RE: J P Morgan Chase Bank National Association

v. Clorenda Mae White, et al.

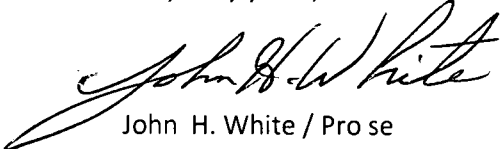

of whom John Henry White is the Appellant. Appellant case no. 2013-001576

Dear Ms. Kitchings:

This letter comes to inform your office that not at any time have I consented or agreed to suspend all deadline (s) related to a "Responsive Brief" or any other appellate deadlines connected with the pending appeal in the captioned matter. I am grieved and concerned that, counsel for the plaintiff, Mr. Davidson has misrepresented my response to his pleas to me to sign a proposed consent to waive the deadline for which Chase has defaulted. I am herewith officially objecting to any relaxation of the Rules of Appellate procedures of scheduling mandates set by this court.

I expect to file my final brief as required by the court. By copy of this letter, I am again advising attorney Davidson of my steadfast refusal to comply with his request for an agreement to suspend scheduling deadlines .

Very truly yours,

John H. White / Pro se
