S.C. SUPREME COURT

SC Court of Appeals

The State, Respondent
vs.Writ of
Certiorari

Terrell Herbert Sr, Petitioner

Petitioner files this Writ of Certiorari for the following reasons. Petitioner was representing himself Pro-se in his appeal. After curing all deficiencies with the appeal Petitioner was told by the Court of appeals to contact Florence Co court reporter to obtain the transcript from trial on 3-18-26. After contacting the court reporter Petitioner was then told by the Court of appeals to contact The office of Court Admin after Petitioner received no response from the Court reporter. One month later Petitioner received a letter from Florence Co court reporter stating that petitioner had to pay \$1,062 for approximately 250 pages at \$4.25 per page. Petitioner then requested the Courts, and the Court reporter to waive the fee due to petitioner being in custody and unable to access the funds for the fee, but that request was denied. Petitioner then requested an extension so he could contact The South Carolina indignant defense, but never received a response from the Court of appeals. The only response Petitioner received was that he had 10 days to get the transcript or the appeal would be dismissed. Petitioner did contact indignant defense, and notified the attorney general's office, the court of appeals, and the 12th circuit Solicitor's office and is waiting for a response but never got one.
