**AFFIDAVIT OF ANGELA T. FRANKS**

I, Angela T. Franks, being first duly sworn, state from personal knowledge: SC Court of Appeals

1. I am the Appellant in this case and am proceeding without counsel.
2. I received the Court's July 2, 2026 Order requiring an amended final brief and a Second Amended Record on Appeal.
3. I served and filed the amended final brief on July 13, 2026.
4. The source materials for the Second Amended Record exceed 300 pages and include lower-court documents mixed with appellate correspondence, bankruptcy materials, documents from a prior foreclosure case, duplicates, and exhibits whose lower-court filing status must be verified.
5. I obtained and reviewed the Richland County Public Index for case 2022-CP-40-02905 to determine which documents were filed in the lower court and to identify missing complete copies.
6. The Public Index confirms numerous separate motions, orders, notices, affidavits, pleadings, exhibits, and a Record of Hearing that must be located and indexed individually.
7. I did not intentionally disregard the July 2 Order and have not sought delay for tactical purposes.
8. On July 22, 2026, I contacted the Clerk's office and was advised that I could request an extension of time to complete the Second Amended Record.
9. I request a short extension in good faith so I can file a Record that satisfies the Court's July 2 Order and the certification required by Rule 210(g), SCACR.

**FURTHER AFFIANT SAYETH NOT.**
