RE: Andrew Tyler, et al. v. D.R. Horton, Inc., et al.
Appellate Case No.: 2026-001864
Circuit Court C/A No.: 2022-CP-08-02548

Dear Clerk of Court:

I am writing to clarify the record regarding the Notice of Appeal and accompanying exhibits submitted in the above-referenced matter.

As confirmed by the Clerk's Office, multiple copies of the Notice of Appeal and Exhibit B thereto were inadvertently transmitted to the Court and file stamped. The additional submissions are duplicative copies of the same documents and were not intended to constitute separate or additional notices of appeal or filed exhibits.

Only one appeal was intended, with two exhibits, and only one appellate case number, 2026-001864, has been assigned. This correspondence is submitted at the request of the Clerk's Office to clarify the record and avoid any confusion regarding the duplicative filings.

Thank you for your assistance. Please let us know if any additional information or if further documentation is needed.

With kind regards,

Kimila Wooten
