instead entered a Form 4 stating: “THERE IS NO JUDGMENT IN THIS CASE AND NO PAPERWORK WILL BE ADDED TO THIS ENDED APPEAL” (June 6, 2024 Form 4)(DM9). Appellant sought mandamus on September 11, 2025. After remittitur, Appellant again attempted to file Rule 60 relief in the circuit court; the clerk returned the submission stating that the case was closed and nothing further would be accepted (12/9/25 letter from Clerk)(DM11). On December 16, 2025, the Court of Appeals clerk advised that no action would be taken on Mandamus because the appeal had been remitted on November 19 (12/16/25 letter) (DM12).

I. The United States Supreme Court

Appellant sought certiorari review in the United States Supreme Court, and certiorari and rehearing were denied on June 22, 2026.

J. Form 4 — “This court will not accept any more filings.”

On July 9, 2026, Appellant filed the Rule 60(b)(4) motion at issue and a motion requesting a written ruling: “Motion to Vacate Void Orders Pursuant to Rule 60(b)(4)” (DM 17), and “Motion for Written Order Pending Rule 60(b)(4) Motion” (DM 18). The clerk, “per Chief Administrative Judge Daniel Coble’s instruction,” requested a written response before the court would rule. Respondent’s counsel emailed chambers on July 13, 2026, urging closure, and Appellant replied the same day requesting adjudication on the merits (email string started by Deputy Clerk Cheryl Truesdale to counsel) (DM20). The circuit court issued no merits ruling; instead, on July 14, 2026, it entered the Form 4, relying on the Court of Appeals’ June 11, 2025 opinion, stating that it would “not accept any more filings” and that “this order ends the case,” thereby barring further filings without adjudicating Appellant’s pending Rule 60(b)(4) motion (7/14/26 Form 4) (DM13).
