Additional Evidence ... For A Judge 8/12/2026

To whom it may concern,
My name is Tanya Murphy. Ms. Murphy would like to present evidence of an alleged Bribery Attempt. Ms. Murphy was Kidnapped / Abducted on 7/9/2026 and held for a $32.00 ransom at the Chester County Sheriffs Office. Ms. Murphy was told she needed to obtain an Attorney to Appeal or Serve 30 days. Ms. Murphy opted for the 30 days, but the fine was paid and I was told I HAD TO LEAVE... I refused to sign the release paperwork because I was given a choice but the choice was taken away. (LOL) Now Ms. Murphy has paperwork to show up to an Appeal that is the Earliest I have Ever had, with the Judge whom dismissed my Attorney and left off the Sheriff Department who is / was part of a Civil lawsuit with Ms. Murphy as a Plaintiff. Ms. Murphy ask Judge Brian Gibbons (Case 2017CP 1200079)

to recuse himself as a Conflict of Interest. The Courts stated (after I had to ignore All of Doug Atkinsons incorrect punctuation marks and spacing) that I am alleging A New Conspiracy to Cover-Up a Crime to contact Judge Robert Hood whom he states is a 6th Circuit Coommon Pleas Administrative Judge, but online he is a 5th Circuit Court Judge he periodically presides over cases in the 6th Circuit which caused me to investigate more and discovered he is a member of the South Carolina Bar, and all South Carolina Courts and admitted to practice in the Fourth Circuit Court of Appeals. The concern Ms. Murphy has is she has a case with the Court of Appeals whom is failing to communicate the status of her case. This Judge status ends on June 30, 2027 and this make Ms. Murphy question his involvement in such a Corrupt Case!!! The status of the Appeal is Decision Filed after I paid to have a motion for a New Judge.

Ms. Murphy is Pro Se I this ~~Information~~ Can Not be Concealed...

The letter Ms. Murphy received from the courts, el am alleging, was tampered with inside the US Post Office because it was not detected by my uninformed Delivery and Ms. Murphy would have not recieved the notice in time, this would have became a New Issue. Please, check on Doug Atkinson, el am alleging the envelope with My name looks like it was written under Duress and the letter itself tells me to E-File, this is not a normal request. Ms. Murphy is now gathering evidence as to the Proof of Service of her missed Court dates which resulted in a Bench Warrant. Ms. Murphy needs to know if there was a returned address, Hand Delivered or Any proof the notice was sent. The Jury Coordinator for the Sheriff Department states there was Not a Transcript for this Proceeding.
