RESPONDENTS' SECOND CONSENT MOTION FOR AN EXTENSION OF TIME TO FILE AND SERVE THEIR INITIAL BRIEF AND DESIGNATION OF MATTER FOR INCLUSION IN THE RECORD ON APPEAL

NOW COME Innovative Scientific Solutions, LLC, J. Ryan Flanagan, Jay A. Flanagan, Jr., and Marion L. Snyder ("Respondents"), by and through their undersigned counsel, pursuant to Rule 263, SCACR, and respectfully move this Court for an extension of eleven (11) days additional time to file and serve their Initial Brief and Designation of Matter for Inclusion in the Record of Appeal ("Designation of Matter").

1. On or about March 4, 2026, Appellant Mr. Jones filed his Notice of Appeal in this matter.
2. Appellant's Initial Brief and Appellant's Designation of Matter was filed on June 12, 2026.
3. In accordance with Rule 208(a)(2), the original deadline for Respondents' Initial Brief and Designation of Matter in this matter was July 10, 2026.
4. By Order filed August 10, 2026, Respondents were permitted to serve and file their Initial Brief and Designation of Matter out of time and were granted an extension of the deadline through August 31, 2026.
5. Due to the complexity and nature of the issues involved in this appeal, Respondents' counsel requires a brief second extension of time to file and serve their Initial Brief and Designation of Matter.
6. On August 24, 2026, undersigned counsel contacted counsel for Appellant by email and requested an additional eleven (11) day extension of the current August 31, 2026, deadline, which would make the new deadline September 11, 2026. Appellant's counsel consented to that extension via email that same day.

7. Respondents believe that this relief is consistent with the interests of justice and will not work any undue prejudice on any party.
8. This is Respondent's second request for an extension to file their Initial Brief and Designation of Matter.

For the foregoing reasons, Respondents Innovative Scientific Solutions, LLC, J. Ryan Flanagan, Jay A. Flanagan, Jr., and Marion L. Snyder move this Court for an Order granting them an additional eleven (11) days, up to and including **September 11, 2026**, to serve and file their Initial Brief and Designation of Matter.
