Re: *Joan C. Macatee, et al. v. Innes T. Mather, as Personal Representative of the Estate of Michael R. Macatee, et al.*
Appellate Case No. 2025-000558

Dear Ms. Kitchings:

The parties write this letter as a status update in response to the Court's June 1, 2026 order remanding this case to effectuate settlement. The settlement requires approval from the Greenville County Probate Court, which in turn requires the filing of a motion, the submission of the settlement agreement, and the submission of additional documents needed to close the estate of Michael R. Macatee. All of these documents require original signatures, some of which were needed to be obtained from out of state individuals. It has taken longer than expected to get the signatures, but we expect to have the last of them the week of August 17 and will plan to submit to the Probate Court shortly thereafter.

We would submit that this constitutes good cause for an extension and would ask that the Court hold the remittitur an additional sixty days until October 29, 2026 to allow for Probate Court approval. The parties further agree that they will apprise the Court in the event more time is needed.

Please let me know if you need anything further to accommodate this request.

Respectfully,

HAYNSWORTH SINKLER BOYD, P.A.
