THE STATE OF SOUTH CAROLINA
In The Court of Appeals

APPEAL FROM CHARLESTON COUNTY
Court of General Sessions

Roger M. Young, Sr., Circuit Court

Judge

Case No. 2023GS1003220-3222

State of South Carolina,

Respondent,

v.

Michael Whitlock,

Appellant.

APPELLANT'S MOTION TO AMEND
DESIGNATION OF MATERIALS FOR RECORD ON
APPEAL AND MOTION TO EXTEND TIME TO
SERVE RECORD ON APPEAL

NOW COMES Appellant, by and through his undersigned counsel, respectfully moving to amend his designation of materials for inclusion in the record on appeal. After discussing respondent's objections to certain items initially designated by the Appellant, the parties agreed that they will use the materials as listed in the respondent's designations, as well as the complete transcript.

In this motion, the Appellant seeks leave to file an amended list of designated items. Appellant further respectfully requests a two week extension of time to serve the record, up to and including the 3rd day of September, 2026. The record was originally due to be served yesterday. The undersigned apologizes for filing this one day out of time and for not bringing this matter to the court's attention last week. The undersigned is recovering from a severe illness that unfortunately got me a little slowed down.

WHEREFORE, the Appellant respectfully requests that the court permit him to amend his list of designated items for the record and to file an amended list of items, and that Appellant receive a two week extension of time to serve the record on appeal, up to and including the 3rd day of September.

RESPECTFULLY

SUBMITTED
