South Carolina Court of Appeals

Re: Kong Jian Lin v. Lin Yi Tong
Appellate Case No. 2025-001184

Dear Clerk,

On May 18, 2026, the Court instructed me to file a Rule 240 motion if I wished the Court to take action. I complied with that instruction.

On May 20, 2026, I corrected the procedural deficiencies identified by the Court, including the filing fee, proof of service, and signature.

On June 24, 2026, my Motion to Expedite was denied. I respectfully request clarification of the procedural or legal basis for that decision so that I may better understand the Court's ruling.

Please also confirm whether the Court received my \$50.00 Rule 240 filing fee.

My appeal has now been pending for more than one year. I respectfully request any update regarding the current status of my appeal.

Thank you for your consideration.

Respectfully submitted,

Kong Jian Lin
