SC Court of Appeals

Dear Clerk:

In September of 2024, I discovered that I had been unlawfully imprisoned for a total of 51 years for the unlawful charge of armed robbery that began in 1976, which I was never indicted for & has continued to this day due to my 1992 trial when the Solicitor, Ralph Wilson, Sr., changed my 1976 Grand Jury Indictment for Robbery to Armed Robbery, Habeas Corpus will soon be filed re: this matter, however, since 1992, I have filed many cases re:

my unlawful imprisonment, one of which was Sawis v State, appealed to this Court, decided 10-24-94 - 314 S.C. 102 - 450 S.E. 2d 606, in which Chief Judge Howard held that: Evidence of Defendants prior conviction of armed robbery was admissable to impeach Credibility of Defendant; there was NO evidence!! only the Solicitors 'CREATED' evidence! The head note #3 reads: Decision of trial Judge will not be disturbed absent injustice, which has no statute of limitations due to the fact that I continue to suffer the consequences of this erroneous judgement! Which must be overturned, Judge Howard had NO evidence, he relied on the word of a corrupt government official without any oath, many law suits will be filed & won due to the many erroneous judgements decided by Several Courts.

I am requesting that this Court overturn this Judgement.

Respectfully Submitted,

Deborah V. G. Hubbard-Sanders
