(Why deny the case on the date you thought
I missed at the lower court, I just sent that as evidence.)

Motion to Reinstate / Not Reconsider 8/19/2026

RECEIVED

Aug 19 2026

SC Court of Appeals

To whom it may concern, My name is Tanya Murphy. Ms. Murphy did a motion to reconsider on 6/1/2026 and was told the case was dismissed on the 29th of May for the motion to recuse. The motion on June 6th ask the courts to reconsider or allow Ms. Murphy to pay the filing fee and was met with the motion to reconsider was for the denial made on 5/29/2026. Ms. Murphy therefore paid the \$50 for a motion to Reinstate which the courts conserved as a motion to reconsider which was already denied. On 7/13/2026 States No Return - Reinstate (filed as Motion to Reconsider) with no attached documentation sounds fraudulent. The decision filed was never addressed to Ms. Murphy. The \$50 money order says for Motion. Ms. Murphy wishes to allow the courts to reflect Reinstatement instead of Reconsider. The orders submitted clearly says Reinstate...

Please and Thank You

Tanya Murphy

This is a you
problem because you conserved erroneously
