Appellate Case No. 2025-002132

**APPELLANT'S MOTION FOR EXTENSION OF TIME
TO SERVE AND FILE APPELLANT'S FINAL BRIEF**

TO: THE HONORABLE CHIEF JUDGE AND ASSOCIATE JUDGES OF THE SOUTH
CAROLINA COURT OF APPEALS:

Appellant Cynthia Veronese, appearing pro se, respectfully moves this Court, pursuant to Rule 234, SCACR, for an extension of time of thirty (30) days in which to serve and file Appellant's final brief. In support of this motion, Appellant states as follows:

1. On July 22, 2026, this Court issued an Order denying Appellant's May 18, 2026 motion and June 16, 2026 amended motion, and directing that "Appellant has fifteen days from the date of this order to serve and file Appellant's final briefs or this appeal may be dismissed."
 2. Appellant's final brief was therefore due on or about August 6, 2026.
-

3. Appellant was the sole caregiver for her ninety-six (96) year-old mother. During the time relevant to the preparation of Appellant's final brief, Appellant's mother was hospitalized for approximately forty-five days (from June 26 until her passing on August 10, 2026), during which period Appellant attended to her care.
4. Appellant's caregiving obligations during her mother's hospitalization materially impaired her ability to prepare and complete her final brief within the fifteen-day period set by the Court's July 22, 2026 Order. On August 4, 2026, Appellant filed a motion for extension of time, attaching a true and correct copy of the hospital record documenting Appellant's mother's hospitalization.
5. On August 10, 2026, this Court granted Appellant's motion, and Appellant's final brief is therefore due on or about September 5, 2026.
6. Appellant's mother passed away on August 10, 2026. Since that time, Appellant has been occupied with funeral and burial arrangements and with the attendant family and estate matters that follow the death of an immediate family member.
7. The hospitalization and subsequent death of Appellant's mother have materially impaired Appellant's ability to prepare and complete her final brief within the 30-day period established by the Court's August 10, 2026 Order.
8. Documentation of Appellant's mother's death is attached hereto as Exhibit A. [published wake invitation].

9. This motion is made in good faith and not for purposes of delay. Appellant requires the requested additional time solely to prepare a complete and adequate final brief so that this appeal may be decided on its merits.

10. Appellant respectfully submits that good cause exists for the requested extension, and that no party will be prejudiced by a brief extension of the filing deadline.

11. Prior to filing this motion, Appellant contacted counsel for Respondents, Ivon Keith McCarty, Esquire, regarding this request. Respondents do not consent on the relief requested herein.

WHEREFORE, Appellant respectfully requests that this Court grant an extension of time of thirty (30) days, through and including October 5, 2026, within which to serve and file Appellant's final brief, and grant such other and further relief as the Court deems just and proper.

Respectfully submitted,

Cynthia Veronese, Appellant, Pro Se
