The South Carolina Court of Appeals

Joseph E. Donohue, IV and Caroline Marvin, Appellants,

v.

Gs North Main Owner, LLC dba Marlowe Summerville,
Respondent.

Appellate Case No. 2026-001435

ORDER

On July 22, 2026, Respondent filed a motion to dismiss the appeal on the basis Appellants did not correct a deficiency within the timeframe provided by this court.[1] In the alternative, Respondent seeks an order of this court directing the Berkeley County circuit court to schedule a bond hearing at the earliest practical date. Appellants filed a return on August 11, 2026.

After careful consideration, we deny Respondent's motion to dismiss in its entirety, without prejudice to Respondent filing a motion for a bond hearing with the circuit court.
