EXHIBIT A

CHRONOLOGY OF EVENTS AND NOTICE OF RECEIPT OF APPEAL DENIAL

September 3, 2024
Notice of Appeal filings were entered with the South Carolina Court of Appeals.

June 22, 2026
The South Carolina Court of Appeals docket reflects entry of a Disposition Decision concerning the appeals.

June 23, 2026
The Petition for Rehearing documentation reflects a filing/stamp date.

June 25, 2026
Appellant contacted the South Carolina Court of Appeals by telephone because of concern regarding the lack of notification and the continued need for an appellate case number. Appellant sought clarification regarding the status of the appeals and information necessary to properly proceed.

At that time, Appellant had not received notice of the denial of the appeals by mail and was attempting to determine the status of the appellate matters and how to proceed after not having received notification.

June 25, 2026
Appellant served the Petition for Rehearing and related documents upon the required parties, including by certified mail, with proof of service documentation.

June 26, 2026 — RECEIPT OF NOTICE OF DENIAL OF APPEAL
Appellant received by regular United States Mail a Notice of Denial of the Appeal.

This was the date Appellant actually received the written notice of the denial by mail. The June 22, 2026 docket activity and the June 26, 2026 receipt of the written notice are therefore distinct events.

The receipt of the Notice of Denial occurred immediately after Appellant had begun reinitiating and rebuilding the appellate matters because Appellant had not received notification concerning the status or denial of the appeals.

June 26, 2026
After receiving the Notice of Denial of the Appeal, Appellant emailed the South Carolina

Court of Appeals Filings Office with attached documentation concerning the matters. The email records reflect the date and time of submission.

APPELLATE CASE IDENTIFICATION

The appeal numbers and corresponding case/ticket numbers are identified as follows:

1. Case/Ticket No. 20240610553754 → Appeal No. 2024-CP-4005319
2. Case/Ticket No. 20240610553758 → Appeal No. 2024-CP-4005327
3. Case/Ticket Nos. 20240610562563 and 20240610562565 → Appeal No. 2024-CP-4005212

Cases 20240610562563 and 20240610562565 concern the same underlying incident and are therefore identified together under the corresponding appeal.

The separate Lexington/Cayce Case No. 7102P0584856 is not included in the above three appeal-number assignments because Appellant did not receive an appellate case number for that matter.

SUPPORTING DOCUMENTATION

June 29, 2026 — Documentation Compiled

1. Notice of Denial of Appeal received by mail.
2. USPS delivery documentation.
3. Certified-mail receipts.
4. Petition for Rehearing and proof of service.
5. Email correspondence and confirmation records.
6. Appellate documentation identifying the corresponding case/ticket and appeal numbers.

PURPOSE OF EXHIBIT A

This chronology is submitted to document the sequence of events surrounding the appeals, including the lack of notification, Appellant's efforts to determine the status of the matters and reinitiate/rebuild the cases, the June 22, 2026 docket activity, and Appellant's actual receipt of written notice of the denial by mail on June 26, 2026.

This exhibit also identifies the corresponding appellate numbers for the four relevant case/ticket numbers and distinguishes those matters from Lexington/Cayce Case No. 7102P0584856, for which Appellant did not receive an appellate case number.
