Ex Parte Communication/Conspiracy 8/18/2026

Number 1 Commandment "You Shall Have NO other gods before me"

To whom it may concern, My name is Tanya Murphy - Ms. Murphy wishes to address Jasmine Smith, Mrs. Smith I hope you are doing well and I appreciate your concern, therefore, the motions I assume you are speaking of is Judge Vinson that was uploaded on 6/1/26, 6/4/26 the 6/4/26 Motion was to recuse Judge Vinson to allow another Judge to grant the In forma Pauperis and a copy of both were sent to Mr. Roper. The latest to dismiss Judge Gibbons, with all do respect does not concern you, that is providing evidence of a corrupt system so the Judge can make a fair and justly decision when considering my motion. The appeal for Judge Gibbons, steps have been taken, the courts communicated Ex Parte, I immediately addressed my concerns with the courts and was turned away. The sign-in on 8/12/2026 Log in sheet will clearly show I did try and resolve the issue on the contact information for the parties and was met

My Final advice "REPENT" and turn from Evil ...

with hostility, Ms. Murphy refused to engage with Non Sense. Please concern yourself with the "Decision Filed" on case 2026-000315 and update the Appellant on the status of this case. Ms. Murphy clearly proved Judge Robert Hood was mentioned on the Motion for Scheduling. Ms. Murphy is alleging Judge Hood may have already ruled or have knowledge of case 2026-000315 and is communicating Ex Parte with the Chester County Courts. Yall came For Me (LOL) Left NO CHOICE but Pro Se. Please and Thank You
