Re: The State v. Jerry Buck Inman
2009-135566

Dear Ms. Negron-Saullo:

This will acknowledge your email dated August 20, 2026, with reference to the above case. Oral arguments in the above case are not available. When this case was argued in 2011, this Court audio recorded the arguments, as we did not have the capability to video record the arguments and save the recordings to the case (as we do now). The retention schedule for audio recordings of oral arguments in 2011 provided that audio recordings were retained for one year after the date of oral argument.

Sincerely,

Patricia A. Howard
