TO; THE HONORABLE JUDGES OF THE SOUTH CAROLINA COURT OF APPEALS

COMES NOW Respondent Metromont Corporation n/k/a Metromont, LLC (hereinafter referred to as “Respondent”), by and through the undersigned counsel, pursuant to Rule 263(b), SCACR, and moves for an extension of thirty (30) days additional time to file/serve its initial brief and corresponding designation of matter to be included in the record on appeal.

The current deadline for Respondent’s initial brief and designation of matter is August 5, 2026. The same was confirmed via letter from this Court dated July 6, 2026 and Rule 208(a)(1), SCACR. Similar to Respondent Samet Corporation’s Motion for Extension of Time, Respondent respectfully requests a thirty-day extension to file/serve its initial brief and designation of matter due to other work-related time commitments. The granting of this Motion for Extension of Time will not prejudice the Appellant and will ensure Respondent has sufficient time to adequately brief the issues raised in Appellant’s Initial Brief. Both of which are consistent with the interests of justice.

Wherefore, Respondent respectfully request this Honorable Court grant Respondent’s Motion for Extension of Time and allow Respondent an additional thirty days to file/serve its initial brief and designation of matter to be included in the record on appeal. This would create a new deadline of September 4, 2026, for Respondent to file/serve its initial brief and designation of matter.
