SC Court of Appeals

RETURN

Attorney Charles T. Brooks, III on behalf of the respondent, James Burrell, submits the following return:

The respondents position is that Section 18-9-170 of the South Carolina Code (2014) applies in this matter and we are asserting that said bond should be set for no less than one thousand five hundred (\$1,500.00) dollars per month. Our position is that a bond is necessary since the Appellant has resided in the residence for the last three (3) years. There is a need to have the property insured and to protect the property from any waste, destruction or damage.
