Re: Shaftesbury Green Property Owners Association, Inc. v. Cedric Browne

Appellate Case No. 2026-001570

Dear Ms. Kitchings:

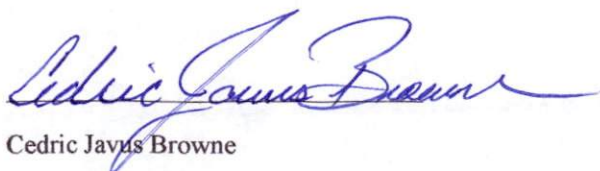

I am in receipt of the Court's letter dated August 17, 2026, advising that the \$50.00 filing fee for my motion to order the transcript outside the deadlines set by Rule 207, SCACR, had not been submitted, and that this deficiency must be corrected within ten (10) days of the date of that letter.

Enclosed please find a check in the amount of \$50.00 to cure this deficiency and complete the filing fee for that motion. I respectfully request that the Court now consider the motion filed and proceed with its review.

I also acknowledge the Court's separate notice that my initial brief and designation of matter, received August 12, 2026, were premature under Rules 208 and 209, SCACR, and that no further action will be taken on those filings until the initial brief and designation of matter are properly due — thirty (30) days after I receive the transcript. I understand this and will refile at the proper time.

Thank you for your attention to this matter. Please do not hesitate to contact me at the phone number or email address above with any questions.

Respectfully,

Cedric Javus Browne

Enclosure: Check No. 2001 in the amount of \$50.00
