(2025-00000) Evidence "Affidavit" Affidavit (8:24-CV-07655-RMG-WSB) (0:25-CV-01073-RMG-WSB) (7:25-CV-10435-RMG-WSB) (8:26-CV-123-RMG-WSB)
My name is Craig Ninja Antonio Brewton & I didn't receive the summary judgment objection & notice of appeal for cases 0:25-CV-01073-RMG-WSB & case 7:25-CV-10435-RMG-WSB mail arriving at Spartanburg Co. Det. Center (SCDC) on 3/27/26 & Mr Brewton was shipped to SC Det. Center in Columbia (Kirkland) on that day before the mail lady came to work to pass out mail never receiving the mail still till this day showing acts of bad faith, mail tampering, & lies on the Def(s) behalf saying that Mr Brewton received the mail, in which he never received or saw the mail. Mr Brewton wrote a duplicate lawsuit on 12/13/24 & Spartanburg County held his mail until 12/23/24 but labeled 12/23/25 on the mail being the wrong date in case 8:24-CV-07655-RMG-WSB making Mr Brewton write another lawsuit on file "Brewton II". SCDC staff held & opened Mr Brewton's legal mail until the showed Mr Brewton's Lawyer (Jennifer E Wells) trying to convince her to try to persuade Mr. Brewton not to file a lawsuit. Mr Brewton knew that his rights of the 1st amend. was violated, turned down the offered plea deal, & fired his lawyers conspiring against him working with the SCDC staff to hold his mail by Sgt Bell, Sgt Ashley, the mail lady Mevdev & officer Campbell being the mail room supervisor, also Mr Brewton wrote grievances on the computer kiosk as evidence of all of the staff working together in the mail department when Mr. Brewton asked for certified mail to be paid for, sent, & signed when received denying Mr Brewton that right with proof. These are two different of many times that SCDC has tampered, held, & magically made Mr Brewton's legal mail disappear to & from the courts. With the new evidence showing an existing neck injury required a neck brace labeled evidence "C7", also evidence that the PL is disabled with injuries that are not de minimis injuries not resisting or violent requesting medical for injuries being injured from deliberate use of force from Dep(s) being negligent supervision & training by Spartanburg County & SCDC deputies involving the Spartanburg County Sheriff's office or Department. Spartanburg County & Spartanburg County Det. Cent. actions were undertaken in clear violation of official policy & acts were pursuant to usage, custom, or official municipal policy being against racial discrimination, ECF, illegal S&S, & retaliation. The produced evidence creates a genuine dispute of material facts of if the injuries has worsened, de minimis, & if my injuries required a neck brace seen on "SRHS". Mr Brewton injured hurting can not follow rules severely injured in pain being told to walk or move injured. The Spartanburg Co. Judges errored in not allowing Mr Brewton a evidentiary hearing with evidence obtained by conduct violative Const. Rights, The seriously affected fairness & substantial rights, Craig Ninja Antonio Brewton 8/4/26 errors
