Thank you for your letter. I just wanted to write for confirmation that the recording does not exist any more. Our office's understanding is that all records related to capital cases are maintained throughout the pendency of the case given the seriousness of the punishment and S.C. Code section 14-13-10. If they are not at the Supreme Court, do you happen to know if this is the kind of record that might have been transferred to the state archives? Thank you in advance for your assistance on this matter.

Good morning,

I spoke with someone in your office yesterday as well as Ms. Janet in the library and she suggested I reach back out to you all. I am trying to acquire a recording for an oral argument in Jerry Inman's case, case no. 2009-135566. It was argued on September 21st, 2011. I am requesting this on behalf of his attorney, Rosalind Major. Please let me know if you need anything additional from me.

Best,

Cierra Negron-Saullo
