Appellant did not receive written notice of the March 6, 2025 dismissals. Appellant subsequently discovered an issue concerning the status of the previously filed appeals and contacted the South Carolina Court of Appeals by telephone. On April 22, 2026, Appellant followed up with email correspondence to the Court of Appeals concerning the status of those appeals and the prior filings that Appellant had personally delivered to the Richland County Court of Common Pleas and the South Carolina Court of Appeals.

Upon discovering that the prior appeals had been dismissed, Appellant pursued further
