

The South Carolina Court of Appeals

The State, Appellant,

v.

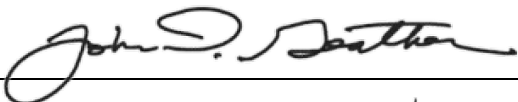

Chad Eugene Gibbs, Respondent.

Appellate Case No. 2025-000368

ORDER SETTING APPEAL BOND

Respondent requests that this court grant an appeal bond so that he may remain free on bond during the pendency of this appeal. The State has filed a Return to the motion, verifying that Respondent has been released from the custody of the South Carolina Department of Corrections. The State does not oppose the request for a reasonable bond. This court therefore grants an appeal bond in the amount of \$10,000.00 (surety) with the following conditions: (1) Respondent must maintain his current address and may not move from this address without prior court authorization; (2) Respondent may not leave the country during the pendency of this appeal; (3) Respondent must appear in this State for any mandatory court appearances.

Respondent shall file proof that he has procured the bond through a licensed bondsman within 15 days of his receipt of this Order.
