I am writing you all asking to either go pro se for my direct appeal or to have counsel that is outside of the offices where my current attorney a Wanda H. Carter who is employed by the SCCID. Mrs. Carter did not raise the more meritous issues pertaining to my appeal and she is not properly communicating with me as her client. She was advised by multiple letters by myself about the constitutional issues that are present and she neglected my issues presented. I am asking to be allowed to conduct my own direct appeal or be appointed counsel outside of the SCCID. Thank You and have a blessed day.
