Dear Ms. Kitchings:

Our law firm represents the Appellant, Jasper County Board of Education, in the above-referenced appeal. I am writing to request a 30-day extension of time for Appellant to submit its initial brief and designation of matter for the record on appeal. The transcript from the court reporter was received in this office on December 12, 2013, and Appellant's initial brief and designation would be due on Saturday, January 11, 2014. Accordingly, it is my understanding that the resulting due date for the brief and designation would be Monday, January 13, 2014. With the requested extension, my understanding is that the brief and designation would be due on February 12, 2014. I have consulted with Marvin C. Jones, opposing counsel, and he has no objection to this extension. By copy of this letter, I am advising Mr. Jones of this correspondence with the Court.

The reasons for this request are that I have just celebrated both Christmas and my son's wedding in December, and my wife and I are leaving for a two-week trip to Israel January 14-25, 2014.

Enclosed is a check in the amount of \$25.00 for the filing fee. Thank you for your consideration of this request.

Respectfully,

William F. Halligan
