During the research of this case. In which the motions has been expunged. There's noway to have a fair appeal of that issue alone. This Case is Coming back as Malicious prosecution Vindictiveness with Animus. The violation to my fourth Amendment makes a false Arrest now false imprisonment. I don't fully Understand the Ethics of the appeallant Court but I See Mertritts for immediate release. This is very Criminal to how my case has been pushed back and handle by So called government and that imunity dosen't Last through Constitutional Violations. These Actions will be manifested it the fucture In God We trust. I remain.
