Dear Clerk of Court,

I am writing regarding case No. 2025-002267 and the Court's August 7th, 2026 correspondence stating the Appellant's Record on Appeal and Appellant's Briefs are overdue.

I understand the Court's notice directs me to submit the documents with a motion for permission to file out of time, however, before reproducing, I respectfully request that the Clerk's Office determine whether my original May 2026 submission was received but not docketed or otherwise associated with the appeal.

On May 18, 2026, I mailed bound copies of the Corrected Record on Appeal, Appellant's Final Brief and Final Reply to the Court and to the Respondent. I have the USPS mailing and tracking information associated with the mailing. Additionally, the Court's docket reflects that on May 26, 2026, the Respondent filed a copy of Appellant's Proof of Service of the documents that were mailed for service. I have attached the USPS documentation for reference.

Given the size and expense associated with reproducing the Record on Appeal and briefs, I would greatly appreciate it if the Clerk's Office could check for the May 18 mailing and determine whether the documents were received but not docketed or otherwise associated with my appellate case.

Further, I understand the deadline contained in the August 7 notice and I am not requesting this email substitute for any required filing. I am simply requesting assistance locating the documents I previously submitted before I incur the expense of reproducing the documents and paying an additional motion filing fee.

Thank you for your assistance,
Laura Bowen
