RE: State v. William David Gunn – Appellate Case No. 2024-001358

Dear Ms. Kitchings:

The above-referenced criminal appeal is currently pending before this Court. Earlier today, the appellant, William David Gunn, submitted a motion seeking to amend his designation of matter to include matter that was properly included in the Record on Appeal as filed but was inadvertently omitted from his original designation of matter. Please be advised the State has no objections at all to Appellant's motion and asks that it be granted and the amended designation of matter be accepted as filed. Thank you very much, and, if you have any questions or concerns or if a more formal return is needed, please do not hesitate to contact me.

Sincerely,

Mark R. Farthing
