Appellate Case No. 2024-000788

The Honorable Mikell R. Scarborough
Charleston County

ORDER

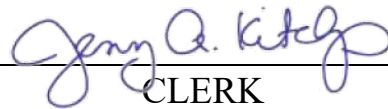

Appellant has filed a motion to supplement the amended record on appeal. Respondent consents. The motion is granted.

Respondent has filed a motion identifying errors with the amended record. The court will act on this motion after the opportunity to file a return has expired, however, if the parties consent, they may include as part of Appellant's Supplemental Record a table similar to the one in Exhibit A of Respondent's motion to disclose any errors related to the headings on the trial transcript.

It does not appear these events will affect the parties' ability to follow the deadlines for filing revised final briefs. If this is mistaken, the parties should promptly inform the court.
