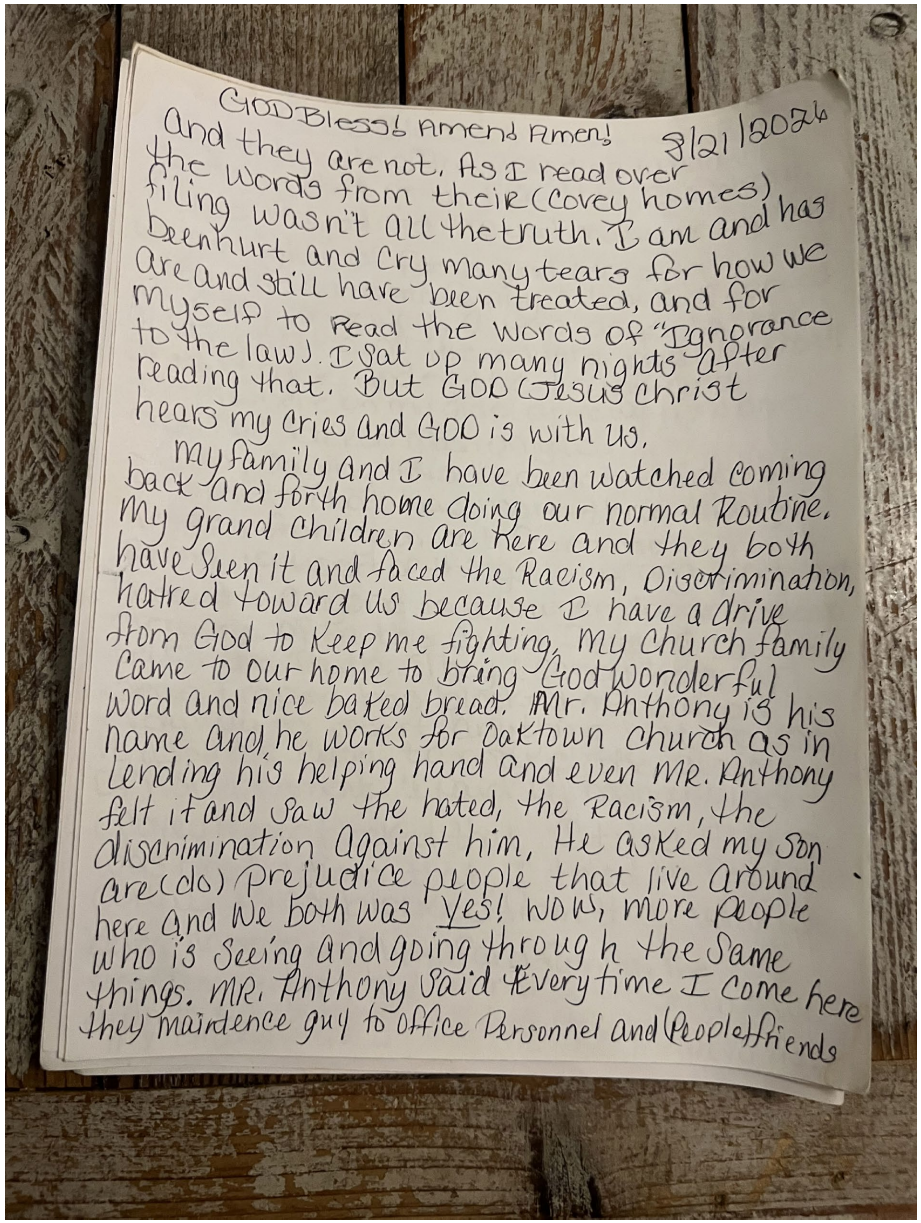
GOD Bless & Amen & Amen!

8/21/2020

To the Supreme Court
And all whom it may Concern;
I Allison Coakum Pray that through
All the paper work and proof of the
things at hand, will be taken in a very
Serious matter(manner) I am Responding
to the filing that was Sent by
Sean Tropea.

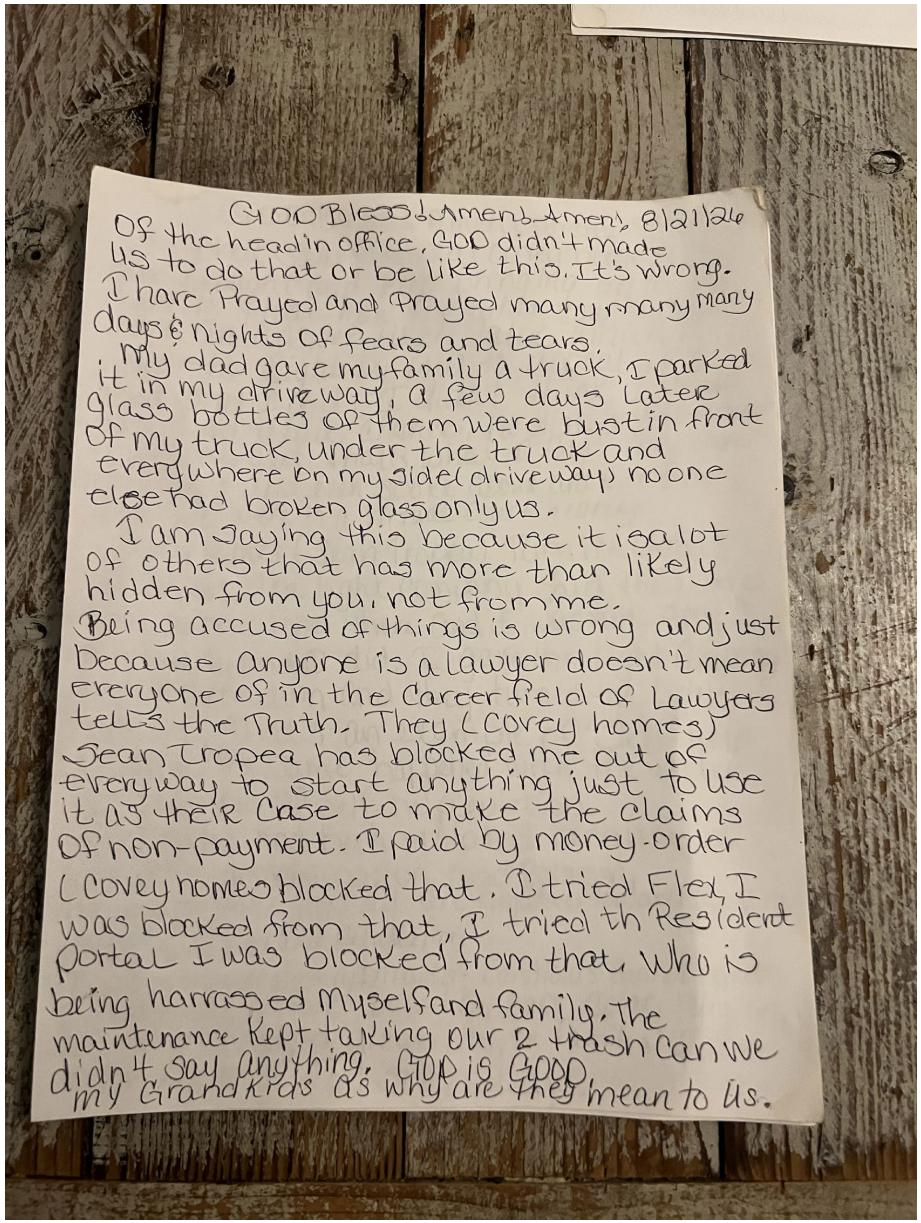
I have to say that my family
has been through and face horrible things
done to us. Sean Tropea (Covey homes)
Say I owe a large amount of money
which is not true. They double charged
me, They looked (locked) me out of they
way I was to pay. I put all of this
first because one it is true and in the
Transcripts that your have Sean Tropea
Said in Court your Honor you know we
don't have to take the money, Then, Why
Are you trying to evict me for money
Covey homes wouldn't take. The answer
is discrimination.

My family and I went through and still
going through hatred, mean, Racism and
People who believe they are above The Law

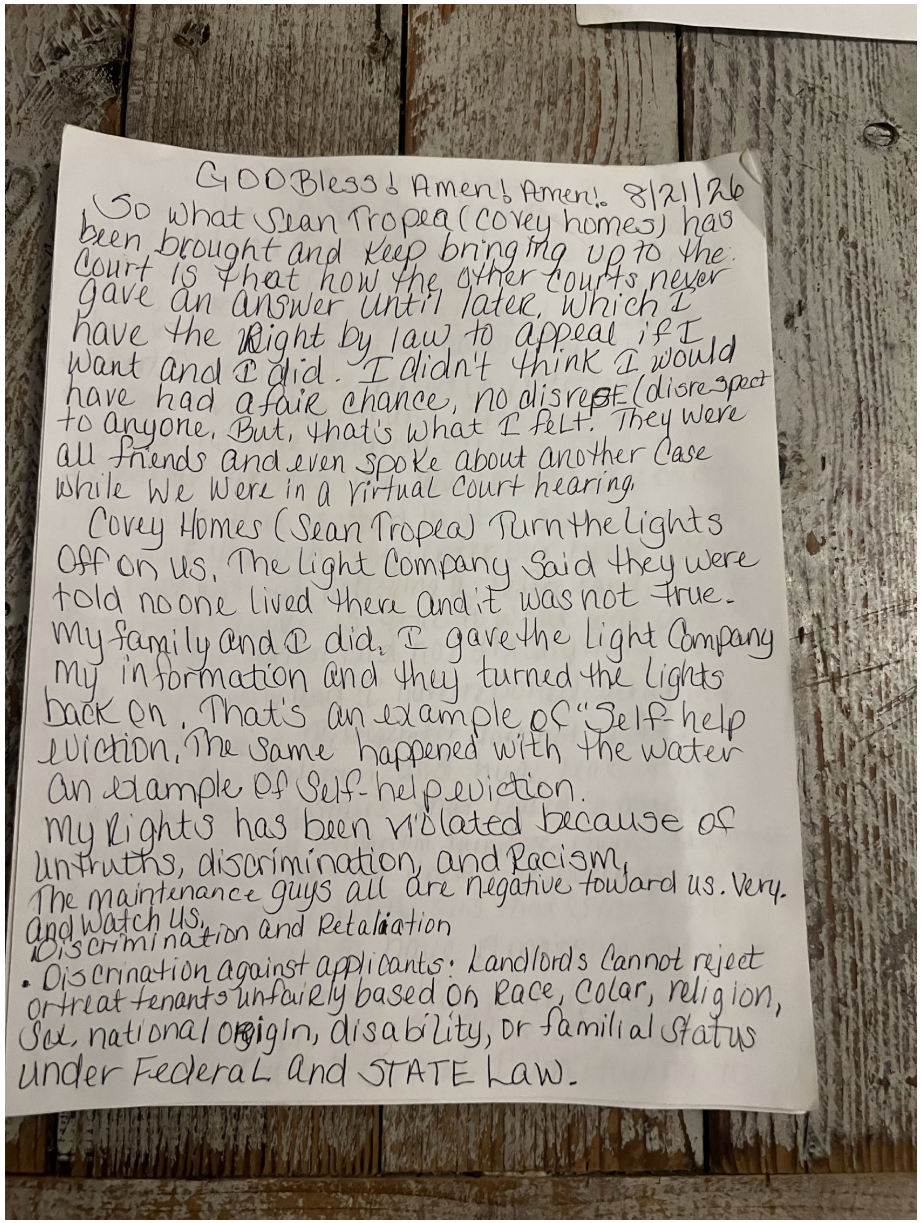


GOD Bless! Amen! Amen! 9/21/2024
And they are not. As I read over the words from their (Covey homes) filing wasn't all the truth. I am and has been hurt and cry many tears for how we are and still have been treated, and for myself to read the words of "Ignorance to the law". I sat up many nights after reading that. But GOD (Jesus Christ hears my cries and GOD is with us.

My family and I have been watched coming back and forth home doing our normal Routine. My grand children are here and they both have seen it and faced the Racism, Discrimination, hatred toward us because I have a drive from God to keep me fighting. My church family came to our home to bring God wonderful word and nice baked bread. Mr. Anthony is his name and he works for Oaktown church as in lending his helping hand and even Mr. Anthony felt it and saw the hated, the Racism, the discrimination against him, He asked my son are (do) prejudice people that live around here and we both was Yes! WOW, more people who is seeing and going through the same things. Mr. Anthony said "Every time I come here they maindence guy to office Personnel and (People) friends



GOD Bless Amen, Amen, 8/21/26
Of the head in office, GOD didn't made
us to do that or be like this. It's wrong.
I have Prayed and Prayed many many many
days & nights of fears and tears.
My dad gave my family a truck, I parked
it in my driveway, a few days later
glass bottles of them were bust in front
of my truck, under the truck and
everywhere on my side driveways no one
else had broken glass only us.
I am saying this because it is a lot
of others that has more than likely
hidden from you, not from me.
Being accused of things is wrong and just
because anyone is a lawyer doesn't mean
everyone of in the Carcer field of Lawyers
tells the Truth. They (Covey homes)
Sean Tropea has blocked me out of
everyway to start anything just to use
it as their Case to make the claims
of non-payment. I paid by money-order
(Covey homes blocked that. I tried Flex, I
was blocked from that, I tried th Resident
portal I was blocked from that. Who is
being harrassed Myself and family. The
maintenance Kept taking our 2 trash can we
didn't say Anything. GOD is Good,
my Grandkids as why are they mean to us.



GOD Bless & Amen & Amen!. 8/21/26

So what Sean Tropea (Covey homes) has been brought and keep bringing up to the Court is that how the other Courts never gave an answer until later, which I have the Right by law to appeal if I want and I did. I didn't think I would have had a fair chance, no disrep(disrespect to anyone. But, that's what I felt. They were all friends and even spoke about another Case while we were in a virtual court hearing.

Covey Homes (Sean Tropea) Turn the Lights Off on us, The Light Company said they were told no one lived there and it was not true. My family and I did, I gave the Light Company my information and they turned the lights back on. That's an example of "Self-help eviction. The same happened with the water an example of Self-help eviction.

My Rights has been violated because of untruths, discrimination, and Racism, The maintenance guys all are negative toward us. Very. and watch us,

Discrimination and Retaliation

- Discrination against applicants: Landlords cannot reject or treat tenants unfairly based on Race, Color, religion, Sex, national origin, disability, or familial status under Federal and STATE Law.
