have a lot of money. And then what
22 do they do? These two start texting -- talk about low; talk
23 about evil -- texting Tony's mom, his mother. Dad was
24 suspicious right out of the gate, pretty early on, because
25 when he heard or saw this language, "I got you later, for

1 sure. At lady's place," he knows that's not my son, but
2 that's my son's phone.

3 Mama wants to believe. Please, let it be my son.
4 It's not. And you heard Cady text it. She texted, too.
5 "Hey, mother. Got a flat tire. In the process of getting it
6 fixed. I'll keep you updated." They're toying with these
7 people. They know Tony is dead, and they're toying with the
8 mom and a dad, buying a little time. Sick way to do it.
9 That's malice. That's hatred, folks.

10 And who's calling the shots? Allon Adams is. And
11 Cady is following right along. She's just as guilty. She is.
12 After they kill Tony, she and Allon move Tony out of that
13 truck. They dump him on the side of the road, like he's
14 trash, in a quilt. Next day they come back and both of them
15 put Tony back into his own truck. The bed of the truck that
16 had blood, is where that blood came from. You heard they
17 drove him out place out near Pelion, off of Hartley Quarter
18 Road, Black Creek. Threw him off a bridge. What did Tony
19 ever do to deserve that? The answer is nothing. That is the
20 sick act of two people who have evil in their hearts. But
21 they don't stop there.

22 They enlist the help of a 14-year-old girl, Ava.
23 Now, I will tell you, Ava knew the streets probably a lot
24 better than most 14-year-olds. They pulled her into their
25 sick plan. She didn't know all the details, but she told you

1 what her role was, unwittingly -- cleaning supplies. All that
2 cleaning supplies you saw throughout the truck, the outside of
3 the truck, you can see there's evidence of massive cleanup in
4 the dash, steering wheel, console, the door handles. You all
5 saw all of that. They use this little girl for that.

6 And then what does Cady, this man right here, do?
7 They make another agreement. If the cops come, lie. We're in
8 this together. If the cops come, lie. Cady agrees to that.
9 In fact, you saw evidence of that. Stage 166 here, that's a
10 picture Cady took from her mama's house. Now let me ask you
11 this. First of all, why in the world would she leave that
12 house to live in a camper? Her choice. Because she loved
13 that man, willing to do whatever that man said. Remember her
14 text to him? "Cops are here. I'm not going to talk. Love
15 you." That's after murder.

16 You also heard, there began to be a little strain in
17 this relationship. What a shock. Because it was weighing on
18 Cady. Whereas Allon was boasting, bragging. It broke their
19 relationship. You saw the video this shot comes from, with
20 Allon, when he's boasting -- you're going to know who killed
21 you. He's boasting about what happened. And he flashes his
22 phone over, and you see Cady. Now, folks, the fact that she
23 might be feeling bad doesn't alleviate her guilt. It shows
24 the strain. And I tell you, it explains something else. The
25 communications between them start changing. While he's

1 glorying in what he's done, she's (indiscernible).

2 Now he's scared that she might talk. And so he
3 makes -- folks, don't these sound like threats? "Once we
4 caught the body, we were stuck together." See, you can feel
5 bad all day long, but you're in this. You're a setup bitch.
6 If I get in trouble, you're going down too. You can pin
7 everything on me. I mean, shit, we both going down. You
8 might get less time, but at the end of the day, we're both
9 going down together. You might get less time. Now why would
10 you say that? She hasn't talked to any cop and admitted
11 what's going on.

12 She hadn't come seeing a prosecutor. That's his
13 initiative. I pull the trigger, you might get less time, but
14 you are going down with me. That's a confession, folks. He
15 didn't realize he's making it -- but with technology, we can
16 capture statements of the phone. And in this statement, "I
17 fucked up. And they're gonna come after your ass, too." I'm
18 not about to go down by myself. You're going down with me.
19 It's said and done." So if you speak, if you squeal, I will
20 make sure you go down, too because we're in this together.
21 It's threats. And he lets her know. You heard it.

22 He doesn't even need her. I mess around with
23 whoever I want to. I own you now because you're in this
24 murder with me. So if you try to hurt me, you're hurting
25 yourself. Doesn't that explain maybe why Cady finally spoke

1 to law enforcement? When they finally -- after her lies --
2 and she lied. She lied. She finally does something. She led
3 them to Tony's body. She couldn't point out exactly where,
4 but she mentioned a bridge. She mentioned a creek. Law
5 enforcement, they know what they're doing. They pull up
6 aerials, they go out there. And while she is also showing two
7 officers where this crime occurred on Parrish Road, they find
8 Tony Jr. in the river. We may never have found him, but for
9 her. That doesn't mean she's not guilty.

10 But she's taking a turn. She's going one way, and
11 that man, he's turning hard the other way. And she takes them
12 to where they initially dumped the body. You saw the quilt.
13 That's where they dumped him. And then they picked him up the
14 next day. You remember her telling that. All those threats
15 with him, too, explains, to some part, why she took the stand
16 yesterday. I didn't need her. We didn't need her. I got
17 that man saying what he did already. But if she wants to come
18 in to tell the truth and get on the hook under oath, to
19 murder, armed robbery, conspiracy, I'm okay with that. But
20 I'm not about to make a deal with that to get to get her to
21 get on that stand.

22 You heard her. She admitted to all of these things,
23 her role. And you might ask yourself, you know what, she
24 seemed pretty mechanical up there. She wasn't crying. All of
25 us would be jarred if we were confronted with something like

1 this. But when you choose that life, when you live that life,
2 that part of you dies. There's a part that keeps crying, and
3 that's why you can do these horrible things. But there is a
4 little spark in her. Whether it's self-preservation or doing
5 the right thing or helping the family, she took the stand.

6 You know what? I don't care what her motive is,
7 because we can show from the fact that what we have are
8 consistent with what she says. And then when she came in,
9 that last interview, talked at my office, she mentioned a
10 third person, Roosevelt Garway. This individual, right here,
11 who just got arrested late last month, early this month, for
12 accessory. No one knew he was involved in this. You heard
13 Captain Jesse Laintz yesterday. He wasn't on our radar. But
14 we didn't just take Cady Keener's word for this and go out and
15 arrest the young man.

16 We did our investigation, corroborated her story.
17 And we put cuffs on that guy. He's charged with accessory
18 before the fact of murder and all these other crimes. We know
19 he's in a car, but he doesn't do any overt act, carry out the
20 commission of the murder. While he's there, he does no overt
21 act to steal. Right now, his home is the Lexington County
22 Detention Center. He'll have his day here. It's not today.
23 It's not for you. He'll have his day.

24 So you might be asking well, all right. Well, what
25 about Cady? What about Cady Keener? She'll have her day,

1 too. That's not for you. You've been sworn in in the case of
2 State vs. Allon Adams. That's where your focus will be.
3 Cady's testimony, you can take it or leave it, but folks, she
4 literally -- literally, locked (phonetic) in to murder, armed
5 robbery and conspiracy. You'll notice we didn't charge her
6 with the firearm because we have no evidence she used it. In
7 fact, everything you saw, Allon Adams said he was the one that
8 used it.

9 And this evidence here, State's 170, you'll have
10 that in the jury room. This is Allon Adams. That's his gun.
11 And that's just a few hours before Tony Etheredge Jr. is
12 murdered. When you look at that photo, there is literally a
13 timer dying down. Tony Etheredge Jr. has hours to live. And
14 you know the last face he's ever going to see is that man
15 right here, the man that's on trial, Allon Adams. Everything
16 shows he's the master planner. He's the one driving the
17 train. He wanted center stage. Could you ever imagine
18 there's someone like that in this world?

19 Evidence in this case is overwhelming of his role.
20 He's the driver, literally, of the truck. But he gets to
21 drive the truck because he is the leader. He gets to pull the
22 trigger because he is the leader. Those are roles he assigned
23 to himself. And you hear it. You hear it from him. Now at
24 the beginning of the trial, Defense Counsel, who's done a
25 great job representing their client, said, Cady is the only

1 one who will tell you what happened. Well, you now know
2 that's not true. You have Allon Adams' statements that he
3 recorded himself. These aren't to law enforcement. These are
4 in his camper.

5 But he's safe, he's secure. He can be who he really
6 is on his blue Motorola. He talks about boys in the Berg.
7 He's boasting they haven't seen no brain on a dash. He's
8 talking about how he is more important, bigger thought
9 (phonetic) than these guys that he's directing this to in
10 Batesburg, in South Lee, where he lives. They ain't never
11 took a soul. I have. They ain't never seen blood gushing out
12 like a faucet. That don't bother him. They ain't never seen
13 none of that.

14 He's boasting. I know what it's like to kill and
15 (indiscernible). "You better tell them boys and the Berg,
16 though, and South Lee that I ain't the one give them boys a
17 head up because I'm about to chop shit up. So you better tell
18 them, I ain't the one to play with. Shit about to get
19 wicked." What a boast. He is proud. The man who looked Tony
20 Jr. in the eyes, the last person Tony ever saw, just grasped
21 that fear that Tony had in his eyes. He cherishes that. But
22 what else did he say? You heard from video, where he
23 videotapes himself. It comes -- right here, this picture
24 you're seeing right here of him. He talks about the last
25 words of Tony. He's proud. Last two words were "Oh, shit,"

1 like a robot.

2 You can see it. Tony has that truck stopped.
3 Cady's getting back in the truck. He knows something's up.
4 Allon's getting out, coming to the window. And he sees that
5 gun. Like a robot, "Oh, shit." He knows he's doing to die.
6 He now knows what it's all about. It's done. What does a
7 Allon Adams do? He boasts -- "blew his fucking brains out."
8 And then, folks, talks about spaghetti. "I don't even eat
9 spaghetti no more." It's a boast. And he says, that's where
10 this clip is -- "You're going to die and know who killed you."
11 He cherished that moment -- you're going to die and know who
12 killed you. And he makes one other reference to law
13 enforcement. "F- 12" -- being law enforcement -- this shit
14 will never stop."

15 So you didn't just hear from Cady. You heard from
16 that man right there. You heard from him, but you heard from
17 someone else. You heard someone besides Cady, besides Ava.
18 You heard from Tony. He didn't come in here and speak with
19 words, but his blood did speak. The DNA in his blood, his
20 hoodie, that towel, they speak to you. The hoodie has Tony
21 and Allon Adams on it. It's Tony's blood. And Allon Adams
22 was using (indiscernible) that hoodie.

23 What was the number we heard from the DNA person?
24 It was 46 quadrillion, whatever that is. That's a big number.
25 In our world, we're used to billions and trillions because

1 that's what our government spending. Going beyond that, it's
2 getting kind of crazy. We don't know those numbers anymore.
3 It's like, are they making that up -- quadrillion? And it's
4 46 quadrillion times more likely we'd see their profiles
5 together on that than strangers. They're in it together.
6 Tony left you something even more, though, on the towel, right
7 up here on the top in this picture.

8 It has Allon Adams and Tony Edwards Jr. And that
9 number 3.7 duodecillion. I would have thought she made that
10 number up on the stand, that DNA person. Never heard that
11 number before, but she says, if you put a 1, you would have 39
12 zeros after it. And it's more than that. It's 3.7 of those
13 39 zeros. Aren't you sure from this evidence, that's Tony?
14 And Allon Adams, his DNA betrays him. Remember how he tried
15 to clean up that truck so much, he left a little bit of his
16 DNA there. This is so fitting on the steering wheel. Who's
17 driving that truck? Who wanted that truck? 330 billion times
18 more likely to come back to his profile.

19 December 30th, 2023, Allon Adams had a plan. He
20 made that plan with Cady. She played her role. He played
21 his. They lured Tony into that darkness. Folks, it wasn't
22 just the darkness of the road phon. It was evil darkness that
23 they we're luring him into. Down the streets of Parrish Road.
24 No lights, no help. Cry as loud as you want, Tony, and die.
25 Allon Adams made sure. And he knew. He wanted Tony to make

1 sure, wanted Tony to know who's doing that to him. I don't
2 know you, but I want the pleasure of seeing your face
3 (indiscernible) shoot you.

4 What did Allon Adams get out of this? He got no
5 money. Nothing in the wallet. Nothing was on the credit
6 card. And the truck, it was so bloody, he couldn't even sell
7 it. What did he get out of it? Tony died for nothing. He
8 committed no sin. Nothing that would agree (phonetic) Allon
9 Adams -- Cady. But what did he get out of it, folks? I'll
10 tell you what he got out of it -- pleasure, the pleasure of
11 control, the control of a human life and taking that life.
12 It's the ultimate form of control. And he captured the
13 moment. He made a memento of it.

14 I don't have anything I can take away from this, but
15 I'm going to make a video. I am going to make a video and
16 boast. I want to remember this moment. I want to remember
17 how I felt. I want to remember what Tony said. I want to
18 remember his fear. It feeds me. Gives me pleasure. He
19 revels in it. Tell the boys in the Berg, don't mess with me.
20 I'm the man. He says that this shit will never stop, folks.

21 That man over there, Adams, he doesn't get the last
22 word. You do. You get the last word in this story. You, in
23 just a moment, will be in control of this case. The Judge is
24 going to hand it to you, with the law and all the evidence.
25 Let Allon Adams know, with your verdict. You are now in

1 control, not him. Let him know with one voice -- 12 of you
2 walk in that jury room, come out and speak -- one voice --
3 guilty.

4 You are guilty of murder, the murder of Tony
5 Etheredge. You are guilty of armed robbery. You are guilty
6 of conspiracy with Cady to kill and Rob Tony Etheredge Jr.
7 You're guilty of possessing that firearm during a violent
8 crime. Speak with one voice. Speak loud and let that man
9 hear it. Let him feel it. Your verdict. Not out of anger or
10 out of anything else that's (indiscernible). We, the State
11 law enforcement, prosecutors, have done our best to faithfully
12 present this case to you, every bit of it. We now hand it to
13 you, and we trust you did your job. Thank you.

14 MR. STORY: May it please the Court.

15 THE COURT: Yes, sir.

16 CLOSING ARGUMENT BY MR. STORY

17 MR. STORY: She set Tony up that night. That's
18 true. We don't know when. We don't know if it was days in
19 advance when they first started talking on Facebook. We don't
20 know if it was when she saw his truck. We don't know if it
21 was when they were at Mr. B's. The pictures and video that
22 you saw when they came in together alone, and they both went
23 up to the counter together, and she saw the money he pulled
24 out.

25 I don't know if it was at that moment, before or

1 after, but at some point she decided to set up Tony. And
2 then, afterwards, she decided to set up somebody else. She
3 decided to set up Allon Adams. We don't know when. We don't
4 know if it was when she first saw the social media post that
5 Tony was missing. We don't know if it was when she heard or
6 learned that he was in a traffic stop with another girl.

7 We don't know if it was when law enforcement came.
8 Well, it was before law enforcement came to our house. But we
9 know it was before then. And he was the perfect person to set
10 up for reasons I'm going to go into in just a second.
11 Remember, this was in his backyard. And he was the type of
12 person who would go right along with their plan. Now, I love
13 a good movie. I love a good action movie or a good thriller,.
14 But, you know, sometimes they go just a little too far.

15 Now, the government would have you believe they're
16 the directors, the producers of this film. But Cady wrote the
17 script. She started writing the script in January 2024,
18 before she even met Tony. But this movie's not perfect.
19 There's a lot of mistakes and sometimes it goes a little too
20 far, where you just can't suspend your disbelief and get into
21 the movie. So let's talk about that. We're going to start
22 kind of in the middle of the action. We're going to go back
23 this week when Cady took the stand.

24 You all saw her, and you all saw her demeanor and
25 when she described everything that happened, or when she told

1 you her version today of everything that happened, because
2 she's gone through several different versions. She looked
3 scared. She looked -- all her answers were short. They
4 seemed rehearsed. She was to the point. But she wasn't
5 scared when she strolled into Mr. B's with Tony. She was
6 self-assured. And she went in there with him alone. Remember
7 what Keyosha Chandler said. She saw him pull up in Tony's
8 truck. They got out. Cady went and picked up the snacks, and
9 she went with Tony, right up there at the counter, saw him pay
10 with the cash.

11 And then they got back in the truck together.
12 There's no Allon there. It was just him and Cady. She was
13 self-assured when she was there. She was self-assured when
14 she was setting up Tony. So let's go through what happened
15 during the intervening period. So again, we know that at some
16 point she learned that people knew Tony was missing. And
17 we'll go through some of the things that State's evidence that
18 they think corroborates their story, but it doesn't.

19 So we'll start with the phones. You all heard
20 Detective Donnelly. And he brought up the phones that they
21 had searched. And, remember, there were Google searches that
22 were related, or potentially could have been related to
23 missing Tony Etheredge, or somebody trying to find news
24 coverage of them, that were recovered off the Motorola and the
25 Vortex. And remember who the Motorola user was assigned to is

1 cady.keener@gmail.com. And he said there have been other
2 users, but that was the original one it was assigned to.

3 And now, remember, Cady admitted to both of them
4 using the phone, to both of them texting. She admitted that
5 she deleted Tony's Facebook. Now, the State brought up those
6 searches, and they pointed out that some of them were deleted.
7 Let me ask you folks, why would you delete your own searches?
8 Why would you do that if you or your coconspirator were the
9 only ones using phone? You heard Detective Donnelly. He
10 described how she used the Google Chrome application. Whoever
11 was deleting those searches didn't want other people who used
12 the phone to see it.

13 If it's your phone, you don't care because you're
14 the only one that uses it. But if you have another person or
15 a partner who uses it, when you bring up the search history,
16 it shows what's on. And so she was thinking when she deleted
17 those searches that Allon may have seen it. Remember, it
18 wasn't all just white. It was individual. If she truly had
19 committed this act with Allon, if he was the person who
20 directed it, she wouldn't have cared if he had seen it or not,
21 or if Allon had searched these terms.

22 And he knew. The government wants you to think that
23 he was so controlling and that Cady was so close with him --
24 if he could control her so well, why would he care whether or
25 not she saw those searches? You wouldn't. You wouldn't care

1 if your coconspirator saw those searches. The person who
2 deleted those just didn't want another person who used the
3 phone to see it.

4 So, again, Allon was the perfect person. She knew
5 that he would use Snapchat. And remember, that's where some
6 of those videos were made. Most of us are familiar with
7 social media. The purpose of social media is to get
8 attention, to get likes, to get clicks. And sometimes the
9 more outrageous things you say, the more attention you get.
10 And I'm sure a lot of us are familiar with rap and hip hop
11 culture. Sometimes there's violent imagery. Sometimes
12 there's disparaging police.

13 The perfect setup would be to get somebody, who
14 loves using social media, and describe events to them and get
15 them into it and try to get them to make a post about it.
16 Folks, what you wouldn't do -- if you were the mastermind that
17 the government is making Allon Adams out to be -- is to
18 confess and put it on social media. The worst criminal in the
19 world wouldn't do that. There's no way. Somebody had to have
20 been put up to do that.

21 And we know Cady hung out with him at the camper,
22 and we know Cady hung out with him some of the intervening
23 period in January. But, at some point, he had been with
24 Catherine Smith. They aren't as close as the government wants
25 you to believe. Remember when Cady testified, she testified

1 on direct that Allon claims her child -- she has one child.
2 Allon claims that child. And then when I cross-examined her,
3 I said, whose name is on the birth certificate? It's Kyler
4 Wright. And she admitted, yeah, it's Kyler Wright's name on
5 the birth certificate. The government wants you to believe
6 that she loved Allon and did these things for Allon, when
7 really, that reveals that it was Allon who loved her. And she
8 was the one who was controlling him. He would like to hold
9 himself out to take care of her child with her, but in fact,
10 the father was somebody else.

11 The other thing -- the government's attorney asked
12 you, why would she choose to hang out in the camper? She
13 wasn't in the camper the first time law enforcement came to
14 her house and knocked on her door. She wasn't in her camper
15 the second time, days later, when law enforcement came to her
16 house and knocked on her door. She was at her mom's house
17 both those times. And she wasn't at her house when she got
18 her -- excuse me, she wasn't at the camper when she got
19 arrested.

20 So let's talk about, again, Cady's narrative. Let's
21 talk about Ava. Now, Ava says that Allon Adams was in that
22 truck. There's some problems with Ava's story as well.
23 Remember, she was on camera. Cady was on camera. And it
24 appears somebody else was in there. We don't know who. The
25 only people who said it was Allon are Cady and Ava. And

1 remember, they were close. Ava's a lot younger than Cady.
2 She probably seemed like -- Cady probably seemed like an older
3 sister to Ava at the time. They had worked together at Sonic.
4 Ava had dated Cady's brother.

5 Ava had worked for Cady's mother. She wanted to
6 help Cady out that night and whoever she was with. And she
7 knew she was doing wrong. Remember, they asked her to bring
8 cleaning supplies, and she starts walking out. And as soon as
9 a law enforcement vehicle drives by, she stops, concealing
10 what she was doing. And then she goes and gets in the truck.
11 And you see her in the truck.

12 The other problem with her story is she couldn't
13 identify Allon in the courtroom when she came and testified.
14 Remember that? She looked around the courtroom, said, if he
15 was here, I would be able to spot him. She couldn't do it.
16 Why? Well, because Allon wasn't in the truck that night. And
17 she, quite frankly, probably didn't have that much interaction
18 with Allon to begin with because Allon and Cady were not as
19 close as the government wants you to believe. Remember Ava
20 and Cady, they had both admitted they were tight. If Allon --
21 if they were together as much as the government wanted you to
22 believe, Ava would have had plenty of interaction with Allon.
23 She couldn't ID him.

24 Let's move on to the DNA. Remember, Allon was the
25 perfect person to be set up because this was his backyard.

1 You heard law enforcement talk about when they went to the
2 property. There was multiple people in Allon's family living
3 there. This area is where he's from. Remember the DNA,
4 described it -- the expert described that the comparisons to
5 the known sample is that many times more likely than an
6 unrelated, unidentified person. It very well could have been
7 somebody else in Allon's family.

8 I would certainly hate it if my family, somebody in
9 my family, left some DNA somewhere, and I got tagged with it.
10 It came up as mine. But the other strange thing about the DNA
11 was you remember the expert, I asked her about touch DNA. I
12 said, could you touch a surface and not leave any DNA? She
13 said, that would be very unusual. It would be highly unlikely
14 that you would touch a surface and there would not be any DNA.
15 And Cady admitted to being in the truck the night of the
16 incident, the robbery.

17 She rode in the truck. And then, afterwards, she
18 rode around in the truck. She was on video in the truck,
19 getting in and out of the truck. They didn't present her DNA.
20 It makes much more sense that, when she was with Allon at some
21 point she got that hoodie. And remember, Tony Etheredge's
22 father said he hadn't seen that hoodie (phonetic) -- wasn't
23 Tony's. She could have gotten things planted on Allon.

24 Let's go ahead and talk and go through her story and
25 the changes. Law enforcement comes to her on the 29th. I

1 don't know Tony Etheredge. That was a lie. The government
2 even told you that was a lie. So they showed a picture of
3 her, confronted her with the picture of her and Tony at Mr.
4 B's. And she goes, oh, I thought his name was Mark Smith. We
5 were talking. He took me to Zaxbys in Batesburg. And he took
6 me home. And that was the last time I ever saw him. And she
7 remembers Detective Carvajal that night saying, we're not
8 going to stop. We're going to keep looking for him. So she
9 had to keep thinking.

10 They came back to her house a couple days later.
11 This time it was Detective Reed and Detective Miller, who you
12 heard from. And she actually got in the car that time. Allon
13 wasn't with her. Now, if you truly wanted to come clean, and
14 you truly wanted to do the right thing, when you're there with
15 two law enforcement officers, that'd be the time to do it.
16 Allon can't hurt you at that point. But she doesn't. She
17 sticks with her story. No, I didn't know him. He took me to
18 Zaxbys. And Detective Miller said, Zaxbys? He took you, and
19 you all got back that quickly? She goes, yeah, yeah, I
20 think -- I think it was -- it hadn't closed yet. She hadn't
21 really thought of story all the way through.

22 So then law enforcement comes back. They're looking
23 for her. They arrest her. She spends one night in jail, one
24 day in jail. And that's when she decides to do the right
25 thing. She doesn't tell the whole story. She says she wants

1 to talk to law enforcement, try to get herself out of trouble,
2 see if she can dig her way out of this hole. But she doesn't
3 tell them everything. She doesn't tell them the truth then.
4 By that point, she's figured out that the Zaxbys thing wasn't
5 cutting it because Zaxbys would have been closed at that time.
6 So she says, no, he took me to Wendy's to pick up food. She
7 knows Wendy's was open late. Folks, we don't know if they
8 went to Zaxbys or Wendy's or anywhere.

9 Probably none of it's true, unfortunately. But that
10 was her story then. And then she told, she described an
11 incident. She said it was Allon's idea to set him up, set
12 Tony up, went and picked him up. I told him Allon needed a
13 ride. And then -- and remember, they were the only two --
14 excuse me, the only three -- Tony, Cady, and Allon at this
15 point. And so then the plan was I was going to get sick, and
16 then I was going to step out of the vehicle.

17 And then when Tony came to help me -- that was the
18 plan. But it didn't work that way because Tony didn't get out
19 of the truck. He stopped and rolled window down. I got out
20 and pretended that I was sick. And Allon shot three times and
21 one came really close to me. And then Tony's foot hit the
22 gas. But I jumped back in the truck, and I stopped. Folks,
23 remember how sometimes a movie, it goes just a little too far?
24 Cady was trying to write herself as the hero of this script.

25 So let me get this straight. She had just dodged a

1 bullet. She had just dodged a bullet and had the presence of
2 mind to jump back in a moving vehicle and stop it from moving.
3 That's fantastic, folks. It is unbelievable. But that's what
4 she told detectives on February 9th. And what else did she
5 ask. It's going to be better for me, right? That's not what
6 happened. She spoke with law enforcement again, brought to
7 the courthouse, and this time she described a whole other
8 person. You would not go through this incident and just
9 forget that there was an entire other person present.

10 That's fantastic. That's unbelievable. Yeah, yeah,
11 there was somebody else -- Roosevelt Garway. Roosevelt Garway
12 probably wasn't there either, because if you had really
13 concealed that information for that long, you wouldn't reveal
14 the person, who it was. If you -- you wouldn't give them up
15 after over a year and a half. There's no way. The government
16 wants you to believe she was trying to do the right thing.
17 And she left out an entire person in the whole scheme of
18 things. Unbelievable. And then, that's not the only thing.
19 By that point, they had had some texts from Tony's mom, and
20 that's when she came clean about that as well.

21 And she admits to communicating with Tony's mom --
22 something else she just forgot. And then, of course, the
23 credit card. She admitted to calling the credit card company.
24 Why? Because she was confronted with the phone records of
25 that. She knew she was going to call that credit card company

1 before, maybe when she was at Mr. B's, maybe when she saw
2 Tony's call (phonetic). We don't know.

3 Folks, the judge is going to charge you when I'm
4 finished, and he's going to tell you about reasonable doubt.
5 It's the type of doubt that would make a reasonable person
6 hesitate to act. One of the only things I agree with the
7 Solicitor about is that this is the State versus Allon Adams.
8 And he's the one on trial. Look at the facts in context of
9 Cady's story. They do not make sense. Now, you don't have to
10 agree with all the arguments I've made.

11 The fact is, they could be true, based on the
12 testimony, based on what we've heard from that witness stand
13 and the things we've seen, they very well are possible. And
14 that is reasonable doubt. Folks, I ask you to deliberate, do
15 your duty. All of you aren't going to agree on everything.
16 That's fine. That's great, actually. But remember, if you
17 have doubts, have them today. Do not have them tomorrow.
18 Don't have them a week from today. Don't have them months
19 from today. Have them today, and find Allon Adams not guilty.

20 JURY CHARGE

21 THE COURT: Members of the jury, it is now my duty
22 as the trial judge to instruct you in the law applicable in
23 this case. In that regard, it's your duty as jurors to accept
24 and apply the law as I now state it to you. Furthermore, it
25 is your exclusive duty to decide all the issues of fact in

1 this case. And to determine the effect, value, weight and
2 truth of the evidence. All the parties have the right to
3 respect (phonetic) and will carefully consider and evaluate
4 the evidence and apply the law of this case to it. So that in
5 the end, all parties will receive a fair and impartial trial.

6 During this trial, you and I have separate duties to
7 perform. As a trial judge, it is my responsibility to preside
8 over this trial and rule upon the admissibility of the
9 evidence offered during the trial. You, as members of the
10 jury, are to consider only the evidence before you. If you
11 have any preconceived ideas as to what the law is or what you
12 think the law ought to be, it does not -- and it does not
13 agree with what I now tell you the law is, you are obligated
14 to under your oath to abandon (crosstalk) because you were
15 sworn to accept the laws as I am now state it to you.

16 In this trial, you are the sole and exclusive judge
17 of the facts. Do not infer that I have an opinion about the
18 facts in this case from anything I have said or done during
19 the course of this trial. The law simply does not permit me
20 to have an opinion about the facts. As jurors, it is your
21 duty, and your duty alone, to determine the effect, value,
22 weight and truth of the evidence presented during this trial.

23 Now, the evidence from which you are to decide the
24 facts of this case are, one, sworn testimony of witnesses on
25 both direct and cross-examination; two, the exhibits which

1 have been admitted into evidence; and, three, any facts which
2 all the attorneys have agreed to stipulate. Now, evidence may
3 be direct or circumstantial. Direct evidence is testimony by
4 a witness about what the witness personally saw, heard, or
5 did. Circumstantial evidence, on the other hand, is indirect
6 evidence. Stated differently, it is proof of one or more
7 facts, from which one can find another fact.

8 You may consider both direct and circumstantial
9 evidence equally, and crimes may be proven by circumstantial
10 evidence. The law makes no distinction from between the
11 weight or value be given to either direct or circumstantial
12 evidence. However, to the extent that the State relies on
13 circumstantial evidence, all the circumstances must be
14 consistent with each other and, when taken together, point
15 conclusively to the guilt of the accused beyond a reasonable
16 doubt. If these circumstances really portray the Defendant's
17 behavior as suspicious, the proof is fake.

18 The State has the burden of proving the Defendant
19 guilty beyond a reasonable doubt. This burden rests with the
20 State, regardless of whether the State relies on direct
21 evidence, circumstantial evidence, or some combination
22 thereof. I remind you, the following things are not evidence.
23 You must not consider them as evidence in deciding the facts
24 of the case: one, statements and arguments of the attorneys;
25 two, questions and objections of the attorneys; and, three,

1 any testimony that I instruct you to disregard.

2 While argument of counsel is a beneficial part of
3 every trial, you should remember that the statements made by
4 counsel are not evidence. In presenting arguments, counsel
5 often refer to evidence. However, you should base your
6 verdict on the evidence as you remember it. Therefore, if
7 there are any conflicts between the recollection of counsel
8 about the evidence and your own recollection, you should rely
9 upon your own understanding of the evidence.

10 I remind you, the fact that a Defendant was
11 arrested, charged, or indicted in this case is not evidence,
12 and cannot be considered by you as evidence (indiscernible) in
13 this case, nor does it create any presumption or inference of
14 guilt. Furthermore, it is your job as jurors to determine the
15 credibility or believability of the witnesses who have
16 testified in this case. You must evaluate the evidence and
17 determine which evidence convinces you of its truth. In
18 determining the believability of witnesses who've testified in
19 this case, you may believe one witness over many or many over
20 one.

21 You may believe a part of the testimony of a witness
22 and reject the remaining part. You may believe the testimony
23 of a witness in its entirety or reject it in full. You may
24 consider whether the witness has an interest in the result of
25 the trial, whether the witness is prejudiced toward either

1 party, the opportunity for the witness to have seen the
2 matters and things about which the witness may testify, and
3 the way the witness acts on the witness stand.

4 Now the rules of evidence -- ordinarily, do not
5 permit witnesses to testify to opinions or conclusions. An
6 exception to this rule exists for witnesses we call expert
7 witnesses. A witness who, by education and experience, has
8 become expert in some art, science, profession, or calling,
9 may state an opinion as to relevant material matter in which
10 the witness claims to be an expert and may also state the
11 reasons for the opinion. You should consider any expert
12 opinion receiving the evidence in this case like any other
13 evidence -- give it the weight you think it deserves.

14 If you decide that the opinion of an expert witness
15 is not based on sufficient education and experience, or if you
16 conclude that the reasons given in support of the opinion are
17 not sound or that the opinion is outweighed by other evidence,
18 you may disregard the opinion entirely. An expert witness's
19 testimony is to be given no greater weight than that of other
20 witnesses simply because the witness is an expert. And
21 further, you are not required to accept an expert's opinion,
22 even though it is not contradicted.

23 Now, the Defendant has pled not guilty to these
24 indictments, and that plea puts the burden on the State to
25 prove the Defendant guilty. A person charged with committing

1 a criminal offense in South Carolina is never required to
2 prove his or her innocence. I charge you that it is an
3 important rule for law that a Defendant in a criminal trial,
4 no matter what the seriousness of the charge may be, will
5 always be presumed to be innocent of the crime for which the
6 indictment is issued, unless guilt has been proven by evidence
7 satisfying you of that guilt beyond a reasonable doubt.

8 The presumption of innocence does not end when you
9 begin your deliberations, but it accompanies the Defendant
10 throughout the trial, unless you reach a verdict of guilt
11 based on evidence satisfying you of that guilt beyond
12 reasonable doubt. The presumption of innocence is like a robe
13 of righteousness placed about the shoulders of the Defendant,
14 which remains with the Defendant unless it has been stripped
15 from the defendant by evidence satisfying you of the
16 Defendant's guilt beyond a reasonable doubt. The presumption
17 of innocence is not mere legal theory. It's not just a legal
18 phrase. It is a substantial right to which every Defendant is
19 entitled, unless you, the jury, are satisfied the evidence of
20 the Defendant's guilt beyond a reasonable doubt.

21 Now the State has the burden of proving the
22 Defendant guilty beyond a reasonable doubt. Some of you may
23 have served as jurors in civil cases, where you were told that
24 it is only necessary to prove that a fact is more likely true
25 than not true, such as by the greater weight or preponderance

1 of the evidence. In criminal cases, the State's proof must be
2 more powerful than that: it must be beyond a reasonable doubt
3 as to each element of each offense charged.

4 What is a reasonable doubt in the law? A reasonable
5 doubt is the kind of doubt that will cause a reasonable person
6 to hesitate to act. Proof beyond a reasonable doubt is proof
7 that leaves you firmly convinced of the defendant's guilt.
8 There are very few things in this world that we know with
9 absolute certainty. And in criminal cases, the law does not
10 go proof that overcomes every possible doubt. If, based on
11 consideration of the evidence, you are firmly convinced that
12 the Defendant is guilty of the crime charged, you must find
13 the Defendant guilty.

14 If, on the other hand, you think there is a real
15 possibility that the Defendant is not guilty, you must give
16 the Defendant the benefit of the doubt and find him not
17 guilty. Mere suspicion, however strong, is not enough to
18 sustain a conviction. Suspicion implies a belief or an
19 opinion as the guilt based upon facts or circumstances, which
20 do not amount to proof. Now, I remind you that the fact that
21 the Defendant elected not to testify is not a factor to be
22 considered by you in any way in your deliberations and in your
23 consideration of the question of whether the Defendant is
24 guilty or not guilty.

25 It must not be considered in any manner whatsoever

1 against it. An accused has the constitutional right to remain
2 silent, and the assertion of that right cannot be considered
3 by you in your deliberation. Under your oath, you are to
4 reach no inference and draw no conclusion whatsoever fact from
5 the fact the Defendant elected not to testify. His decision
6 not to testify should not even be discussed in the jury room.
7 In order to establish criminal liability, criminal intent is
8 required. The dictionary defines intent as the state of a
9 person's mind that directs his actions towards specific
10 object.

11 Criminal intent must be proven by the State beyond a
12 reasonable doubt. Criminal intent is always a matter that
13 must be determined by the jury from the circumstances
14 surrounding the situation. There is no way to prove intent to
15 a mathematical certainty. There is no medical science that
16 can dissect a person's brain to determine what the person had
17 in mind. So the law says the criminal intent may be inferred
18 from the circumstances shown to have existed.

19 This is how you make -- this is how you make a
20 determination of whether or not the element requiring intent
21 was present. Criminal intent is a mental state, a conscious
22 wrongdoing. It is up to you to determine what the Defendant
23 intended to do, based on the circumstances shown to have
24 existed.

25 There are multiple indictments in this case alleging

1 four different offenses against the Defendant. The Defendant,
2 Allon Adams, is charged with murder, armed robbery, criminal
3 conspiracy, and possession of a weapon during the commission
4 of a violent crime. Each indictment charges a separate and
5 distinct offense. You must decide each indictment separately
6 on the evidence and the law applicable to it. Your decision
7 as to one indictment cannot influence your decision for
8 another indictment.

9 A Defendant may be convicted or acquitted on any or
10 all of the offenses charged, and you will be asked to write a
11 separate verdict of guilty or not guilty for each indictment.
12 I remind you, the fact that the Defendant was arrested,
13 charged, and indicted in this case is not evidence and cannot
14 be considered by you as evidence of guilt in this case, nor
15 does it create any presumption or inference of guilt. These
16 documents are simply the formal written instruments which
17 contain the charges made against the Defendant.

18 Now I'm going to explain to you the law as it
19 applies to the charges against the Defendant. Murder -- the
20 Defendant is charged with murder. The State must prove beyond
21 a reasonable doubt that the Defendant killed another person
22 with malice aforethought. Malice is hatred, ill will, or
23 hostility towards another person. It is the intentional doing
24 of a wrongful act without just cause or excuse, with an intent
25 to inflict an injury, or under circumstances that the law will

1 infer evil intent. Malice aforethought does not require that
2 malice exist for a particular time before the act is
3 committed.

4 But malice must exist in the mind of the Defendant
5 just before or at the time the act is committed. Therefore,
6 there must be a combination of the previous evil intent and
7 the act. Malice and forethought may be expressed or inferred.
8 These terms expressed and inferred do not mean different kinds
9 of malice, but merely the manner in which malice may be shown
10 to exist, that is, either by direct evidence or by inference
11 from the facts and circumstances, which are proved. Express
12 malice is shown later when a person speaks words which express
13 hatred or ill will for another, or when the person prepared
14 beforehand to do the act which was later accomplished.

15 Malice may be inferred from conduct showing a total
16 disregard for human life. If facts are proved beyond a
17 reasonable doubt sufficient to raise an inference of malice to
18 your satisfaction, this inference would simply be an
19 evidentiary fact to be considered by you, along the other
20 evidence in the case. You may give it the weight you decide
21 it should receive. Armed robbery -- the Defendant is also
22 charged with armed robbery.

23 In order to prove this offense, the State must prove
24 beyond a reasonable doubt that the Defendant took personal
25 property from the person, or presence of another person, that

1 the Defendant took and carried the property away, that the
2 Defendant intended to permanently deprive the owner of the
3 property, that the Defendant intended to keep the property for
4 the Defendant's own use, and that the Defendant was armed with
5 a deadly weapon during the robbery. Property is in the
6 presence of a person, if it is within the person's reach,
7 inspection, observation, or control, so the person could -- if
8 not overcome with (phonetic) violence or prevented by fear,
9 keep possession of the property.

10 The slightest removal of the property from a person
11 or the presence of a person, or the complete possession of the
12 property by the Defendant, even if for an instant, is
13 sufficient to show a taking and carrying away of the property.
14 The taking and carrying away of the property must have been
15 done with violence or by putting the owner of the property in
16 fear of violence. The degree of force used does not matter,
17 as long as such force or threat or force is actually enough to
18 overcome the victim's resistance. This violence or
19 intimidation must occur either before or during the taking of
20 the product.

21 Finally, the State must prove beyond reasonable
22 doubt the Defendant was armed with a deadly weapon during the
23 robbery. A deadly weapon is any article, instrument, or
24 substance which is likely to cause the death or great bodily
25 harm. Whether an instrument has been used as a deadly weapon

1 must be determined by you, the jury, and depends on the facts
2 and circumstances of each case.

3 The following are examples, but not a complete list
4 of instruments which may be used as deadly weapons: a pistol,
5 a shotgun, a rifle, a dagger, a dirk, a knife, a slingshot,
6 brass knuckles, a razor, or gasoline. A gun may be a deadly
7 weapon, even if it is not actually being used.

8 Possession of a weapon during a violent crime -- the
9 Defendant is charged with possession of a weapon during the
10 commission of a violent crime. The State must prove beyond a
11 reasonable doubt the Defendant was in possession of a firearm,
12 or visibly displayed what appeared to be a firearm, during the
13 commission of a violent crime. A firearm means any machine
14 gun, automatic rifle, revolver, pistol, or any weapon which
15 will or is designed or readily may be converted to expel a
16 projectile.

17 In order to find the Defendant guilty of possession
18 of the weapon during the commission of violent crime, you must
19 first find the Defendant guilty of either committing a violent
20 crime or attempting to commit a violent crime. Murder and
21 armed robbery are violent crimes. The State must prove beyond
22 a reasonable doubt that the weapon further advance or help in
23 the commission of the crime.

24 Criminal Conspiracy -- the Defendant is also charged
25 with criminal conspiracy. In order to prove conspiracy, the

1 State must prove beyond a reasonable doubt that the Defendant
2 agreed or had a mutual understanding with someone else to
3 accomplish a lawful or unlawful goal by unlawful means.
4 Conspiracy requires a mutual understanding, agreement or
5 common intention (indiscernible) complaint. Mere passive
6 knowledge of or consent to the criminal conduct of another is
7 not enough to make a person a conspirator. The mere fact the
8 Defendant may have associated with another person or met with
9 another person and discussed common goals and interests does
10 not necessarily establish a conspiracy or that the Defendant
11 was involved in a conspiracy.

12 On the other hand, it is not necessary that the
13 agreement be made formally or that the conspirators expressly
14 state the terms of the common plan or that the agreement be
15 stated in words between them. The agreement of a criminal
16 conspiracy may come into being through an implied mutual
17 understanding, a willful, intentional, and knowing adoption by
18 two or more persons in a common plan is sufficient. A
19 conspiracy may be shown by the circumstantial evidence and the
20 conduct of the parties. But there does not have to be proof
21 of an overt act in furtherance of the conspiracy.

22 The crime of conspiracy is the agreement itself. In
23 order to convict the Defendant of conspiracy, the State must
24 prove beyond a reasonable doubt, not only that he knew of the
25 unlawful conduct, but that he agreed to combine with the other

1 conspirators for the purpose of accomplishing the unlawful
2 conduct. The conspiracy must have been entered into knowingly
3 and intentionally.

4 The hand of one is the hand of all -- if a crime is
5 committed by two or more people who are acting together in
6 committing a crime, the act of one is the act of all. A
7 person who joins with another to commit an unlawful act is
8 criminally responsible for everything done by the other
9 person, which happens as a probable or natural consequence of
10 the acts done in carrying out a common plan and purpose.

11 For example, two people can be guilty of killing
12 another person, when only one of the two had a gun, there
13 was only one bullet, and only one of the two fired the shot
14 that caused the death. If two or more people are together,
15 acting together, assisting each other in committing the
16 offense, the act of one is the act of all. Or as it is
17 sometimes says, the hand of one is the hand of all. A
18 principal in a crime is one who either actually commits the
19 crime or who is present, aiding, defending, or assisting in
20 committing a crime.

21 When a person does an act in the presence of or with
22 the assistance of another, the act is done by both. Where two
23 or more acting with a common plan or intent are present at the
24 commission of a crime, it does not matter who actually commits
25 the crime. All are guilty. The hand of one is the hand of

1 all. Prior knowledge that a crime is going to be committed
2 without more is not sufficient to make a person guilty of that
3 crime. Mere knowledge that another person is going to commit
4 a crime, even if the Defendant is present when the crime is
5 committed, is not sufficient (indiscernible) Defendant as a
6 principle. Guilt as a principle is shown by actual or
7 constructive presence at the scene, as a result of prior
8 arrangement.

9 Therefore, a finding of a prior, arranged plan or
10 common scheme is necessary for a finding of guilt as a
11 principle. The State must prove beyond a reasonable doubt by
12 competent evidence the theory of the hand of one is the hand
13 of all. Present at the commission of a crime means to be
14 sufficiently near to aid and abet and assist in the commission
15 of the crime. However, mere presence at the scene of a crime
16 is not sufficient to convict one as a principle on the theory
17 of aiding and abetting.

18 Intent is also a necessary element, for there must
19 have been a common design or intent to commit the crime, and
20 the crime must have been committed pursuant thereto with the
21 person aiming for and abetting by some overt act. Intent
22 means intending the result which actually occurs, not
23 accidentally or involuntary. Intent may be shown by acts and
24 conduct of the Defendant in other circumstances, from which
25 you may naturally and reasonably infer intent. The State must

1 prove these elements beyond a reasonable doubt.

2 To the common design or intent of the person aiding
3 and abetting by some overt act, intent means intending the
4 result which actually occurs, not accidentally or
5 involuntarily. Intent may be shown by the acts and conduct of
6 the Defendant and other circumstances in which you may
7 naturally and reasonably infer intent. The State must prove
8 the element's intent beyond -- excuse me, the State must prove
9 these elements beyond a reasonable doubt.

10 Now, a verdict in this case cannot be based upon
11 sympathy, passion, prejudice, or emotion or some other
12 consideration not found in the evidence. I charge you that,
13 as jurors, you must decide the issues involved in this
14 proceeding based solely upon the evidence which you hear
15 during the course of the trial. Your verdict must be without
16 bias and without prejudice to any party. You cannot allow
17 yourselves to be governed by sympathy, by prejudice, by
18 passion, my public opinions, or some other consideration not
19 found in the evidence.

20 Let me say something about your deliberations.
21 Deliberation is defined as careful consideration, weighing up
22 with a view to decision. The genius of our jury system is
23 that it allows 12 good men and women from 12 different
24 backgrounds, life experiences, and perspectives to consider
25 the evidence, talk about it, and ultimately reach a verdict.

1 We call them deliberations for a reason. You're to consider
2 the evidence in this case carefully and deliberately and
3 discuss it in a calm, thorough, and courteous manner, listen
4 to the views of all of your fellow jurors, consider other
5 people's points of view, and talk through and discuss the
6 evidence.

7 And remember, if you're doing something
8 deliberately, you are not in a big hurry. And you should not
9 be in a hurry here. This case is very important to all the
10 parties. This trial is their only day in Court. When you
11 retire to the jury room, you should discuss this case with
12 your fellow jurors to reach an agreement, if you can do so.
13 Your verdict must be unanimous. Each of you must decide the
14 case for yourself. You should do so only after you have
15 impartially considered all the evidence, discussed it fully
16 with the other jurors, and listen to the views of your fellow
17 jurors.

18 Do not be afraid to change your opinion if the
19 discussion persuades you that you should. But do not come to
20 a decision simply because other jurors think it is right. It
21 is important that you attempt to reach a unanimous verdict,
22 but of course, only if each of you can do so after having made
23 your own decision. Do not change an honest belief about the
24 weight and effect of the evidence simply to reach a verdict.
25 In other words, do not change your opinion solely for the sake

1 of reaching a unanimous verdict. Now, I will give you a copy
2 of these instructions in written form.

3 During your deliberations, you may refer to the
4 instructions to guide your decision-making. You must consider
5 the instructions as a whole, and not follow some and ignore
6 others. Please return the instructions to the Court at the
7 time your verdict is written.

8 There are two possible verdicts you may find in this
9 case, guilty or not guilty. There is no significance
10 whatsoever in the order which I state possible verdicts:
11 simply, one must be stated first. Ladies and gentlemen, your
12 verdict must be a unanimous one.

13 Mr. Foreman, when the jury agrees on the verdict,
14 you will retire -- you will write the verdict on the verdict
15 form, then knock on the jury room door and inform the Bailiff
16 you reached the verdict. At that time, we'll receive you back
17 into the courtroom.

18 Now, I ask you now return to the jury room, but do
19 not begin your deliberations until you were told by the Clerk
20 or Bailiff to do so. There are some matters I need to take up
21 with the attorneys at this time. So you can go back to the
22 jury room. Do not discuss the case. Thank you.

23 (Jury out.)

24 THE COURT: Any issues with charge?

25 MR. HUBBARD: Not from the State.

1 MR. STORY: Not from the Defense.

2 THE COURT: All right. Okay. I think I will go
3 ahead and get the remaining alternates back in here. In the
4 meantime, if the attorneys can begin the process of organizing
5 the evidence. Let's get our alternates. Please be seated.
6 I'm sorry. Let's get our alternatives back in here, please.

7 UNIDENTIFIED SPEAKER: Yeah, we're good. I'm just
8 covering for him. I didn't know.

9 THE COURT: I'm going to get the alternates.

10 UNIDENTIFIED SPEAKER: Okay.

11 MR. HUBBARD: Which number was it?

12 THE CLERK: 179.

13 MR. HUBBARD: 179 -- showed the metadata on -- which
14 phone?

15 MS. MAYES: The blue Motorola.

16 MR. HUBBARD: The blue Motorola. It was a one-page
17 document and apparently it was misplaced or it's in somebody's
18 file. And so we've just duplicated that same one. It had no
19 writing or anything on it. So it's an exact copy of what went
20 in and just put the same number on it. And I think ---

21 MR. STORY: I've seen the exhibit, and we don't have
22 an objection.

23 THE COURT: All right. So noted.

24 All right. We ready to send it back? I think
25 you're good. All right. The jury has the case.

1 UNIDENTIFIED SPEAKER: Judge, is it okay to release
2 our two ---

3 THE COURT: As soon as they start deliberating.

4 UNIDENTIFIED SPEAKER: Okay.

5 THE COURT: All right. I was informed we have a
6 verdict. Anything for the record before the jury's brought
7 in.

8 MR. HUBBARD: Not from the State, Your Honor.

9 MR. STORY: Nothing for the Defense.

10 THE COURT: Okay. As I remind everybody in any
11 case, you never know how these vers going to be. But I do
12 remind everyone in the courtroom that, regardless of what the
13 verdict is, I expect everyone to handle themselves properly,
14 to use the proper decorum that (indiscernible) requires.

15 We can bring the jury in.

16 (Jury in.)

17 THE COURT: Please be seated.

18 Mr. Foreman, I understand you have a verdict. Is
19 that correct?

20 JURY FOREPERSON: Yes, sir.

21 THE COURT: Is your verdict unanimous?

22 JURY FOREPERSON: Yes, sir.

23 THE COURT: Please hand it to the Bailiff.

24 Madame Clerk, you may publish the verdict.

25 THE CLERK: As to indictments 2025-GS-3204729, 2025-

1 GS-3204730, 2025-GS-3204727, and 2025-GS-3204732, State of
2 South Carolina vs. Allon Adams, we the jury, as to indictment
3 2025-GS-3204729, for the charge of murder, unanimously find
4 beyond a reasonable doubt the Defendant, Allon Adams, guilty.

5 We, the jury, as to indictment 2025-GS-3204730, for
6 the charge of armed robbery, unanimously find beyond a
7 reasonable doubt the Defendant, Allon Adams, guilty.

8 We, the jury, as to indictment 2025-GS-3204727, for
9 the charge of possession of a weapon during a violent crime,
10 unanimously find beyond a reasonable doubt the Defendant,
11 Allon Adams, guilty.

12 We, the jury, as to indictment 2025-GS-3204732, for
13 the charge of criminal conspiracy, unanimously find beyond a
14 reasonable doubt, the Defendant, Allon Adams, guilty.

15 So signed by the Foreperson on this day, November
16 21st, 2025.

17 Ladies and gentlemen of the jury, are these your
18 verdicts and are they still your verdicts? Please indicate by
19 raising your right hands. Thank you.

20 MR. STORY: Your Honor I respectfully request we
21 poll the jury.

22 THE COURT: Very well.

23 JURY POLLING

24 THE CLERK: Ladies and gentlemen of the jury, I will
25 be calling out -- you out by your juror number and asking if

1 these were your verdicts and if they are still your verdicts.
2 If you could please answer audibly and raising your right
3 hand.

4 Juror number 259, were these your verdicts, and are
5 they still your verdicts?

6 JUROR NO. 259: Yes.

7 THE CLERK: Juror number 184, were these your
8 verdicts, and are they still your verdicts?

9 JUROR NO. 184: Yes.

10 THE CLERK: Juror number 99, were these your
11 verdicts, and are they still your verdicts?

12 JUROR NO. 99: Yes.

13 THE CLERK: Juror number 167, were these your
14 verdicts, and are they still your verdicts?

15 JUROR NO. 167: Yes.

16 THE CLERK: Juror number 26, were these your
17 verdicts and are these still your verdicts?

18 JUROR NO. 26: Yes.

19 THE CLERK: Juror number 194, were these your
20 verdicts, and are they still your verdicts?

21 JUROR NO. 194: Yes.

22 THE CLERK: Juror number 280, were these your
23 verdicts, and are they still your verdicts?

24 JUROR NO. 280: Yes.

25 THE CLERK: Juror number 291, were these your

1 verdicts, and are they still your verdicts?

2 JUROR NO. 291: Yes.

3 THE CLERK: Juror number 244, were these your
4 verdicts, and are they still your verdicts?

5 JUROR NO. 244: Yes.

6 THE CLERK: Juror number 172, were these your
7 verdicts, and are they still your verdicts?

8 JUROR NO. 172: Yes.

9 THE CLERK: Juror number 94, were these your
10 verdicts now, and are they still your verdicts?

11 JUROR NO. 94: Yes.

12 THE CLERK: And Juror 101, were these your verdicts,
13 and are they still your verdicts?

14 JUROR NO. 101: Yes.

15 THE CLERK: Were there any jurors numbers that I
16 didn't call?

17 Your Honor, the jury's been polled.

18 THE COURT: Anything else for the jury before they
19 are excused (phonetic)?

20 MR. HUBBARD: Nothing from the State, Your Honor.

21 MR. STORY: Nothing for the jury, Your Honor.

22 THE COURT: All right. Ladies and gentlemen, when
23 you come in on a Monday morning, you never know what is
24 waiting for you on jury service. This week, this was the case
25 that you were chosen to serve on. You've had a full week

1 here. On behalf of all of us, I want to thank you for the
2 service, your jury service, you've provided this week. Make
3 no mistake, that jury service is public service. We thank you
4 for the service you provided.

5 At this time, you are free to go. If you need
6 anything from the clerk as far as employment, they can
7 accommodate that as well. I would like the foreman to meet us
8 around out (phonetic) back. But, otherwise, thank you for
9 your service. You're free to stay for further proceedings,
10 but you're certainly free to go if you want.

11 Thank you for your service.

12 (Jury excused.)

13 THE COURT: Any motions at this time?

14 MR. STORY: Yes, Your Honor. The Defense moves for
15 a new trial based on all prior motions and objections and also
16 on the grounds that no reasonable jury could have found the
17 Defendant guilty beyond a reasonable doubt.

18 THE COURT: Other than what's been previously noted,
19 any response from the State?

20 MR. HUBBARD: Only this, Your Honor -- we believe
21 we've presented abundance of evidence for each and every
22 charge that was presented to the jury, that, Your Honor, ruled
23 correctly on that, and I believe their verdict speaks. Thank
24 you.

25 THE COURT: Very well. Let the record reflect all

1 your pretrial motions and objections are renewed. As far as
2 your motion for a new trial, I find there is sufficient
3 evidence to submit these questions to the jury and deny your
4 motion for a new trial at this time.

5 How much time you need to pivot to the next stage?

6 MR. STORY: Your Honor, the Defense, we would
7 respectfully request that the sentence be held in advance till
8 the next time, another term that you're residing over.

9 THE COURT: Have you all discussed (indiscernible)?

10 MR. HUBBARD: Your Honor, he -- he mentioned that
11 he'd be making that motion earlier. We have the family here
12 in this case. And we have family from the other case. So we
13 would like proceed. And we have law enforcement here too, so
14 I think we would like to proceed.

15 MR. STORY: Thank you, Your Honor. Respectfully, I
16 note the victim's rights. The other case has not been
17 adjudicated yet. Just want to note that.

18 THE COURT: Well, my intent is to go forward. So
19 happy to speak you all further if needed, but I'll -- we'll
20 take a short recess and move on with sentencing in a few
21 minutes, okay?

22 (Court recessed.)

23 (Court resumed.)

24 THE COURT: Okay, we're back on the record. The
25 jury returned a verdict on all four counts of guilty in the

1 State vs. Allon Adams.

2 Mr. Solicitor, you ready to proceed with any
3 presentation from the State?

4 MR. HUBBARD: State is ready, Your Honor.

5 THE COURT: Very well.

6 MS. MAYES: Your Honor, may it please Court. As the
7 Court is aware, the facts of this case are absolutely
8 horrendous. It was planned and premeditated for some period
9 of time before the murder of Tony Etheredge ever took place
10 and was carried out with the greatest degree of callous heart,
11 Your Honor. As to the record of Allon Adams, March 14, 2019,
12 financial transaction card fraud, a robbery conviction that
13 was pled down from an armed robbery.

14 A burglary third degree conviction, pled down from a
15 burglary first degree. The sentence for all three of those
16 offenses, Your Honor, was Youthful Offender Act, not to exceed
17 six years, Youthful Offender Act not to exceed five years,
18 suspended to three years' probation. So, again, a robbery and
19 burglary third degree on the record.

20 March 15, 2019, possession of marijuana. October
21 27, 2022, domestic violence third degree, pled from a domestic
22 violence second degree. And then October 27, 2022, an assault
23 and battery second degree, for which he received a sentence of
24 18 months, suspended to 120 days, and 13 months of probation.
25 Again, that particular sentence was entered October of 2022.

1 So he would have been just off probation or technically still
2 on probation when this series of violent crimes began, Your
3 Honor.

4 And it began in November of 2023, with the murder of
5 Devon Tracocci (phonetic). His family is here and present.
6 Your Honor, we realize and recognize that Your Honor was only
7 sentencing today for the murder of Tony Etheredge Jr. But I
8 wanted to put on the record the similarity in facts there.
9 Late November 2023, Devon Tracocci was shot and killed, shot
10 multiple times and robbed of his Kia Soul vehicle. His Kia
11 Soul vehicle was eventually found abandoned near Rish Road in
12 Leesville. Again, that is the same road in which Allon Adams
13 resides. That vehicle also contained obvious evidence of some
14 type of cleaning residue inside of it. So that case was under
15 investigation during the time in which Tony Etheredge Jr. was
16 set up and killed for his vehicle.

17 And that vehicle also ended up on Truex Road, just a
18 short distance away from the Defendant's camper, also with
19 obvious evidence of cleaning residue. And that's how law
20 enforcement first began to follow the clues that these crimes
21 were connected. Those vehicles found very, very close
22 together, with the same MO, the same common scheme being
23 employed for both, and both of those vehicles having been
24 stolen. Both victims, Your Honor -- Mr. Tracocci and,
25 obviously, Tony Etheredge Jr., were shot multiple times, and

1 their bodies were disposed of in water.

2 As for Mr. Tracocci, his body was ultimately
3 recovered in a creek or river in Aiken County. As Your Honor
4 heard, Mr. Etheredge was ultimately recovered from Black Creek
5 river area here in Lexington County. Strong similarity
6 between these crimes, Your Honor. And, during the course of
7 our communications with the codefendant, Cady Keener, she also
8 made clear to us that a third victim had been set up. She
9 provided a name for that victim, and they were in the course
10 of potentially attempting to carry that out when she stalled
11 or intervened.

12 And, as a result of her stalling and not going
13 through the plan, she reported to us that she was physically
14 assaulted by Mr. Adams as a result. And we believe that that
15 occurred in January of 2024. Ultimately, Your Honor, both
16 Defendants were arrested in early February of 2024, and that's
17 what led us here today.

18 Speaking, Your Honor, on behalf of Tony, is his
19 father and mother, Pam and Tony Sr.

20 Tony, Your Honor, as you heard, was 35 years of age.
21 He was working at Carolina Wings. He had worked numerous,
22 numerous jobs in the past and was a graduate of Batesburg-
23 Leesville High School.

24 MRS. ETHEREDGE: Thank you for the opportunity to
25 speak on my son's behalf. For over -- excuse me. I slept on

1 the couch, hoping that one of those days, he would come in.
2 Well, barely sleeping. But, for over a month, I was on the
3 couch sending him take text messages. Instead of him texting
4 me back, they would text me back, knowing what they had did.
5 They're monsters. They're not human beings. And I pray that
6 you will have enough mercy for my son. They need to get the
7 max. If I could request the death penalty, I would. I know
8 it sounds cruel, but they didn't give my son no mercy. They
9 didn't care.

10 They just wanted his vehicle. They could have been
11 out working like everyone else, but they chose the wrong path.
12 But this time, they chose the wrong kid. That was my son. My
13 girls are without a brother. And this is the second son we've
14 lost. But they didn't care about that. He's already -- he
15 had already been through a lot of surgeries, as you know. But
16 they didn't care. They just wanted what they wanted. I want
17 them to suffer, their family to hurt and suffer the way we
18 have. And we'll still suffer today. So I -- I beg of you to
19 give him and them the max.

20 And if I -- like I said, if I can request a death
21 penalty, that's what I want. No mercy. No mercy, because
22 they showed him none. And then he bragged about it, like it
23 was okay. He bragged. He bragged and looked him in his face
24 and still shot him multiple times, like it was okay -- like a
25 dog or an animal or a piece of trash. That's what he is.

1 He's trash. I'm sorry, Your Honor, but I barely sleep now.
2 This week, I barely slept at all. Last night, I may have
3 slept an hour, if that. But please, Lord, please just -- I
4 ask for your mercy to give him the max.

5 MR. ETHEREDGE: How you doing, Your Honor?

6 THE COURT: Sir.

7 MR. ETHEREDGE: I want to speak on the emotional
8 impact of the entire family, friends, everyone who's
9 acquainted with my family, with me, on what this toll is, what
10 this has done. My wife has already spoken as to what she
11 thinks ought to happen. And we are in agreement. But I just
12 want to say -- enablers. That's enablers, people who rear
13 people up like that. Look at them. I talked to Detective
14 Reed and all the police force and everyone that I talked to.
15 You know, we're living in a society now where people are just
16 cruel.

17 My family has been through enough. Tony -- when
18 Tony was -- had his accident, Your Honor, I sat with him. The
19 only time I left him was to bury his brother. That was the
20 only time. It's just been a nightmare. And we're reliving a
21 nightmare now. I ask -- I understand, they've explained to us
22 clearly what the verdict and what the sentence will be. But
23 as my wife said, they showed no mercy. Therefore, I ask you
24 not to show him any mercy. Whoever gets up here and begs and
25 pleads for mercy on his behalf, he doesn't care. He doesn't

1 care. So give him what he asked for. That's all I have to
2 say. Thank you.

3 THE COURT: Thank you, sir.

4 MR. HUBBARD: Your Honor, on behalf of the State, I
5 know law enforcement would like to speak as well. And then
6 I'd like to speak on behalf of our office and our community
7 that I represent.

8 MR. REED: Good afternoon, Your Honor.

9 THE COURT: Good afternoon.

10 MR. REED: My name is John Reed. I'm one of the
11 many investigators with the sheriff's department that worked
12 the case of Tony Etheredge Jr. I stand before you as a law
13 enforcement officer and a representative of the Lexington
14 County community. Allon Adams' actions were deliberate, they
15 were violent, and they showed a complete disregard for human
16 life. The crime has caused immeasurable harm to the Etheredge
17 family, as you just saw and created fear within our community.
18 The evidence in this case makes it clear that a Allon Adams
19 poses a serious risk to public safety.

20 A lenient sentence would not reflect the gravity of
21 the offense, nor deter future acts of violence. For these
22 reasons, I respectfully urge the Court to impose a maximum
23 sentence of life in prison. It is necessary for justice, for
24 accountability, and for the protection of the citizens of our
25 community. Thank you.

1 THE COURT: Thank you, sir.

2 MR. HUBBARD: Your Honor, as the Solicitor
3 representing this community, and specifically our victims,
4 I've been in this business 35 years. It's rare that you see a
5 case with someone so heartless, planning to steal, but part of
6 that plan is to kill and to do it in such an inhuman and
7 wicked way. It's just mind boggling. But what boggles my
8 mind even more is to brag and boast about it.

9 Your Honor, I can't even begin to tell you how many
10 murders I've prosecuted over the years. This one's going to
11 always stand out. This man deserves the maximum sentence,
12 Your Honor. He deserves a life sentence. The family, I
13 think, needs that as well. They need to go to bed every night
14 knowing that the man that killed their child is never getting
15 out. The only way he'll get out of prison is in a pine box.
16 The community that I serve, I think also will only rest and be
17 at peace if they know the man who committed this horrible
18 crime dies in prison. I'm asking for a life sentence, Your
19 Honor. I know every murder is different, but this one stands
20 out among so many of the other murders that you've seen and
21 that we've prosecuted in this courtroom. This man never needs
22 to see the light of day. Thank you.

23 THE COURT: Did anyone else need to be heard?

24 MR. HUBBARD: No, sir, Your Honor. I think we're
25 good.

1 MR. STORY: May it please the Court, Your Honor.

2 THE COURT: Yes, sir.

3 MR. STOVER: I just want to note to begin with, Your
4 Honor, Mr. Adams was a youth at the time of these offenses was
5 22 years old. He's 24 now. My deepest sympathies to the
6 Etheredge family. This has been a very, very difficult trial,
7 very difficult case. He -- want to know he does suffer from
8 anxiety and PTSD. I believe one member of the Adams family
9 does wish to speak. And then I'll finish.

10 MRS. ADAMS: If it pleased the Court, my sympathy
11 goes out to the families. At this time, Allon is my oldest
12 grandchild out of 25. I just hate the path and the people
13 that he chose to be around. At this time, I'm not gonna say
14 my grandson is the best. I'm not gonna say he's the worst.
15 But he's not a monster like they make him out to. Everybody
16 makes mistakes. I can't tell you what to sentence him on at
17 this time. Even if you decide with them to even go farther
18 with life sentence or however -- either way, we can't bring
19 that child back.

20 And I do apologize. This is something that we all
21 have to deal with. The community that the Etheredge family
22 lives in, I was born and raised in that community. I went to
23 school with his parents, just as well as his grandfather that
24 sits over there. We all went to school together. We played
25 together. We had fun together. Our families are joined

1 together through a marriage. And I can't change what happened
2 and neither could he. If I could, I would. But I'm not
3 asking -- I'm not asking for much, and ain't much I could ask
4 for to return their kids. There's nothing that we could do to
5 do that.

6 But I am asking the Courts to have a little mercy on
7 him. He has a son just as well as Tony had a son. I watched
8 Tony grow up just as well as his family did. He played little
9 league football. I seen that. We -- we all grew up together.
10 It's just something that he just chose the wrong path and the
11 wrong people. And I'm asking the Court to have a little mercy
12 on him. And once again, my heart goes out to that family.
13 I've been in their position. I've walked that same path that
14 they have walked. And I understand Ms. Etheredge -- Mrs.
15 Etheredge wants us to hurt like she does.

16 But even if -- we've done said, we all are hurting,
17 it's just hurting in a different way because there's so many
18 families that's involved in this situation. Whether we lost
19 our child to the system or to death, there's so many families
20 that are involved in it. So we are hurting. We do feel you
21 all pain. We do feel it. Just because we're not
22 communicating with you all, we hurt just like that, because
23 just as well they said they shared that photo. I was sitting
24 at a friend house when that came up. And I, myself, was
25 sharing it and was reaching out to family members that's

1 connected with them trying to keep up with what's going on
2 with them, not knowing.

3 It was very hurtful for them people to come in my
4 house and tell me that my grandson was being accused of
5 something like this. So, as a grandmother, I was hurting just
6 as well as these parents is. It destroyed me. It destroyed
7 my daughter. He is the only son out of five kids that my
8 daughter has. She's sitting back there crying now. So she
9 does feel their pain. Her grandfather -- his grandfather
10 sitting over there, he's hurting to. His sister, which is the
11 second oldest child to my daughter, my oldest grandchild,
12 she's back there hurting too.

13 I have a granddaughter that keep asking their
14 mother, when is my brother coming home? I understand if you
15 all want to give him the death penalty. But I just don't feel
16 like giving him a death penalty, taking his life, is not going
17 to bring that child back. You still gonna hurt. You still
18 gonna miss him, just as well as we gonna miss him not being
19 here in our presence, whether he's in you all system or not
20 here in general. We all still gonna hurt. 'Cause I still
21 hurt. We just had an anniversary date of my brother's death
22 from a shooting. I done stood in this courtroom more than one
23 time for the same situation.

24 I have faced these Solicitors over here just as well
25 for a murder that they tried on. So they know me very well.

1 And, at the end of the day, I hurt. My family hurt. We all
2 hurt. I hurted it even more for the community because all I
3 kept saying was, I went to school with this man. I went to
4 school with his wife. I don't know her as well as I know the
5 Etheredge. She's married into the family. And I was very
6 concerned about them. So it's not like our family was just
7 saying this and just shutting them out. We're not in
8 agreement of what he's involved in. We don't like it. And I
9 want him to know I'm not disappointed in you.

10 I'm disappointed in the situation that he got
11 himself into. So I'm asking the Court to have mercy on him.
12 That's all I'm asking. And I know it's taking me a while, but
13 I'm full. I'm full. I cry every night about this situation.
14 Cause I rubbed -- I held that boy in my arms just like she
15 held hers. He's not only my grandson.

16 He's just like my baby. He's my first grandchild.
17 But, like I said, I hurt. I hurt just like they hurt. And I
18 am apologizing for the situation and how things played out.
19 But there's nothing we can do. There's nothing else we can
20 do. If you all was to take his life or give him life. It's
21 not going to change the situation. And, once again, I
22 apologize to them. But we are hurting.

23 THE COURT: Thank you.

24 UNIDENTIFIED SPEAKER: And we are sorry for the
25 family loss. We really is. We're really sorry.

1 MR. STORY: And, Your Honor, finally one last thing.
2 Personally, and I think I speak on behalf of Mr. Holladay and
3 Mr. Watts and everybody who interacted with Mr. Adams. He's
4 been nothing but kind and respectful since we've been
5 representing him, Your Honor.

6 THE COURT: What is his credit.

7 MR. STORY: 654 days, Your Honor.

8 THE COURT: From the outset, let me thank those this
9 case who tried this case and advocated vigorously for their
10 respective clients. To the Etheredges, I don't have the words
11 to properly quantify how sorry I am for what's occurred, for
12 this pain that you go through every day, for the pain you're
13 going to continue to go through. And I recognize there's
14 nothing the sentence today is going to do to change that.
15 You've already faced an enormous amount of tragedy already.
16 Tony (indiscernible) tragedy already. He's lost his life.

17 I hope today provides some measure of closure, but I
18 don't even begin to think that today will feel the pain you're
19 going through. I do want to say, also, you've been in trial
20 all week. And I think Tony will be very proud of the way
21 you've handled yourselves. It's a tragedy for your family.
22 It's a tragedy for Mr. Adams' family too. They're hurting
23 today, too, for their family member who's in the position he's
24 in. But why are we here? Solicitor said this earlier, but I
25 mean I've been around about -- going on about eight years now

1 and tried a lot of cases in this room. And I will not forget
2 this one.

3 You don't forget any of them, but I really didn't
4 know the background when I showed up Monday morning, frankly.
5 And the facts in this case have shaken (phonetic) me to my
6 core. They are -- I haven't heard this word used yet, but
7 they are disgusting. It is a evil, deliberate, disgusting
8 acts carried out by more than one person. And it's tough to
9 find any mitigating circumstances. Based on what we heard in
10 trial week, I don't blame the family for saying it responded
11 to the victim's family. If nothing else, the behavior was
12 monstrous.

13 On the charge possession of a weapon during the
14 commission of a violent crime, that's a five-year sentence.

15 On the charge of armed robbery, that is 30 years in
16 the department of corrections. All of these charges have
17 credit for 654 days.

18 On the charge of conspiracy, that's a consecutive
19 sentence, five years in the department of corrections.

20 On the charge of murder, the sentence is life in
21 prison. That is all.

22

23 (THERE BEING NOTHING FURTHER, THIS HEARING WAS CONCLUDED.)
