Re: Case No. 2026-001758

Dear Ms. Teslenko:

This responds to your email received August 17, 2026. This is to clarify that your case was classified and entered as an "extraordinary writ" under Rule 245, SCACR. Although your letter referenced the Court's entry of an "administrative event," there is no such case classification for cases filed in the Court.

Per your request, a docket sheet showing the filings in this case is enclosed. Your request for expedited review is noted in the case file, and the case is under consideration by the Court.

Sincerely,

Patricia A. Howard

CLERK

Enclosure
