IN THE COURT OF COMMON PLEAS

TWELFTH JUDICIAL CIRCUIT

CASE NO.: 2023-CP-21-01976

ORDER DENYING PLAINTIFF'S
OBJECTIONS and MOTION TO ALTER
OR AMEND ORDER

This court issued orders on June 3, 2026, and on June 18, 2026. Those rulings or orders were filed and served on the parties.

On or about June 23, 2026, Plaintiff served on this court her "MOTION OBJECTING TO COURT ORDER MOTION TO ALTER OR AMEND COURT ORDER RULE 59." Plaintiff's motions or objections do not precisely address any order; however, this court allows for liberal reading of the motions and objections and deems them aimed at the recent orders issued. Plaintiff cited several cases followed by a statement.

This court respectfully denies the motions to reconsider (her objections). In the prior underlying order this court stated it would address any reconsideration motions or objections without a hearing unless the court found that a hearing was needed. SCRCP 59 grants the court, this court here, that discretion. Plaintiff has submitted now and in the past her lengthy motions, pleadings, and submissions. Thus, to reiterate, this court does not require a hearing on the recent motions.

I do not grant Plaintiff's objections or motions. This court stands by its prior rulings.

It is done and ordered this 7th day of July 2026, in Sumter, South Carolina.

George M. McFaddin, Jr.
Circuit Court Judge

IN THE COURT OF COMMON PLEAS

TWELFTH JUDICIAL CIRCUIT

CASE NO.: 2023-CP-21-01976

ORDER DENYING PLAINTIFF'S
OBJECTIONS and MOTION TO ALTER
OR AMEND ORDER

This court issued orders on June 3, 2026, and on June 18, 2026. Those rulings or orders were filed and served on the parties.

On or about June 23, 2026, Plaintiff served on this court her "MOTION OBJECTING TO COURT ORDER MOTION TO ALTER OR AMEND COURT ORDER RULE 59." Plaintiff's motions or objections do not precisely address any order; however, this court allows for liberal reading of the motions and objections and deems them aimed at the recent orders issued. Plaintiff cited several cases followed by a statement.

This court respectfully denies the motions to reconsider (her objections). In the prior underlying order this court stated it would address any reconsideration motions or objections without a hearing unless the court found that a hearing was needed. SCRCP 59 grants the court, this court here, that discretion. Plaintiff has submitted now and in the past her lengthy motions, pleadings, and submissions. Thus, to reiterate, this court does not require a hearing on the recent motions.

I do not grant Plaintiff's objections or motions. This court stands by its prior rulings.

It is done and ordered this 7th day of July 2026, in Sumter, South Carolina.
