Good Afternoon, my name is Cyncier McCray and I was emailing to let who this may concern know that I did take my documents to the common pleas court. I took the documents to the court August 4th, 2026 at 12:35 pm. My son just started school today and we currently have a 24 hour notice on the door. This is very overwhelming and I hope this email gets to you as soon as possible. Have a bless day.
