In the honorable Court of South Carolina Court of Appeals

I Miranda Mitchum Appellant moves the court pursuant to Rule 214 SCAR to consolidate the two pending appeals in this case, which arose from the same underlying action.

In support of this motion Appellant states

1. Both appeals involve the same parties and arose from the same Berkeley County Common Pleas case # 2024-08-03108

2. The first appeal is from the underlying order dated Sept 29, 2025

3. This second appeal is from the order dated Oct 21, 2025 which denied Appellants Rule 60(b) motion. This appeal was initiated by a notice of appeal dated Oct 26, 2025

4. The issues in both appeals are based on the same factual record and concern the same legal dispute making consolidation necessary for efficient judicial review.

Wherefore Appellant respectfully requests that this court order the consolidation of the two pending appeals
