I am writing because the original email Sean sent about the rent. The rent is not late on the 5th as it says on the magistrate court order says that Mr. Tropea went back to and refer too. As I said before the changed the way I made my payments which was by money order also in the court paperwork I sent in and it would be late after the 5th not on the 5th. As I also said Sean Tropea said in magistrate court that Covey Homes doesn't have to give or fix my refrigerator which has been not working over a year that as he said they don't have to fix. They refuse to fix anything that I have reported. Nothing is being damaged by myself or family. They refuse to fix what I have reported since LAST YEAR. So, I had to get a small mini refrigerator to hold a little bit of food. They refused to take the money just like the refused to fix anything. All of this is documented in the transcripts that the Court of appeals had me to order. I have been trying my best but when someone Covey
