Ms. Staley,

The material that was being redacted is information tied to my client, Respondent. I'm currently on medical leave. We will be getting back with the court on this but for the time being, please do not place the unredacted version on public c track.

Thank you.

If all parties agree, the unredacted version filed on 06/19/2026 is sufficient.

Ms. Staley,

Thank you for sharing the Court's order with us. I note that when we filed our initial brief on June 19, we submitted both redacted and unredacted copies of the brief pursuant to our motion to seal. Would the Court like for us to re-submit the unredacted version, or will that brief simply be filed into the public record now that the Court has ruled on that issue? We're happy to proceed however the Court prefers on this issue. For reference, the file-stamped copy of our unredacted brief is attached here.

Very respectfully,

Andrew Hand
Attorney for Appellant
