

The South Carolina Court of Appeals

Greenwood Mills, Inc., Respondent,

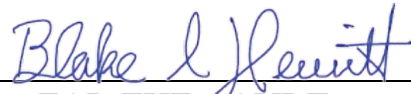

v.

Rodney White, Appellant.

Appellate Case No. 2025-000569

ORDER

On July 6, 2026, Appellant filed a "motion for limited review of procedural exhibits to call the court's attention to an apparent clerical omission in the amended record on appeal and request for limited exercise of the court's supervisory authority." On July 16, 2026, Respondent filed a return, opposing Appellant's motion. On July 20, 2026, Appellant filed a reply. After careful consideration of the filings, we grant Appellant's motion in part and deny in part. Within twenty days of the date of this order, Appellant shall serve and file a supplemental record on appeal containing the October 15, 2024 order of the clerk of court appointing the special referee, which was identified as Exhibit A to Appellant's motion. Appellant shall provide an electronic version and a physical copy of the supplemental record on appeal. As to the remainder of Appellant's motion asking this court to review Exhibits B through E, we deny Appellant's motion.
