Re: John Kachmarsky v. David G. Taylor, Appellate Case No. 2025-001384

Dear Ms. Kitchings:

I write in response to the Court's letter dated August 13, 2026, advising that the above-referenced case may be considered during the December 2026 term of court, with oral arguments to be held on December 7, 8, 9, and 10, 2026.

Co-counsel for the Appellant, Daniel S. Slotchiver, has a scheduling conflict on December 10, 2026 due to long-scheduled family travel plans. Counsel for the Appellant remain available for argument on December 7, 8, and 9, 2026.

Additionally, undersigned counsel is also counsel of record in Lauren Chambers Tracy v. Elijah Osama Mustafa, Appellate Case No. 2025-000403, which the Court has advised may likewise be considered during the December 2026 term. Should both cases be selected for oral argument, undersigned counsel would kindly request that the arguments not be scheduled for the same day and instead be scheduled apart from each other so as to allow him sufficient time to prepare for both arguments.

Thank you for your attention to this matter. Please do not hesitate to contact me with any questions.

Sincerely,

s/Jesse Sanchez
