Dear Ms. McDaniel,

Thank you for confirming receipt of my transcript request and providing the estimated cost of approximately \$42.50. Please do not treat my transcript request as withdrawn or cancelled.

I am proceeding pro se in a pending criminal appeal and have submitted a Rule 602, SCACR Motion for Determination of Indigency, Confirmation of Competency to Proceed Pro Se, and Authorization of Appellate Transcript Expenses in Circuit Court Case No. 2026CP4201706.

That request seeks authorization for qualifying transcript expenses to be processed through South Carolina Court Administration pursuant to Rule 602, including the transcript requested from your office.

Accordingly, I respectfully request that my transcript request remain active pending disposition of the Rule 602 indigency/funding request. Once the Court enters its order, I will promptly provide you and Court Administration with a copy so that the appropriate payment arrangements may be completed.

I understand your quoted amount is approximately \$42.50 for approximately 10 pages, and I am not asking you to begin transcription without appropriate payment authorization or arrangements.

Please confirm that the transcript request will remain pending while the Rule 602 funding determination is being completed. Thank you for your assistance.

Respectfully,

Sylecia McIntyre
