Case No. 2019-CP-40-04452
Appellate Case No. 2026-001326

Anesthesiology Professionals of Columbia, LLC — Respondent,

v.

Lifepoint Health d/b/a Providence Health and Providence Hospital LLC — Appellants.

MOTION FOR EXTENSION

COMES NOW Appellants Lifepoint Health d/b/a Providence Health and Providence Hospital LLC ("Providence") and requests this Court to grant a 30-day extension for the deadline to file Providence's opening brief and Designation of Matter. The grounds for this extension are twofold:

First, due to an unexpected partner departure from the firm last week, undersigned counsel must now cover additional matters in the next two weeks unexpectedly which will make it difficult to complete the opening brief which is now due on August 20. Second, there are ongoing discussions related to potential resolution that all counsel would like to continue and potentially conclude before the opening brief and Designation of Matter are filed.

This is Providence's first requested extension in this matter. If the extension is granted, Providence's opening brief and Designation of Matter, currently due on August 20, would now be due on September 21.

Counsel for Respondent has consented to this extension request.

WHEREFORE, Appellant respectfully requests, for good cause shown, that this Honorable Court grant the 30-day extension for filing Appellants' opening brief and Designation of Matter.
