RE: Bagley v. Palmetto Richland Hospital Prisma Health, Appellate Case No. 2025-000378.

Dear Ms. Kitchings:

I am in receipt of a letter from Deputy Clerk Harrison dated August 5, 2026, in which I received on the 10th of August. Please be advise that I have submitted the necessary SCCA forms to the Office of Court Administration, numerous times, and to the Richland County Clerk of Court to find out the individual name that transcribed the transcript, and the address as well, but there has not been a response with the information.

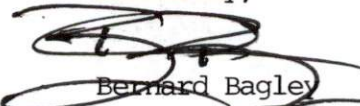

Please be advise that I requested for the Court to intervene into this matter to Order the Court Administration to provide me the name and address or the alternative, Order the individual to contact me so that I may order the transcript.

It's beyond my control to reach out from behind the prison razor wires to obtain the information or the transcript with the exception of the U.S. Mail services.

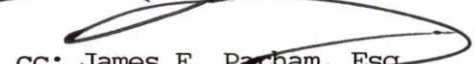

Your assistance and possibly a writ of mandamus order may get some action in this matter. In the meantime, I will contact the Office of Court Administration once again.

Thank you for your concerns and assistance you can provide.

Sincerely,

Bernard Bagley
