RE: *Bay Light, LLC v. SCDES & SCCCL*
Appellate Case No.: 2026-001583

Dear Ms. Kitchings:

Please allow this letter to serve as Appellant SCDES's request for a 30-day extension of time to file its Initial Brief and Designation of Matter in the above-referenced matter. Currently, by my calculations, the Appellant's Initial Brief and Designation of Matter is due on August 14, 2026. I am requesting an additional 30 days, making the amended date September 14, 2026. This is our first request. Opposing counsel consents to this extension. Thank you very much for your kind consideration.

Sincerely,

Bradley D. Churdar
